No. G. 27365-91—P. P. 1-19-1130, DATED 12TH JUNE 1920.

REPORT ON THE KHEDDA OPERATIONS, 1819.

INTRODUCTORY.

Early in March last intimation was given of the visit of His Excellency the Viceroy to the State in the ensuing cold weather and a sum of Rs. 15,000 was placed at the disposal of the Conservator of Forests on the 2nd April following for making preliminary arrangements for conducting Khedda Operations in Kakankote for the entertainment of the distinguished guest. The grant was subsequently raised to Rs. 70,000 in June 1919 on an estimate of cost submitted for sanction and was further augmented by Rs. 30,000 in Government Order No. G. 3112-13—P. P. 1-19-130, dated the 8th August 1919, bringing the total grant to one lakh of rupees.

Preliminary arrangements.—These works were put in hand immediately on receipt of the first grant of Rs. 15,000 and consisted chiefly of the clearing of the surround drive lines about 40 miles in length repairs of trackers round Kheddas Nos. 1 and 2.

The Kheddas were cleared of all dead bamboo clumps and the trenches of all rank vegetation by the end of April. The clearing of the drive lines in the Begur and Kakankote forest was taken up immediately and completed by the end of the official year. The work was by no means easy, as considerable amount of dead bamboo and trees had fallen since the previous Khedda operations of 1913.

The repair of trenches was started in June. Six years had elapsed since the last Kheddas, and the gregarious seeding and death of the big bamboo had practically oblitarated the old trenches by choking them and the work had practically to be redone. Owning, however, to incessant rains which lasted from June till about the middle of November the sides of the trenches which had been put in order collapsed on more occasions than one rendering their maintenance in proper condition extremely difficult and augmenting the cost of construction and repair.

The gregarious death of the big bamboo added considerably to the trouble and expense incurred in the construction of trench and stockade work. Every single bamboo required for sheds, thatties and other miscellaneous work had to be obtained from a distance of about 5 to 8 miles in the case of small bamboos and 15 to 20 miles in the case of big bamboos. Nearly 50,000 small bamboos and 20,000 big bamboos had to be collected to meet our requirements for trench, platform work and for the sheds put up at Mastigudi to house the staff.

The disappearance of the big bamboo over the whole area of the forest encouraged the formation of impenetrable dense thickets of young bamboo and other vegetation making walking practically impossible. In many places even men on elephants were invisible in the general rank growth of grass and weeds. To enable driving operation possible a larger number of temporary lines had to be cut through the forest.

For the construction of the stockade the trenches and the two roping stockades about 15,000 poles of various sizes and kinds had to be collected in a short time.

To add to all this 49 miles of forest roads had to be made fit for motor traffic. Six Forest Lodges had to be rapaired and made suitable for the occupation of distinguished guests, while small repairs had to be undertaken in the case of another dozen buildings.

All this work meant organization of an enormous amount of labour, both skilled and unskilled, and at times the task looked well nigh impossible, as the demand for labour and carts from other departments, especially from the Public Works Department was naturally great.

Three bamboo bridges were constructed across the river Kabbini at Naihaila, Kuruchekadu and Mastigudi. The bamboos were obtained from the Malabar jungle. The wire ropes were stretched across by men kindly lent by the Superintending Engineer, Krishnarajasagara Works.

A well equipped hospital was located at Mastigudi.

For the supply of rations and ropes, a shop was opened at the above place by Mr. M. Nagappa who was required to sell the articles at rates previously fixed. The task of rationing over 1,500 men, 50 Kumki elephants was by no means an easy one owing to the distance of the market and the scarcity of the food stuffs. Mr. M. Nagappa rose to the occasion and satisfactorily met the varying needs.

During the greater portion of the time from July to end of August there were nearly 400 coolies working on Khedda construction work, about 300 coolies on road work and about 300 kurbars on the clearing of temporary surround lines, besides the skilled labour employed on the repairs and construction of the buildings.

On the 15th October the officers deputed for special duty went into camp with the Conservator of Forests at Kakankote and the work of construction in both the Kheddas was practically completed by the end of the month.

Sixteen Rangers who had either previous Khedda experience or who were likely to do good work under trying conditions were drafted for special duty. They reported themselves for duty at Mastigudi on the 15th October and by their zeal and hard work more than justified their selection. It might also be stated that even this large number of Rangers was at times found inadequate to cope with the patrolling work and on some days the clerical staff was also engaged for night patrol duties.

Forty trained Shikaries were recruited from Chittagong to assist in the roping operations and in the subsequent watch and ward of the captives and these arrived in time in October 1919.

The first drive.—The tracking of herds in Kakankote Forests was commenced from the 15th October and three herds located and their movements watched till the close of the month. Two of the herds were small, one of which crossed over to the Begur Forests. On the morning of the 1st November intimation was received that the big herd has just crossed the Sunkadakatte-Antarsante road near Gertal Kolachi in the Kakankote Forest. By that time with the help of the Revenue Department nearly 800 local Shikaries had been assembled at Mastigudi with rations supplied for six days. On receipt of the information they were marched off and the Mastigudi-Antarsante road, Sunkadakatte Antarsante road and the Burudekatte line were posted up. The men were instructed to keep the fires going during day and night at intervals of thirty yards and all the officers and Rangers helped in the posting up and patrolling of the lines. The length of the surround was nearly 13 miles. Just as the posting was completed rain started and began to pour continuously and heavily and the keeping up of the fires was a difficult task. Patrolling in wet clothes drenched to the skin was weary work and it should be stated to the credit of the officers and men entrusted with the work that they did their duties enthusiastically and devotedly under the most cheerless and depressing circumstances. On the morning of the 2nd, the rainguage recorded 20 cents at Sunkadakatte and the rain was coming continually. No change of surround lines was possible. On the 3rd morning the rain guage recorded a fall of 2½ inches during the previous twenty-four hours and the weather having cleared up slightly, it was resolved to shorten the surround area by posting up the Halekere cart-track, which the elephants had crossed over the previous night. In the meanwhile 200 more Chamrajnagar Shikaries had turned up. It was decided, that the Halekere line up to Sundapur was to be posted without disturbing the posting of the Antarsante-Sunkadakatte line. The work was commenced at 3-30 P.M., and the men were sent in advance in charge of Rangers Messrs. Neelakanta Rao, Kemparaj Urs, Channigaraya and Forester Madappa. Messrs. Rama Iyengar, Muthiah and Mascarenhas followed little later to see to the patrolling and posting. They had not gone farther than ½ a mile, when it began to pour. Mr. Mascarenhas went back to see to the posting of the Sunkadakatte-Antarsante line and at great personal risk managed to cross the Hebballa and saw to the posting of the Mastigudi-Sunkadakatte road. He went on to Mastigudi patrolling that road to arrange for the next day's work. Messrs. Rama Iyengar and Muthiah went on inspecting the Halekere line posting and just managed to cross the 1st Hebballa, the 2nd halla was in full flood and could not therefore be crossed. By signal and signs they were able to find out that the rest of the line had been posted properly and fires lit up. They returned to camp at midnight. The length of the surround was 10 miles. The 4th November was a fair day and it was resolved to shorten the lines to a manageable extent. Messrs. Mascarenhas and Jabbar patrolled the demarcation line from Udbur to Hebballa and observed that the elephants had not crossed the demarcation line. Then that length of the demarcation line was posted as well as the main road from Udbur to Mastigudi and the men were removed from the Burudekatte line. This day's posting resulted in a complete surround of the herd and the length of the surround was nearly 14 miles.

On the 5th, the herd was driven across the Kalkoppa-Hotkere cart-track, which was immediately after posted up.

Owing to the heavy rains on the previous five days, the trench round Khedda No. 1 had collapsed in several places and it was not advisable to impound the herd into the Khedda in that state and therefore it was resolved to repair the trench and see to the posting of the wing lines.

On the 8th an attempt was made to drive the herd to the Khedda from Kalkoppa cart-track and just as the herd was spotted in the old Sigurhadi thakkals heavy rain commenced and no drive was possible. The daiys drive showed that the surround area was too large a one to attempt a drive straight into the Khedda. It was therefore decided to further shorten the surround by posting up the Burudekatte line after driving the elephants across it.

On the 9th the herd was located near Sigurkere and after a most exciting drive, the elephants were forced to cross the Burudekatte line within a few yards of the Mastigudi road. In one or two places the elephants attempted to break through the surround line, but rangers Messrs. Neelakanta Rao, Muthanna, Kemparaj Urs and Forester Madappa, who were in charge held their line with great presence of mind and prevented the elephants breaking through. The Burudekatte line was immediately posted and it was too late to attempt a further drive to the Khedda.

On the 10th, the elephants were located in the old thakk'ls near Kombinamalada thittu and efforts made to dislodge them from the impenetrable mass of weeds and bushes were futile. The tracks became hopelessly mixed up, part of the herd was lost sight of and while the driving party was still far away another portion of the herd consisting of sixteen elephants crossed the Mastigudi-Sunkadakatte road and approached the wing stockades of Khedda No. 1. Under the circumstances it was not possible to bar the retreat, the driving party not having come to the road. By the time they approached the herd had recrossed the road and it was soon located by the left wing of the driving party, but the herd broke the driving party line. As it was late in the day no further drive was possible. To render the next day's work easy, an attempt was made to post a new line from near Mastigudi to Kombinamalada thittu to prevent the elephants from entering and taking shelter in the Sigurhadi thakkals, but when the line had been posted for about 4 furlongs, report was received that the elephants were on the wrong side of the line and further posting was stopped.

On the 11th the driving was started early in the morning. The herd was located on the hill to the North of Thadikehalla and by a steady and determined effort the driving party forced the elephants across the Mastigudi Road towards the Khedda by 11 A.M. The Mastigudi-Sunkadakatte Road was immediately posted and arrangements were made to post also a couple of elephants on either side of the wing stockades. The forcing of the elephants started at 12-30 and after an exciting time they were driven into the stockades by 2-30 P.M.

As the ground was still wet and as another spell of rainy weather was apprehended, the Khedda enclosure was strengthened by an outer stockade constructed with the material obtained by the dismantling of the wing stockades. The weather continued to be wet for the next 3 days and the stockade stood us in good stead in keeping the herd within the enclosure.

A pump was installed on the bank of the Balle river and the water was pumped into a hollow, which had been strengthened and improved by stone revertment. For five days the elephants did not approach this pool and seemed to be content with the water collected in the hollows in the other parts of the enclosure. The undergrowth round about the pool was cleared making it visible to the elephant and fodder was also placed in its vicinity to induce the elephants to visit the pool.

The vegetation in the stockade sufficed as food for elephants for four days after they were impounded. Later on good varities of jungle grass to the extent of thirty cart loads per day were put into the enclosure and the elephants fed on it. After another week the jungle grass had become overnature and the elephants were fed on branch fodder.

The Second drive:—News of a herd being tracked at Bannurgadde very near the Malabar Frontier was brought on the evening of the 16th November by the Begur Range Officer Mr. Govinda Rao and immediately a small party of Mahouts and trackers was marched off to Naihalla under the control of Messrs. Muthiah and Mascarenhas.

On the following morning these two officers went straight to the Frontier arranged a line of stops at the most needed spots with a handfull of men at their command with a view to control the movement of the herd and to check its retreat into the Malabar Jungle. Mr. Jabbar had in the meantime mustered nearly 700 shikaries at Naihaila.

On the afternoon of the 19th, Trackes brought in news that the herd had crossed the Aremalleswara line, this being the line of vantage, but before anything could be attempted the herd had recrossed towards Puradakolli Valley, the favourite haunt of elephants in the Begur jungle. As it would not move out of its favourite haunt the officer on duty had to give up the idea of posting up the Aremalleswara line. It was decided to take up a separate line of posting though it involved a heavy strain on the men. It was now a fifteen mile surround and with all available men brought up from Mastigudi (the number was only 850) the posting was effected before dusk. The whole surround was kept wellguarded throughout the night.

Early in the morning of the 21st the Conservator of Forests proceeded to Havagalthodu and had a conference with Messrs. Muthiah, Mascarenhas and Jabbar and orders were given to drive the elephants across Aremalleswara line. This was done before 4 P.M. and the base line was posted up. The result so far achieved were thus quite satisfactory,

To effect a step further, the herd had to be brought within the permanent surround lines. The Naihalla lines had to be removed to get the herd across it. This work commenced early in the morning. Out of the area at their disposal the elephants had a strong hold in Solegundihalla the favourite resort of elephants in the Begur Jungles and it would certainly have been a difficult task to dislodge them when once they had taken their stand in that corner. Mr. L. P. Mascarenhas did at this juncture find a way out of the probable difficulty. He took up the work of cutting a new line from the Naihalla line straight to Mastigudi line which would throw this particular bit of county out of the surround and render further operations easier. He entered upon this work while Messrs. K. Muthia and C. Abdul Jabbar posted up the Kurchikadu line, part of the crescent line and joined it up to Naihalla line. This work took up till 1 P.M. and by this time the herd was slowly approaching the Naihalla line once the shikaries disturbed its onward march across the Naihalla line. The herd turned towards the Solegundihalla. The situation then became very serious. When the new line was being posted up the herd as expected made a dash towards the Solegundihalla. Messrs. Muthiah and Jabbar who had just arrived after posting the Kurchikadu line managed to keep them at bay and immediately after Mr. Mascarenhas joined them after completing the posting. It was nearly dusk when the herd made a rush to the river in the desired direction and all energy of the officers concerned had to be utilised in posting up the main base line at a late hour in the night. The task of the day was over as the herd was brought within the permanent surround line.

The herd was left unmolested till the 25th when it was decided to give it a broader area to graze. The river line was extended up to Mastigudi and the Mastigudi line and the crescent line were posted up. The Kurchikadu line was then removed. The herd was allowed to remain in this area till the 29th when the surround had to be shortened by blocking up again the Kurchikadu line. This shortened surround was maintained till the 2nd December. The drive across the river into the Khedda had to come off on the evening of the 4th and on the 3rd therefore the area was further cut short by the posting up of the Malhalli-Kalachi line. The herd had only about 150 acres of Forest at its disposal and to guard against a likely attack on the surround line, the outer lines also were maintained as a second Cordon. On the morning of the 4th the area was further cut down to about 50 acres to facilitate the drive in the evening. It was an arduous task indeed to keep the beasts encircled in so small an area for over 6 hours and it reflects no small credit to the patience and preseverance of the officers and the linesmen concerned. The Viceregal party with their Highnesses arrived at 5-15 P.M. and the signal for the drive was given. Messrs. K. Muthiah, L. P. Mascarenhas and H. S. Narayana Rao were behind the herd to force it down to the river and lead it accross to the Khedda gate while the opposite bank was guarded by Messrs. B. V. Ramiengar and C. Abdul Jabbar. The passage of elephants through the river over a distance of about half a mile was indeed a fine sight. Two small calves made the movement of the herd very slow and it looked as if the mothers would never move forward. The sound of guns and the shout of Shikaries had but little effect. The herd divided itself into two groups and rendered the task more intricate. The advance portion moved on quickly enough but the rear party fought every inch of the ground. It would have been really a tedious task had not the two young ones been cleverly enticed out of the group and taken away. The whole herd was impounded by 6-30 P.M. when the separated young ones were returned to their mothers. Their Excellencies were highly pleased with the grand spectacle and expressed that it was one of the finest drives they saw or could expect to see in the whole of India.

Roping.—The drive from No. 1 Khedda into the roping stockade was started at 8 A.M. on the 5th December in the presence of His Excellency the Viceroy, His Highness the Maharaja and other guests. The herd was driven into the funnel within half an hour after the start, but the leading cow stood across the gate and would not proceed an inch further in spite of the peppering she received and after a considerable amount of trouble the herd broke through the forcing line and got out into the Khedda. More than half a dozen attempts proved abortive and the herd got spilt into smaller groups. As it got late, further attempt was stopped to be commenced again after 3 P.M. well arranged forcing resulted in impounding fourteen elephants in the roping stockade ; five calves were next driven into the passage between the Khedda and roping stockade gates and roped there. One cow was roped in the Khedda itself and removed with its calf. The fourteen impounded animals were roped on the 6th in the presence of His Excellency.

The roping of the impounded herd in Khedda No. 2 was fixed for the 8th. Arrangements were all complete by 10 A.M. and on the arrival of the distinguished guests at 11 the drive was started. The herd was successfully taken up to the mouth of the funnel, but once there the beasts made a firm stand. The herd broke up into two parties as on the day of the drive across the river and in spite of a hand to hand fight refused to budge. After full 15 minutes of struggle it managed to break through the line of drivers and get

back into the Khedda. The drive had to be taken up afresh and after a careful manœuvring a batch of nineteen elephants was successfully, impounded into the roping stockade. Two of the leading ones were roped in front of the guests and as they were being lead out six more took advantage and got back into the Kheddas. There were thus nine elephants before the roping stockade and these were successfully roped and removed early the next day.

There were still sixteen elephants in the Khedda proper. These were driven into the roping-stockade on the 9th but only eleven entered. Two were roped in the funnel itself and three remained at large in the Khedda. Early in the morning on the 10th the three cows left over in the Khedda were roped in the Khedda itself while in the afternoon the rest of the captives in the roping stockade were successfully handled and taken away to the peelkhana.

Bison shikar.

Early on the morning of the 7th. His Excellency the Viceroy with His Highness the Maharaja of Mysore proceeded to KakankoteForest for a bison shoot and were accompanied by Mr. Muthiah, the officer in charge of Game Preserves. By 10 A M. a fine solitary bull bison was tracked and shot by His Excellency.

Tigar Shikar.

Mr. V. Ethirajulu Naidu who was placed in charge of the arrangements succeeded in locating three tigers in Yerrekatte jungles five miles from Heggaddevankote. Three miles of road for vehicular traffic were made from the Heggaddevankote-Hunsur main road to the tiger ground. Fourteen Machans were put up. The Hon'ble Miss Thesieger and other members of the Viceregal party arrived on the scene on the 7th December and took their seats on the Machans. A drive was then made by the Shikaries and as a result of the drive two tigers fell respectively to the guns of the Hon'ble Miss Tresieger and Lieutenant Colonel H. Austin Smith, Surgeon to His Excellency the Viceroy, and one escaped. The party was well pleased with the Shikar arrangements.

Small Game Shooting. Arrangements were made in the plantations at Udbur and Manchegowdanahalli for the shooting of small game by members of His Excellency's staff. A Panther was wounded at Manchegowdanahalli but escaped.

His Excellency the Viceroy was graciously pleased to present Souvenirs to the Conservator of Forests and Messrs. K. Muthiah and V. Ethirajulu Naidu in appreciation of their services and to distribute silver and bronze medals to some of the deserving Shikaries.

The number of elephants captured in both the Kheddas was fifty including a number of fine tuskers and young cows. One of them a very old cow was let loose on account of its infirmity and three died. Of the remaining elephants valued at Rs. 86,000 it is proposed to reserve ten for the department to make up the full complement of forty elephants sanctioned for the department and to place two at the disposal of the Palace. Three of the remaining thirty-five elephants will be substituted by three young ones at present in charge of the department and not of much use for timber dragging. The animals intended to be reserved are all very fine ones and their approximate value is estimated at Rs. 38,250.

Arrangements will be made for the disposal of the captives intended for sale after they have been tamed and given some training. Until these sales are over and all the bills in connection with the operations are finally settled which will necessarily take some time, it is not possible to say anything about the financial aspect of the operations.

Services of the staff. In addition to the Officer in charge of the Game Preserves and the District Forest Officer, Mysore West Division, Messrs. V. Ethirajulu Naidu, L. P. Mascarenhas, K. Revanna and C. Abdul Jabbar, Assistant Conservators of Forests, were placed on special duty for two months from 15th October to assist in the operations. Messrs. K. Muthiah and K. Revanna were put in charge of all works in connection with the Khedda No. 1, while Messrs. Mascarenhas and C. Abdul Jabbar were attached to Khedda No. 2. Mr. Ramiengar on whom much of the preliminary work devolved was in charge of the supply of labour, road works and the general camp arrangements. All these officers co-operated in the surround and drive of elephants into Kheddas Nos. 1 and 2.

On account of the continuous down pour of rain during the operations the officers and all the subordinate staff had to do their work under very trying circumstances. They were very often obliged to stick to their posts with wet clothes drenched to the skin. Notwithstanding these hardships and the difficult nature of the ground, all the officers and men co-operated heartily and the Conservators's acknowledgments are due to them for the great zeal and enthusiasm evinced by them in their work. The value of work to be negotiated was indeed very great and they are all to be complimented on the able and tactful manner in which they managed it within the allotted time. A list of Rangers and other subordinates as well as of prominent Shikaries who whole-heartedly co-operated in

No. G. 27365-19—P. P. 1-19-1130, DATED 12TH JUNE 1920

these difficult operations are appended hereto. The officers and men had for a good number of days to work both day and night and the Conservator of Forests begs to strongly urge that in consideration of their valuable services the Government may be pleased to order the payment of a bonus of at least one months pay to the Gazetted Officers and of two months pay to the subordinate staff as noted in the list. The two departmental Jamedars may be paid a cash present of Rs. 200 each and the Palace Jamedar Rs. 100. The Shikaries may be paid bonus as mentioned in the list. The Conservator's acknowledgments are also due to Messrs. P. F. Bowring, Deputy Commissioner, Mysore District, and J. M. Narasimha Naik, the Amildar of Heggaddevankote Taluk for their co-operation in arranging for the large number of Shikaries required for the various operations.

LIST OF SHIKARIES WHO WORKED AT THE KHEDDAS OF 1919-20.

Name of village	Name of Yajamans
1. Kodimole	1. Subbasetty
2. Doddamole	2. Subbasetty
3. Chickmole	3. Siddasetty

Demobilisation of the Imperial Service Troops.

No. G. 27577-8—Mily. 475-19-1, dated 16th June 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

Read—

Government Order Nos. G. 16016-17—Mily. 215-16-2, dated 25th May 1917, and G. 17614-15—Mily. 86-17-15, dated 26th June 1918, sanctioning the revision of the Mysore Imperial Service Lancers and Imperial Service Transport Corps respectively as a temporary measure until the conclusion of the War.

2. Government Order No. G. 19906-7—Mily. 338-18-10, dated 27th February 1920, sanctioning certain concessions to the men of the Imperial Service Troops to be discharged on demobilisation.

3. Letter No. 8593, dated 14th February 1920, from the Chief Commandant, Mysore State Troops, suggesting certain amendments to the concessions proposed by him and sanctioned in the above order of 27th February 1920.

4. Government Order No. G. 22154-5—Mily. 400-19-2, dated 26th March 1920, generally approving the procedure proposed by the Chief Commandant for the demoblisation of Imperial Service Troops and calling for a proposition statement showing the extra cost for increasing the peace strength of Imperial Service Lancers.

5. Correspondence ending with letter No. 11340, dated 20th April 1920, from the Chief Commandant, Mysore State Troops, forwarding a proposition statement showing the peace strength to be maintained for the Imperial Service Transport Corps.

Order No. G. 27577-8—Mily. 475-19-1, dated 16th June 1920.

The Mysore Imperial Service Lancers and the Imperial Service Transport Corps having returned from Field service on the conclusion of peace, the question of demobilising these units with a view to reduce their strength to the peace standard has been engaging the attention of the Government for some time and the Government consider that urgent action is called for in the matter. It is noted that the present strength of the Imperial Service Lancers is in excess of the sanctioned peace scale by 6 officers, 36 non-commissioned officers and 477 men and that of the Imperial Service Transport Corps by 3 officers, 24 non-commissioned officers and 195 men. The Chief Commandant proposes that the peace strength of the Imperial Service Lancers should be fixed in accordance with the recommendations arrived at the Delhi Conference, which involve an excess of 154 men over the peace strength. His proposals as regards the Imperial Service Transport Corps are as shown in the margin. Government have carefully considered the proposals and observe that the question of reorganising these units on the lines indicated in the recommendations of the Delhi Conference may lie over for the present, pending the decision of the Government of India on the said recommendations. The Government are accordingly pleased to direct as follows :—

15 officers, 86 non-commissioned officers and 326 men.

The strength of the Imperial Service Lancers will be fixed on the same scale as the pre-war strength and the present number will be reduced to 516 persons (24 officers, 75 non-commissioned officers and 417 men). The strength of the Imperial Service Transport Corps will be reduced to the scale prescribed in Government Order dated 11th January 1916. The question of further reducing the strength of this unit to seven bullock troops and one pony troop which had been deferred for consideration pending the conclusion of the war, will be separately dealt with and orders passed in due course.

As regards the disposal of the excess number of officers and men in these units, Government direct that the officers, (Commissioned as well as non-commissioned) in both the units should be absorbed in the existing vacancies in other units of the Mysore State Troops such as the Mysore Horse or Infantry Regiments. Where this is not practicable, the excess number may be treated as supernumeraries and absorbed as vacancies occur. As regards the disposal of 477 excess sowars in the Imperial Service Lancers, Government note that there are at present 57 vacancies in the Mysore

Horse and 261 vacancies (including those of absentees without leave) in the Infantry Regiments. These sowars may be given the option of taking up service in the above Regiments, and as an inducement may also be given an allowance of Rs. 2 each in case they agree to join the Infantry units, the allowance being treated as a special allowance which will be absorbed on promotion or increase of salaries otherwise. The excess number of men in the Imperial Service Transport Corps should be discharged.

3. The reduction in the number of men will result in a reduction in the number of horses of the Regiment also. The excess number of animals of the Imperial Service Lancers may be disposed of with the least possible delay either by sale or auction or by transfer to the Mysore Horse where the need for the additional number of horses is stated to exist. In the case of the Imperial Service Transport Corps orders have already issued directing the early disposal of the excess animals and action should be taken on the lines laid down in Government Order No. G. 24916-75—Mily. 456-19-2, dated 3rd May 1920.

4. As it is anticipated that a large number of the discharged soldiers may not be willing to take service in the other Regiments of the Mysore State Troops and as it is necessary that some facilities should be given to them to settle down to peaceful occupations, Government consider that it is desirable to establish colonies by settling these persons in suitable areas where land on a large scale may be conveniently reserved. The Mysore Soldiers' Board may take up this question and formulate a suitable scheme very early in consultation with the Malnad Improvement Committee, the Revenue Commissioner and the Amrut Mahal Superintendent.

5. In the Government Order No. G. 19906-7—Mily. 338-18-10, dated 27th February 1920, certain concessions were sanctioned to men retired or discharged on account of demobilisation. The Chief Commandant has submitted a list of further concessions that may be sanctioned on the lines adopted in the case of the men of the Indian Army. Government agree generally with the recommendations of the Chief Commandant and are pleased to revise their order of 27th February 1920 to the extent shown below :—

For items 3 to 5 of the annexure to that order the following clauses will be substituted :—

Men (including invalids declared fit) with service between 10 years and 15 years whose retention is not desirable in the interests of the State.	Pension equal to three-fourths of their first pension plus a sum of Re. 1 per mensem for field service of not less than six months
Men (including invalids declared fit) with service between 5 and 10 years whose retention is not desirable in the interests of the State.	A uniform gratuity of one and a half months' pay, *i.e.*, (pay plus field service allowance if any, plus good conduct pay for each year of service).
Men (including invalids declared fit) with service under 5 years whose retention is not desirable in the interests of the State.	Six months' pay as gratuity, such pay being field or depot pay including good conduct pay according as the discharged individual served in the field or in the Depot.

All non-commissioned officers of and above the rank of Lance Duffedar will also be permitted to draw the pension of their present rank irrespective of the condition of three years' service in the particular rank.

6. As regards Field Service followers, Government consider that beyond the immediate discharge of the excess number of men in both the units, no other action is necessary, as sufficient provision has been made for them in Government Order No. G. 9376-86—Mily. 164-19-2, dated 30th October 1919.

7. The cases of the Medical and Veterinary establishments of these regiments will be separately dealt with and orders passed.

8. The Chief Commandant, Mysore State Troops is requested to take action immediately to demobilise the forces on the lines laid down above and submit for the orders of the Government such other questions as might arise in giving effect to these instructions which require further consideration.

APPENDIX.

Rules to regulate the training and employment of vaccinators—

1. The class for the training of vaccinators will be held in the Vaccine Institute at Bangalore.

2. The course of training will extend over a period of three months instead of two as heretofore.

3. There will be three sessions in a year for holding the class, the first from 1st July to 30th September, the second from 1st October to 31st December and the third from 1st April to 30th June.

4. Each session will consist of students not exceeding six in number.

3. The examinations will be held in the month immediately succeeding each session.

6. The District Boards will send the names of the candidates selected by them for training to the Sanitary Commissioner a fortnight before the opening of each session. It is open to the District Boards to send at their discretion either men who are already entertained in the service or private candidates and to award scholarships whenever they choose to do so.

The Munsiff's Court at Davangere.

No. G. 27335-6—Cts. 222-18-10, dated 12th June 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

Read—

Correspondence ending with letter No. R. O. C, 1114 of 19-20, dated 3—5th September 1919, from the Registrar, Chief Court of Mysore, submitting through the Comptroller proposals for the establishment of a Munsiff's Court at Davangere involving a recurring additional expenditure of Rs. 3,487 per annum and a non recurring expenditure of Rs. 1,500 together with proposition statements.

2. Government Order No. G. 2154-2—Cts. 222-18-7, dated 19th March 1920, according administrative sanction to the opening of a Munsiff's Court at Davangere from 1st July 1920 and stating that separate orders will be passed in respect of the jurisdiction, etc., of the new Court.

Order No. G. 27335-6—Cts. 222-18-10, dated 12th June 1920.

The Government are pleased to direct that the new Munsiff's Court at Davangere shall exercise the usual jurisdiction (that is to say original jurisdiction up to Rs. 2,500 and small cause jurisdiction up to Rs. 50) over the Taluks of Davangere, Jagalur, Holalkere and Hosdurga and the Sub-Taluk of Harihar. The rest of the Chitaldrug District will continue to be attached to the Chitaldrug Munsiff's Court. Notifications to this effect will be separately issued.

2. The undermentioned establishment, clerical, menial and process is sanctioned for the Munsiff's Court at Davangere as proposed by the Chief Court:—

		Average cost. Rs.
	Clerical.	
1.	Head Munshi	40
1.	Deputy Munshi	35
1.	Court Nazir	30
3.	Munshis on Rs. 25 each	75
3.	Gumastas (clerks) on Rs. 20 each ..	60
	2. Menial—	
1.	Daffedar	8
1.	Peon	7
1.	Gollar	7
1.	Sweeper...	6
	3. Process—	
1.	Process Nazir	30
1.	First Grade Amin	18
4.	Second grade Amins on Rs. 15 each ..	60
4.	First grade Process Servers on Rs. 10 each	40
12.	Second grade Process servers on Rs. 8 each	96

3. The four additional hands sanctioned in respect of the Court establishment of the Chitaldrug Munsiff's Court in Government Orders Nos. G. O. J. 2533-34—Cts. 130-16-2, dated 17th January 1917, and Government Order No. 27091-2—Cts. 141-18-5, dated 2nd June 1919, and the six additional hands sanctioned in respect of the Process establishment in the said Government Order dated the 17th January 1917 and two second grade Amins and three second grade Process Servers will be transferred to the Munsiff's Court at Davangere.

4. The Munsiff's Court at Chitaldrug which is now a first class Court will be reduced to one of second class with a Head Munshi on Rs. 40, the present incumbent being allowed a personal allowance of Rs. 10 which will be absorbed when he is promoted to a higher grade.

5. An annual contingent grant of Rs. 200 for each of the Courts and Rs. 35 for each of the Process establishments is sanctioned. A permanent advance of Rs. 15 will be held by each of the Courts and the Process establishments with an additional permanent advance of Rs. 200 by the Process Nazir for meeting witness batta, etc. In addition to these a sum of Rs. 1,500 will be placed at the disposal of the Chief Court for meeting the cost of furniture required for the new Court.

No. G. 27335-6—Cts. 222-18-10, dated 12th June 1920.

6. Reprints of Indian Law Reports and Digests may also be purchased for the new court at a cost not exceeding Rs. 370. The Curator of the Government Central Book Depot will be directed to supply the Local Law Reports and the other Government publications.

7. A sum of Rs. 125 per mensem is also sanctioned for rent for the Court building in which the new Court will be located as Per Chief Court's recommendation in their letter No. R. O. C. 1114 of 1918-19, dated 17th—19th December 1919.

8. Provision on the above scale will be made in the ensuing year's budget.

C. S.BALASUNDARAM IYER,
Chief Secretary to Government.

To—The Registrar, Chief Court of Mysore.
The Comptroller. Mysore Government, through Financial Secretariat.

No. G 28042-101—Pol. 143-19-2, dated 24th June 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS

Letter No. 1619, dated the 23rd February 1920, received from the First Assistant to the Hon'ble the Resident in Mysore, regarding the procedure to be followed in the case of arms and ammunitions ordered for the personal use of a Ruling Prince, etc

Under the provisions of the Indian Arms *Rules, 1909, a license was necessary to cover the export from British India to any Indian State of arms and ammunition required for the personal use of a Ruling Prince or Chief or the subject of any State The license could be granted, among others by the Political Officer concerned and, in the case of a consignment from a Presidency Town, by the Commissioners of Police, Madras and Bombay, and the Deputy Commissioner of Police, Calcutta. The Police Authorities were, however, required to obtain the consent of the Political Officer of the State to which a consignment was destined before issuing a license.

Vide Rule 33 (1) and Schedule VI

Vide Rule 33 (1)

2. This procedure has now been modified by the Indian Arms *Rules, 1920, which, in respect of arms and ammunition ordered from the towns of Madras, Bombay and Calcutta dispense with the reference to the Political Officer when the supply is for the personal use of (1) a Ruling Prince or Chief, or (2) a member of his family, or a noble or an official of his State who may be designated in this behalf by the Political Officer concerned.

Vide Rule 34 (1).

3. The Local Governments concerned are being requested to instruct the Commissioners of Police, Madras and Bombay, and the Deputy Commissioner of Police, Calcutta, to issue licenses with as little delay as possible on receipt of applications from vendors on behalf of purchasers of the categories mentioned in the preceding paragraph.

Memo No G 28042-101—Pol 143-19-2, dated 24th June 1920.

Copy of the above is forwarded with compliments to the Heads of Departments and District Magistrates of Districts for information.

Exd.—G. W. B.

ANNEXURE.

No. Per. 38—19-20, dated Bangalore, the 12th-13th May 1920, from A. Subrahmanya Iyer, Esq., B. A., Inspector-General of Police in Mysore, to C. S. Balasundaram Iyer, Esq., B. A., Chief Secretary to the Government of His Highness the Maharaja of Mysore.

I have the honor to submit the following report on the working of the Mysore 'Arms Regulation' and the Rules framed thereunder, for the calendar year 1919.

1. The appended Statement No. I shows the total number and description of licenses issued under various forms. It will be seen therefrom that 18,154 licenses were issued during the year as against 18,426 in the previous year thus showing a net decrease of 272 as detailed below:—

District.		Increase.	Decrease.
Bangalore	..	39	..
Kolar	..	..	243
Tumkur	..	49	..
Mysore	..	..	75
Hassan	..	58	..
Shimoga	..	18	..
Kadur	..	..	241
Chitaldrug	..	123	..
Total	..	287	559

There has been a decrease in the districts of Kolar, Mysore and Kadur. In the Chitaldrug District there has been an increase of 114 licenses issued in Form No. IV. This, the District Magistrate attributes to the fact of the raiyats largely resorting to the use

of fire-arms for protecting their fields from the ravages of wild beasts and of their properties during the evacuation of villages.

In the Kolar District, the decrease is reported to be due to cancellation of licenses owing to the deaths of licensees and partly to some licenses which were pending orders at the close of the year before the several Magistrates in the district. The decrease in the districts of Mysore and Kadur have not been explained by the respective District Magistrates.

The appended Statement No. II shows the number of persons licensed to deal in sulphur and to manufacture fire works and medicines during the year was 87 or 5 less than that of last year. The quantity of sulphur on hand with the dealers at the beginning of the year was 7 tons, 17 cwts. 0 qrs. $11\frac{1}{16}$ lbs., 5 tons, 13 cwts. 3 qrs., and $1\frac{3}{4}$ lbs., less than the closing balance on the last day of December 1918. This deficiency which is rather large relates to the Mysore District and is not accounted for by the District Magistrate.

The appended Statement No. III shows the number of shops licensed in Forms II and III and the result of inspection by the Police Officers and Magistrates of stock premises. The total number of shops for which licenses were issued during the year was 115 as against 112 in the previous year. One hundred and eight of these were inspected either by the Police or Magistracy. The remaining 5 shops were left uninspected and one of the shops was closed and the licensee did not transact any business.

The Inspectors of Police inspected 73 shops, the Superintendents 26 and the Magistrates 37. The District Superintendents of Police of all districts have left several shops uninspected except Kolar Superintendent who has inspected 2 shops out of 3.

During the year under report 25 cases involving 25 persons were prosecuted for breaches of the provisions of the Regulation of Article 16 ended in conviction, 8 were awaiting trial and one case was pending police investigation at the close of the year.

The one case which was pending at the close of the previous year has also ended in conviction.

It is reported that neither guns nor ammunition were manufactured during the year.

Delay in the submission of this report was due to want of information and report from Mysore District.

No. I—Statement showing the number and description of licenses issued by the District Magistrates in the Mysore State for the year 1919.

* Printed as annexure.

Order No. G. 27770-8—Pol. 168-19-2, dated 19th June 1920.

Recorded.

C. S. BALASUNDARAM IYER,
Chief Secretary to Government.

To—The Inspector-General of Police in Mysore.
The District Magistrates of Districts.

ANNEXURE.

No. Per. 40—19-20, dated Bangalore, the 22nd—23rd May 1920, from A. Subramanya Iyer, Esq., B.A., Inspector-General of Police in Mysore, to C. S. Balasundaram Iyer, Esq., B.A., Chief Secretary to the Government of His Highness the Maharaja of Mysore.

I have the honor to report as follows on the working of the Coffee Stealing Prevention Act for the season ending 31st March 1920.

2. During the period under review no cases were reported under the Special Act in either of the districts of Hassan and Kadur, as against a single case in the latter district during the preceding season.

3. Twenty-six cases of coffee thefts including 9 cases pending from the previous season were dealt with under the Indian Penal Code as shown below:—

District	Cases											Persons				
	Pending	Reported	Total	Refused	Convicted	Acquitted	Struck off on B Form	Pending on A Form	Pending on B Form	Pending with the Police	Pending	Prosecuted	Total	Convicted	Acquitted	Pending
Kadur	9	15	24	1	3	..	..	11	..	4	10	30	40	1	1	38
Hassan	..	2	2	..	1	..	..	..	..	1	..	3	3	1	..	2
Total for 1920 ...	9	17	26	1	4	...	..	11	5	5	10	33	43	5	1	37
Total for 1919 ...	7	9	16	...	4	...	3	5	1	...	3	14	17	7	..	10

Cases.—Of the 26 cases, investigation was refused in one, 4 ended in conviction, 16 were pending before Magistrates (11 on A Forms and 5 on B Forms) and the remaining 5 were pending investigation with the Police.

Persons.—Forty-three persons were involved in these cases of whom 5 were convicted, 1 was acquitted and 37 were awaiting trial.

Eleven special Ookads had been opened in the coffee growing centres in the Kadur District, and none in the Hassan District to watch and to prevent coffee thefts.

The loan of the services of 6 constables (2 in the Kadur District and 4 in the Hassan District) had been given to planters during the season.

Exemption from payment of rent.

No. G. 28548-58—Pol. 160-17-8, dated 30th June 1920.

Read—

Government Proceedings (P. W.) No. 291-324-2149-82, dated 26th March 1908, promulgating modified rules for the levying of rents on Government buildings used as residences.

2. Correspondence ending with letter No. D. 2 Dis. 632, dated the 9th May 1919, from the Deputy Commissioner, Mysore District, regarding the recovery from Daffedar Ramaswamiengar of the Bannur Station, T.-Narsipur, Rs. 56 being the rent for the quarters occupied by the Daffedar.

Order No. G. 28548-58—Pol.—160-17-8, dated 30th June 1920.

As it is absolutely necessary in the interests of the Police Service that the Daffedars should live in station premises where lines have been constructed for them, Government direct that the claim of the P. W. for Rs. 56 be waived.

2. Government are further pleased to direct that all Police officials of the rank of Daffedars be exempted from payment of rent for Government Quarters occupied by them.

C. S. BALASUNDARAM IYER,
Chief Secretary to Government.

Report of the Inspector of Explosives.

No. G. 28226-35—GEOL. 84-19-3, DATED 26TH JUNE 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

READ—

Report of the Inspector of Explosives for the year 1919, received with letter No. 1198, dated 23rd—26th April 1920, from the Chief Inspector of Mines in Mysore.

Order No. G. 28226-35—Geol. 84-19-3, dated 26th June 1920.

Recorded. There was a delay of nearly a month in the submission of the report which was received on the 27th instead of on the 1st April 1920. Such delays should be avoided in future.

2. Under the scheme of re-organization sanctioned in Government Order No. 7041-7100—Geol. 69-18-11, dated 18th September 1919, the Inspectorate of Explosives which had formed part of the Geological Section of the Department of Mines and Geology was transferred to the Department of Mines and Explosives and the Inspector of Explosives was divested of the duties of the Deputy Inspector of Mines so that he might be able to devote greater attention to the statutory inspection of explosives and see that the local inspections of licensed premises are satisfactorily carried out by the Magistracy and the Police. The appointment of an Assistant Inspector of Explosives was also sanctioned for assisting the Inspector in his work.

3. The total number of licenses granted under the Explosives Rules during the year was 249 as against 246 in the previous year.

4. The Inspector of Explosives brings to notice once again that unnecessary delay sometimes extending to several years takes place in the grant of renewal of explosives licenses by District Magistrates as the applications are referred to the Police for enquiry and report. This is not satisfactory. The attention of the District Magistrates is once again invited to the observations made by the Government in their reviews in previous years and they are requested to see that applications for explosives licenses are disposed of with all possible promptitude and despatch.

5. The percentage of explosives premises inspected during the year by the Magisterial and Police Officers empowered in that behalf was 48·76 as against 46·66 in the previous year. Most of the premises licensed to manufacture and deal in imported articles of fireworks composition in town limits and many that were licensed to manufacture, possess and sell fireworks in villages have not been inspected.

6. There appears to be a practice in the districts to endorse renewals of licenses year after year on the same old form and to issue fresh licenses on obsolete forms regardless of altered conditions in the new license forms. District Magistrates are requested to see that licenses are issued in future on new forms every year.

7. In spite of instructions issued in the previous year's review, periodical inspections of Magazines and Stores are not being carried out regularly by officers of the Public Works Department ; nor are notes of inspection forwarded by them to the Inspector of Explosives for suggestions to remedy defects, if any. It is hoped that greater attention will be paid in this respect in future.

8. The number of persons killed and injured during the year as a result of the handling of explosives was 9 and 19 as against 13 and 15, respectively, in 1918, the largest number being as usual in the Kolar Gold Fields. The Inspector of Explosives as well as District authorities should devote more attention to inspection work in future.

C. S. BALASUNDARAM IYER,
Chief Secretary to Government.

To—The Chief Inspector of Mines in Mysore.
The Inspector-General of Police in Mysore.
The District Magistrates of Districts.

Government Press.

No. 2524-5—E. A. G. 435, DATED 19TH JUNE 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE

GENERAL AND REVENUE DEPARTMENTS.

READ—

Letter No. 11037, dated the 3rd June 1920, from the Superintendent, Government Printing, representing that it is very inconvenient for the men employed in the Press to attend office at 10 A.M. as per orders of Government conveyed in the Chief Secretary's letter No. 1964—E. A. G. 435, dated the 2nd June 1920, and recommending that the working hours of the Press may be fixed from 11 A. M. to 6-30 P.M. and that the officials may be paid a quarter day's pay as overtime allowance for the extra work of an hour and half a day, the rule relating to overtime allowances in the Press Manual being suitably amended.

2. Letter No 3170, dated the 17th June 1920, from the Superintendent, Government Printing, on the same subject.

Order No. 2524-5—E. A. G. 435, dated 19th June 1920.

The recommendations of the Superintendent, Government Printing, are sanctioned with the following modification :—

The Press will work daily from 11 A.M. to 6-30 P.M. and half an hour's interval will be allowed for lunch. Overtime allowance will be allowed therefore for only one hour, and not for an hour and a half as proposed by the Superintendent.

2. Rules 12 and 13 of Part I of the Manual of the Mysore Government Press will be amended accordingly as follows :—

"12. Overtime of employees on the salaried establishment, *i.e.*, those who draw monthly salaries will be paid for at the rate of their salaries. The usual working day reckons from 11 A.M. to 5-30 P.M. Overtime allowance will be paid for work beyond these hours at the rate of one day's pay for every six hours overtime, subject however to the following limitations :—

(i) The minimum period of extra work on any one day which will qualify for overtime will be one hour and the excess over it will be calculated only when it runs to full hours.

(ii) The maximum overtime allowance for an extra period of three hours' work is Rs. 2 and the minimum one anna.

13. The entire subordinate staff of Press on permanent salaries, excluding only the Superintendent, the Assistant and Sub-Assistant Superintendents and the Chief Foreman, shall be eligible for overtime allowance."

C. S. BALASUNDARAM IYER,
Chief Secretary to Government.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

Read—

Government Order No. 1065-75—Stl. 30-19-2, dated the 26th May 1920, prescribing the submission of an annual return furnishing statistics of coffee production in Mysore and stating that statistics for estates and plantations of an extent of less than 20 acres need not be furnished.

2. Correspondence ending with letter No. 5248, dated the 19th June 1920, from the First Assistant to the Resident in Mysore, on the same subject.

Order No. 1174-83—Stl. 30-19-4, dated 22nd—23rd June 1920.

In modification of the direction contained in paragraph 3 of the order read above, Government direct that no return need be called for from any Coffee Estate or plantation of a smaller area than ten acres. Statistics should be collected for all estates having an area of ten acres and more.

Final Forecast of Sugar-cane Crop.

No. 1186-1200—Stl. 1-19-11, dated 24th June 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

Read—

Memo No. C. Per. 75, dated 8th June 1920, from the Revenue Commissioner in Mysore, forwarding a statement showing the Final Forecast of the Sugar-cane Crop in the Mysore State for the year 1919-20.

(Printed as an accompaniment.)

Order No. 1186-1200- Stl. 1-19-11, dated 24th June 1920.

Recorded.

2. There was a delay of more than one month in the submission of the forecast, which is not satisfactory.

3. During the year under review, 35,614 acres of land were under sugar-cane cultivation as against 40,475 acres in the preceding year. Towards the decrease of 4,861 acres for the whole State, the districts of Hassan and Kolar together contributed nearly 3,000 acres, due evidently to the cultivation of food grains instead. A steady expansion is noticeable in the area under sugar-cane in the Chitaldrug District. The estimated out-turn is 30,63,595 maunds against 32,23,401 maunds in the previous year, disclosing a shortage of about 5 per cent only in the output for a shrinkage of 13·4 per cent. in the area.

C. S. BALASUNDARAM IYER,
Chief Secretary to Government.

G. O. No. 8509-17—Agri. 4-04-5, dated 11th March 1905, passing Orders in regard to the form for reporting cattle mortality in the State.

2. G. O. No. G. 11526-35—G. M. 120-18-2, dated 14th December 1918, directing that the returns of cattle mortality be submitted to the Revenue Commissioner and that the Revenue Commissioner should send a consolidated return (quarterly as well as annual) with his review thereon to the Director of Statistics.

3. G. O. No. 756-816—Stl. 20-19-2, dated 21st January 1920, stating that, during the employment of Mr. V. R. Thyagaraja Iyer as Census Superintendent, the work of the Statistical Branch will be dealt with by the Efficiency Audit Officer under the orders of the Chief Secretary.

Order No. 1153-62—Stl 7-19-13, dated 15th June 1920.

At present, the Revenue Commissioner reviews the quarterly and annual statements of cattle mortality in the State, and communicates the same to the Deputy Commissioners of Districts and the Superintendent, Civil Veterinary Department, besides submitting copies of the statement and of the review to Government in the Statistical Branch. The Revenue Commissioner is requested to furnish copies of the same to the Live-stock Expert of the Agricultural Department in future.

2. The copies received in the Statistical Branch of the Secretariat will in future be scrutinised and recorded for reference ordinarily. A Government Order will issue on them only when they disclose any matters requiring further action.

3. The printing of the quarterly statements will be discontinued in future.

C. S. BALASUNDARAM IYER,
Chief Secretary to Government.

Lands in the possession of the Golf Club, Bangalore.

No. R. 14064-6—L. R. 389-18-9$_2$ DATED 23RD JUNE 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

READ—

Correspondence ending with letter Dated the 10th January 1920, from the Honorary Secretary to the Bangalore Golf Club, in the matter of the lands used by the Bangalore Golf Club.

Order No. R. 14064-6- L R 389-18-9, dated 23rd June 1920.

Certain lands situated outside the limits of the Civil and Military Station of Bangalore, which were being used by the British Troops as a Rifle Range, having been resigned by them on the 11th September 1882, Government directed in their Order No. 4607-236, dated the 3rd October 1882, that the relinquished land should be reserved for the public purposes and not given out for cultivation or building purposes without their previous sanction In September 1883 the Deputy Commissioner, Bangalore District, suggested that as the amount realised by the sale of the grazing on the lands in accordance with the orders of Government was very small, the sale need not be confirmed and that the lands be reserved for the Golf Club and other public purposes. The Deputy Commissioner's proposal was approved by Government and the reservation ordered to be noted in the village khetwar. In 1893, the Standing Committee of the Golf Club furnished a plan showing that the marginally noted lands were in its possession and applied for the grant to the Club of a portion of Survey No. 27 of the same village on the ground that without it they would be forced to give up two or more holes and the value of the Golf links would be greatly hampered. The President of the City Improvement Committee, who was consulted in the matter reported that Survey No. 27 measuring 4 acres and 39 guntas and assessed at Rs. 3-8-0 which was under occupancy had been acquired by the City Improvement Committee in 1890, on payment of a compensation of Rs 663 that the portion wanted by the Golf Club (3 acres 5 guntas) had been marked as site No. 14 in the Northern Extension and allotted to Mr. Dalavai Devaraj Urs for Rs. 805 and that he surrendered the whole of the site except 1 acre which was required to afford access to the Crescent road from sites Nos. 12 and 13 which he had taken up. The President was of the opinion that instead of giving over the valuable and high lying land to the Club a Visitor's Quarters with good frontage both on the northern and western faces might be constructed therein without causing inconvenience in any way to the players.

in the Mallonhalli village

2 In September 1894, the then Dewan recorded the following decision in consultation with Brigadier Surgeon, Col T. J. Mcgann on behalf of the Golf Club:—

1. That the grounds in question should not be assigned for private occupation or building;

2. That all buildings should be kept inside the crescent on this side.

3. That the land in question situated outside the crescent should be retained by Government for its own uses and purposes and not be at the disposal of the committee or the municipality.

3. As the survey number, extent etc., of the lands reserved as Golf ground were not available, it was ascertained from the Deputy Commissioner, Bangalore District, that Survey No. 23 (kharab) measuring 41 acres and 10 guntas and Survey No. 26 measuring 2 acres and 34 guntas and assessed at Rs. 2-4-0 which formed the Rifle Butts ground had been reserved as Golf ground and shown in the village khetwar

No. R. 14064-6—L. R. 398-18-9, DATED 23RD JUNE 1920.

accordingly. The Deputy Commissioner's report was however at variance with the plan furnished by the Club authorities as to the lands actually assigned for the Golf ground. He was therefore asked to explain why besides Survey Nos. 23 and 26 of Mallenahalli village, the other Survey Nos., *viz.*, 86, 88 and 89 shown in the plan furnished by the Club authorities were not also shown in the village khetwar. The Deputy Commissioner is unable to explain the omission. It is further seen from his report that besides the whole of Survey Nos. 23, 26, 86, 88 and 89, the Golf Club is in possession of 2 acres and 27 guntas out of Survey No. 27 and Survey No. 29. It is not clear how the Club came in possession of this plot of land when compensation was paid in 1890 for the whole of Survey No. 27 as stated in paragraph 1 above.

4. With a view to place on records a definite order setting forth the terms on which the lands should be held by the Golf Ground, the Honorary Secretary of the Club was requested to furnish the opinion of the committee regarding the possession by them of part of Survey No. 27 and of Survey No. 29. The Honorary Secretary in his letter dated the 10th January 1920 referred to above, requests that the portion of Survey No. 27 now in use by the Club may be left in their possession on the ground that without it they will have to reduce the number of holes comprising the course and states that no part of Survey No. 29, a private land, is used or required by the Golf Club.

5. There being no objection to comply with the request of the Golf Club, the Government are pleased to allow the Club to continue to make use of 2 acres and 27 guntas out of Survey No. 27. They direct that the marginally noted lands be regarded as having been reserved for the Golf Ground under Section 39 of the Mysore Land Revenue Code. The Club will hereafter be allowed the use of the ground, subject to the following conditions, which are agreed to by the Golf Club Committee (*vide* para 6 of the Honorary Secretary's letter dated 10th January 1920): —

27 (only 2 acres and 27 guntas out of it) in Mallenahalli village.		

(i) The lands will continue to be shown in the Government accounts as Government lands at present and no assessment will be levied from the Golf Ground Committee.

(ii) The lands will continue to be in the sole possession of the Golf Club Committee, so long as they are used as a Golf Ground and they should on no account be alienated.

(iii) When the purpose for which the Club is allowed the possession of the lands ceases, the lands will revert to Government.

(iv) No portion of the lands should be used for building purposes except to such extent as may be necessary for golf purposes. The Golf Pavilion already constructed with the previous sanction of Government conveyed in Government Order No. 9069—L. F. 326-92, dated the 23rd December 1892, will be allowed to remain undisturbed. Save in cases of temporary sheds, the previous sanction of Government should be obtained for the construction of any new buildings.

(v) If at any future time any portion of the lands is not required by the Golf Club, it should be handed over to Government without any claim for compensation:—

(vi) A map as well as a statement showing the details of the lands in the possession of the Golf Club duly approved by Government should be maintained by the Club.

6. The lands left under the control of the Golf Club Committee should be measured and mapped and should be correctly described in the documents relating to them by survey numbers, areas and assessment.

7. The Revenue Commissioner is requested to take the necessary action to give effect to this order.

READ—

Government Proceedings No. 4634—Rev. 30, dated the 17th September 1878, directing that it should be made known to Government servants from whom arrears of revenue are due, that unless such arrears are fully paid up within three weeks of the date of intimation to them of the order, they will be liable to suspension from office, any unpaid salary at the time being retained.

2. Letter No. C 3783—19-20, dated the 6th—7th April 1920, from the Revenue Commissioner in Mysore, stating that it is desirable that Government Officers should have the powers contemplated in the Government Proceedings read above, and suggesting that the order be published in the Revenue Manual, the same being treated as a Standing Order.

Order No. R 13961-14020--L. R. 360-19-2, dated 22nd June 1920.

The Government cannot, by an executive order confer upon Heads of Offices, powers for the realisation of land revenue which are not contemplated in the Land Revenue Code. On the merits also the proposal of the Revenue Commissioner does not seem acceptable The suggestion to treat the Government Proceedings read above as a Standing Order cannot, in the circumstances, be sanctioned.

READ—

Government Order No. 1608-12—9875-9, dated 5th December 1912, approving of the introduction of the block system of irrigation under the Marikanave Reservoir for six years in the first instance.

2. Government Order No. 1565-9—8100-4, dated 25th August 1914, granting certain concessions to the raiyats below the Marikanave Reservoir with a view to minimise the difficulties experienced by them in working the block system.

3. Government Order No. R. 5724-34—L. R. 194-13-10, dated 31st December 1914, passing orders regarding the expansion of cultivation under the block system of irrigation under the Marikanave Reservoir.

4. Government Order No. R. 12141-3—L. R. 42-18-13, dated 22nd March 1919, reviewing the progress regarding the expansion of cultivation under the Vanivilasa Sagara Channels during the Calendar year 1918.

5. Petition from Mr. G. S. Ganapathi Iyer, Landholder, Hiriyur, making certain suggestions regarding the grant of some concessions to holders of lands under the Vanivilasa Sagara with a view to facilitate the expansion of cultivation in the channel area.

6. Correspondence ending with letter No. C. 3418—Gl., dated 24th September 1919, from the Revenue Commissioner in Mysore, forwarding a memorandum (printed as annexure I) containing his proposals for the grant of certain concessions to the holders of lands and for the expansion of cultivation under the Vanivilasa Sagara Channels, Hiriyur Taluk.

7. Unofficial note dated 3rd March 1920, of the Director of Agriculture (Dr. Coleman), on the same subject (printed as Annexure II).

8. Letter No. M. 9851, dated 12th March 1920, from the Chief Engineer and President of the Central Irrigation Board, forwarding a copy of the proceedings of a meeting of the Board held on 20th December 1919, in regard to the note by the Revenue Commissioner.

Order No. R. 13853-7—L. R. 42-18-22, dated 18th June 1920.

It is observed from the memorandum submitted by the Revenue Commissioner that the area brought under the block system so far is 11,364 acres, of which 8,758 acres are under permanent occupation and 455 acres have been given out for temporary cultivation under the Eksal Rules. The remaining area of 2,151 acres is Government waste, of which about a thousand acres are said to be unfit for irrigation. It is stated that owing to great wastage of water due to the climatic conditions, the configuration of the country and the wide expanse of the reservoir and channels, the scope for expansion is at present limited by the capacity of the lake to about 3,000 acres and that another 3,000 to 5,000 acres can be added to this area after the lapse of eight or ten years when, owing to preparation and occupation of lands during this period, the soil will absorb moisture better. The area that can be guaranteed with water at present and for the next few years, is only about 12,000 to 13,000 acres.

Though the lands under the Vanivilasa Sagara are generally considered to be valuable, want of manure, paucity of labour and absence of easy communication in this hilly rigged area with a scanty rainfall and a sparse population, are stated to be the chief causes which impede progress and discourage private enterprise.

2. On a careful consideration of the opinions of the several officers consulted and of the Central Irrigation Board and with a view to afford greater facilities for the expansion of cultivation under the Vanivilasa Sagara, the Government are pleased to order as follows:—

(i) Irrigation from the canal water will be confined to the block lands and the lands referred to below.

No. R. 13853-7—L. R. 42-18-22, DATED 18TH JUNE 1920.

(ii) Only one-third of the plot in each holding in a block will be allowed to be put under perennial and wet crop.

(iii) One-third of the area of each holding will be allowed to be cultivated with a cereal or food crop, every year.

(iv) The perennial crops will be given water all the year round when such water can be made available. The rest of the area will be supplied with water during the monsoon season only. The supply will be intermittent during the monsoon season and continues during the summer. The exact time-table will be made out from time to time for each season in advance and given wide publicity.

(v) When one-third of a holding is cultivated with a perennial crop, like sugar-cane or standing garden, the occupant thereof may, on application, be permitted to cultivate an additional third with paddy or cocoanut on payment of an additional water rate of rupee one per acre.

(vi) Special blocks may be formed for the cultivation of cocoanut outside the present blocks but under command of the canal. Such lands will be assessed on the following progressive scale:—

1st year free
2nd year $\frac{1}{4}$ water rate for block lands
3rd year $\frac{1}{2}$
4th year $\frac{3}{4}$
5th year and thereafter full water rate.

(vii) Lands under command of the canal but outside the blocks and not fit for high-rated crops for which there have been no darkhasts for five years may be granted at an upset price for planting of honge trees. Such lands will be charged a water rate of Rs. 2 per acre for five years (after which period honge plants do not require canal water). Full water rate will however be levied, if such lands are cultivated with other crops requiring water.

(viii) Raiyats may be given permission to grow and own honge trees within the 10 feet margin beyond the toe of the bund on the lower side of the canal on conditions similar to those regarding the planting and maintenance of roadside avenue trees.

(ix) The details of villagewar waste lands available for cultivation will be periodically published locally and outside the district.

(x) Free grant of water will be allowed thrice in summer to areas solely planted with honge, the supply being restricted to one-sixth of the wet area in each holding.

(xi) The concession allowed by Government Order No. R. 12087-91—L. R. 42-18-2, dated 22nd March 1919, for the rapid cultivation of food crops may be granted to all applicants including the Panchama and criminal classes, the restriction as regards growing the whole area with food crop being removed.

(xii) To prevent contamination of water, cultivation of wet crops above the channels will not be allowed.

(xiii) The period of six years fixed for the working of the block system rules in Government Order No. 1608-12—9875-9, dated 5th December 1912, will be extended for a further period of six years.

Separate orders will issue on the Revenue Commissioner's proposals regarding the grant of concessions to settlers and the appointment of a Special Officer for establishing colonies in the channel area.

3. The Director of Agriculture (Dr. Coleman) states that the free supply of green manure seeds from the Babbur Farm would seriously interfere with the purposes for which the Farm has been established and would lead to no practical results and that the proposal to sow honge seeds broad cast in the river bed and on Government waste lands is also impracticable. Government agree with Dr. Coleman and regret that they cannot accept the Revenue Commissioner's proposal in these respects.

4. With regard to the Revenue Commissioner's proposals regarding the Babbur Farm, the Director of Agriculture states that any marked reduction in the area or curtailment of work at the Farm besides what is already necesssitated by the paucity of labour would seriously affect its usefulness and that the Farm is now in a position to supply a very large quantity of sugar-cane seeds of the best variety so far grown in

the State and will soon be able to supply a very large quantity of improved cotton seeds also. In these circumstances Government consider that it is inexpedient to curtail the activities of the Babbur Farm.

Government trust that with the liberal concessions now sanctioned and with active and energetic efforts on the part of the local officers to popularise the measures and the co-operation of the leading raiyats of the villages in the channel area, their expectations in the matter of expansion of cultivation under the Vanivilasa Sagara will be fully realised. The Revenue Commissioner is requested to give wide publicity both locally and outside, to the concessions sanctioned in this order.

PRESS TABLE.

ANNEXURE I.

MEMORANDUM ON THE EXPANSION OF CULTIVATION UNDER THE VANIVILLASA SAGARA.

Government Orders.

1. The following are the orders of Government bearing on the subject. It will be convenient to deal with all the questions raised in these orders together.

(1) Government Order No. R. 5724-34—L. R. 1914-13-10, dated 31st December 1914.

(2) Revenue Secretary's letter No. 10059—L. R. 42-18-9, dated 11th February 1919.

(3) Government Order No. R. 12141-3—L. R. 42-18-13, dated 22nd March 1919.

(4) Revenue Secretary's letter No. 13922—L. R. 42-18-17, dated 2nd May 1919.

(5) Government Order No. 1501-21—A. E. 81-18-10, dated 8th August 1919.

Basis of Memorandum.

2. This memorandum is based on a discussion of all the questions, which was held with the leading raiyats holding land under the Sagara, and consultation with the Assistant Engineer in charge of the works, the Executive Engineer, and the Deputy Commissioner.

Limited Scope for Expansion.

3. The outstanding feature of the Vanivilasa Sagara which is well known, but requires restatement is that the work is a purely protective one and was not intended to be a paying one. Even, if all the available area of 25,000 acres is brought under cultivation, the return would be only about 2 or 2½ per cent. The only circumstances under which the work would pay are that after two or three decades, the wet rates might be considerably increased and power utilised for agricultural and other industries started in the area. These questions are not within the range of practical politics at present and will not be ripe for consideration for years to come; and are therefore omitted from discussion. The return at present is about '05 per cent and the results of expansion might bring it to about or a little over 1 per cent. The average capacity of the Reservoir is 25,000 units. There is great wastage on account of the climate, the configuration of the country and the wide expanse of the reservoir and channels. During the last year, there was an area of 4,221 acres cultivated under Kartika and 3,247 acres under Vaishakha crops. As actual figures of the area that was irrigated *twice* that is, for both crops, are not available, the total area that was irrigated might be stated to be between 6,500 and 7,000 acres. For the cultivation of this area, the enormous quantity of 13,492 units were spent and 14,464 units were lost by evaporation. The Kartika crops take about 2 units per acre, and in a dry year when water is most required, evaporation is largest. Eighty cusecs at the head of the channels become 40 after travelling 20 miles and are only 12 cusecs at the 30th mile. The Engineers are of opinion that at the present moment and for the next few years, only some 12,000 to 13,000 acres can be guaranteed with water and represent also the area that is fit for irrigation. The people put the figure down at 15,000 acres and say that the actual area that is fit for irrigation is also about the same. After the soil is prepared

during a series of years and absorbs water better, a larger area could naturally be cultivated with the same quantity of water, and the Executive Engineer thinks that this would be about 3,000 to 5,000 acres. As 8,635 acres were under occupation on the 30th June and 578 acres have since been taken up (*vide* next para), the scope for expansion is thus limited both by the capacity of the tank and the nature of the country to about 3,000 acres immediately and another 3,000 to 5,000 acres after a lapse of eight or ten years.

Details of occupation, etc

4 The area that is now under occupation, as stated above, is 8,635 acres The area that has been brought under the block system is 11,364 acres, of which the balance of 2,729 acres is Government waste Out of this area, about a thousand acres is considered by the Assistant Engineer to be not fit for irrigation This leaves a balance of 1,729 acres Out of this again 172 acres 32 guntas were sold on the 30th June 1919 permanently and 455 acres 8 guntas were given for temporary cultivation under the Eksal Rules and are expected to be taken up permanently

(*Vide* G. O No R 12141 3—I R 42 18 13, dated 22nd March 1919

5 In the arrears statement of the Deputy Amildar, separate figures are not given on account of assessment and water rate There are no arrears under sale price The arrears as on 16th September 1919 amounted to Rs 3 369-6 4, including both assessment and water rate, out of which a sum of Rs 1,318 9-2 has to be remitted under standing orders and Rs 317 7 11 is old arrears to be remitted, leaving a net recoverable balance of Rs. 1,733-5-3. Steps are being taken for realising these arrears.

6 The following figures will also indicated the nature of occupancy in the area. During the last three years the figures for absolute relinquishments, lands that fetched no bids during sales for arrears and varga-razinamas were as follows —

Year	Extent of land brought under Government waste, by 'rajinama'		Extent that has changed hands in the sales held for arrears of revenue		Extent of land brought under Government waste for want of bidders in sales held for arrears of revenue	
	A	g	A.	g.	A	g.
1916 17	20	27	191	21	832	12
1917-18	158	32	460	26	249	32
1918-19	54	5	57	10	71	34

7 These figures clearly show that lands under the Vanivilas Sagara are considered to be valuable

Facilities for expansion of cultivation

8. In considering the facilities for expansion, it is sufficient to consider about the areas that are mentioned above namely 3 000 acres immediately and another 3,000 to 5,000 acres after eight or ten years The actual waste area that is at present included within the block system is not material as the Engineering Department are prepared to give water for other suitable lands also The irrigation maps prepared by the Engineering Department give a correct idea of the area that is actually irrigable, but the Revenue Department have not hitherto collected statistics to show how much of this area that is outside the blocks is actually under occupation as dry and how much is Government waste This information should be collected forthwith and widely published, as contemplated in the Government Order No R 5724-34—L R 194-13-10, dated 31st December 1914 The question was considered whether expert advice should be obtained to show which portion of the waste both within and outside the blocks that are irrigable are actually fit for wet or garden cultivation, but, as the people themselves have now learned sufficiently by actual cultivation of the capacities of the different kind of soils and as the area is not considerable, I do not think that this step is urgently called for.

9. The other facilities that have been urged by the Agricultural Association and by Mr. Ganapathy Iyer, and that have emerged from a close discussion with the raiyats and the local Revenue and Engineering Officers that is, with all who have practical experience will now be considered.

Changes in the block system

10. The Revenue and Engineering Officers and the cultivating raiyats are all agreed that in the light of the experience gained during the last four years, the block rules might be made more elastic with advantage both to Government and to the cultivator. An examination of the statement

of irrigation maintained by the Assistant Engineer shows that the rules have not been strictly enforced in the great majority of cases, for the reason that lands do not conform to the mathematical exactitude of the block formulae; and when rules require so many exceptions, they require simplification. The Executive Engineer and the Assistant Engineer are both agreeable to the rules bring relaxed so long as water is not used more largely than now, and is not wasted; and all are in general agreement that a rule to the effect that not more than one-third the area in any holding should be cultivated with paddy or any other crop requiring continuous irrigation, would serve the above purpose. In order to encourage the grouth of food crops, it is necessary to have another rule that not less than one-third the area in any holding must be cultivated with food crops, whether as a wet or thadi crop. For the purpose of improving the sanitation of the villages, the present rule that no wet cultivation should be allowed within two furlongs of Hiriyur town and one furlong of other villages should continue. The raiyats are agreeable to this restriction continuing and do not press the demand made by the Agricultural Association in this behalf. As arecanut and betel are prolific sources of insanitation, it should also be a rule that no garden crop other than cocoanut should be cultivated within a radius of half a mile from the village. Cocoanut is quite a clean garden crop and does not make an area insanitary. It was urged by the land-holders that the same concession should apply to plantain also as plantain is being cultivated in that area on the Salem plan and not on the Malnad plan, that is to say, the crops are removed altogether after two or three years and the ground utilised for some other crop. Some plantain gardens that I saw were not water-logged. It was also urged that this crop is now an exceedingly paying one. Sufficient experience has been not been gained to give a decided opinion and I beg, therefore, to propose that this crop cultivated on the Salem plan, might also be allowed within the half-mile radius for a period of three years, and, if found to be 'clean', might afterwards be allowed permanently. These rules are sufficient to ensure both the interests of the cultivator and of Government. In the result, a cultivator could not grow any wet crop within the prohibited area, could grow plantain beyond this area for three yaers, and cocoanut permanently and arecanut and and betel nut only, beyond half a mile subject to the above two restrictions only, *viz.*, that not more than one-third the area will be allowed to be sown with paddy and not less than one-third the area should be used for any kind of food crop. The Deputy Commissioner should have the power, to relax these rules in areas which require it, on the recommendation of the Assistant Engineer, but the rule that water would be given continuously for only one-third the area—which is the essential part of the block system would not be relaxed.

11. Cocoanut gives a study large income which is likely to go up considerably in view of the fact that industries on a large scale to utilise the products of the cocoanut palm are being started in different parts of India. The Marikanave lands have been found, by actual experience, to be well suited for cocoanut, and it is, besides, a clean tree that does not require much water and the land will not get water-logged as that ruins cocoanut palms. Hence, it is necessary to grant special facilities for its growth. It was agreed to, after considerable discussion, that the following concessions might be recommended to Government.

Special facilities for cocoanut cultivation.

12. For any area that is freshly planted with cocoanut plants (not less than 30 per acre), only half the wet rate, *viz.*, Rs. 2-8-0 should be recovered for a period of seven years, and after seven years a wet rate of Rs. 8 an acre should be recovered till the next Re-survey Settlement. As the Re-survey is due in another fourteen years and as fields once planted with cocoanuts will not be resigned and will fetch good prices at auction, this concession involves no risk or loss to Government and will help in developing the area. After the Re-survey, the garden rate is likely to be Rs. 9 to Rs. 15 an acre. The concession may, for the present, be granted for two years and extended to all lands that were without cocoanuts during the last Pahani—as I learn that several have got plants ready in anticipation of some concession being granted and as these have to be planted up immediately. Government will, by this step, be only waiving a portion of the revenue for a few years—say Rs. 5,000 to Rs. 6,000 and as Rs. 8 is proposed after the seventh year, interest on this loss is also secured. For those who take up fresh lands for cocoanut plantations, the shraya rules are sufficient.

13. The following measures are recommended :—

Cultivation of manurial crops.

Sun hemp seeds should be stocked in the Government Farm and advertised and applied free of cost to *bona fide* applicants.

No. R. 13853-7—L. R. 42-18-22, dated 18th June 1920.

14. Honge should be planted up extensively ; but for the prohibitive cost (and the practically limited scope), a honge plantation under Government management would have been a good solution ; but for the above reasons, it is not recommended. Honge requires water only for three or four years and only twice or thrice during summer. This twater should be given free to areas planted with honge, but cultivation should be restricted to roughly ⅓th or ¼th of the wet area in the holding. Honge seeds should be thrown broadcast as an experiment in the river bed and margin and on Government waste lands. The Engineering Department should rear more trees on the channel bund, raiyats should be allowed to grow and own honge beyond the toe of the channel in the ten feet reserve. If proposals are received for planting up a large area for commercial purposes, the land should be given for an upset price, the Shraya Rules applied and as no water is required after five or six years, only half wet assessment need be levied : of course, only lands that are not likely to be taken up for wet cultivation should be granted.

Labour.

15. In the Babbur Farm, there are now only 40 labourers for cultivating 250 acres, of which 170 is wet and the maximum is 60 labourers. One family for 5 acres would thus be a fair estimate, so that, for cultivating 3,000 acres, about 600 families would be required. The land holders who met me in Conference were quite willing to accept the idea that it is best to import these families as petty landholders than as day labourers, and agreed that if a large number of labouring families are settled on the land, the question of labour would become easier for the landholders.

16. As regards importing labour, all were agreed that Mr. Meccai's scheme of settling Waddar and Lambani gangs might be tried in one or two localities ; but, the idea of granting lands to the Policemen is not commended. I would recommend that one gang of Waddars and one of Lambanies might be settled as an experimental measure.

17. The question of making contented families and citizens of the landless and criminal classes is, however, of paramount importance, and I would strongly recommend the appointment of a special officer as has been done in Madras and some Indian States. The idea of helping them to develop into self-respecting citizens appears now to be latent in all Hindus. What is required is organized efficient direction. If a few men with enthusiasm and some with money work out the problem, it is capable of easy solution, either by the formation of Agricultural Co-operative Societies, or by forming small groups to whom Takavi Loans might be advanced and in other ways.

18. Should there be delay in the appointment of a special officer, I beg to recommend that all lands that are required for landless classes should be granted without upset price, and on a condition of non-alienation for ten years ; and that they should be granted Takavi Loans, if any Association or leading landholders undertake responsibility for them. Some seeming risk will have to be taken, but judging from experience, it can be asserted that Panchamas generally are punctual in re-paying loans.

19. Thus, while it is unnecessary to import labour at a cost to Government for the benefit of the landholders, it is desirable to encourage labourers to settle down as agriculturists by means of the above concessions.

20. The concession granted in Government Order No. R. 12087-91—L. R. 42-18-12, dated 22nd March 1919, for the rapid cultivation of food crops might be extended to all applicants belonging to the Panchama and Criminal classes, the restriction as regards growing the whole area with food crop being removed. The raiyats and the Deputy Commissioner are of opinion that this concession might be extended to all applicants ; and I comment that proposal also for consideration.

Cultivation above the channel.

21. The executive Engineer is of opinion, and I agree with him, that cultivation of wet crops above the channel should be discouraged, as the seepage water will flow into the canal and contaminate the water, which is being freely used for drinking.

Babbur Farm.

22. The maximum number of coolies is said to be 60, and they are mostly outsiders. On the 17th September 1919, there were only 10 local people out of 40. It cannot, therefore, be said that this Farm competes excessively with local people. The following points, however, deserve favourable consideration. The Farm has now 170 acres of wet land and 80 acres of dry land. Such a large area is required as Government have directed that the Farm should become self-supporting after five years. If the Farm is made more of the nature of an Experimental Farm, which will not be self-supporting, a less area would probably be required and there would be no complaints. Another matter for consideration is that as cocoanut and plantain are going to be the important crops in the area, it is desirable (in case the area is not diminished) to cultivate some portion with good varieties of cocoanut and plantain, if these are known ; or to experiment on them in that soil. There are now a few cocoanut palms on the Farm.

23. All the points raised in the Government Orders cited above and in the several representations made, have now been discussed ; and the proposals may be summarised as follows :—

Publicity.

(1) Details of Government waste according to villages that are available for cultivation should be prepared forthwith by the Revenue Department and widely published both locally and outside.

Block rules.

(2) The following rules may be substituted for the present block rules:—

(*a*) not more than one-third area in any holding should be cultivated with paddy or any other crop requiring continuous irrigation,

(*b*) not less than one-third the area in all holdings should be cultivated with food crops, either as a wet or thadi crop,

(*c*) the present rules prohibiting all wet cultivation in close vicinity of villages should continue,

(*d*) no garden crop other than cocoanut will be allowed within a radius of half a mile from villages,

(*e*) plantains cultivated according to the Salem method, that is, of having rotation of crops after two or three years will be permitted within the area mentioned in (*d*), but outside the prohibited area for a period of three years as an experimental measure,

(*f*) the Deputy Commissioner will have the power to relax the rules in areas that require it, on the recommendation of the Assistant Engineer, subject to the proviso that in all circumstances, water would be given continuously for not more than one-third of the holding.

Cocoanut cultivation

(3) For areas that are freshly planted with cocoanut plants, a water rate of Rs. 2-8-0 an acre will be recovered for seven years and of Rs. 8 per acre afterwards up to the Re-survey. This concession will apply to all lands that were without cocoanut palms on the 30th June 1919, and will for the present, be granted up to 30th June 1921. The benefit of shraya tenure will, in addition, be granted to those who take up fresh lands for cocoanut cultivation, the full water rate being recovered only after a period of eight years.

Manure.

(4) (*a*) Sun hemp seeds should be distributed free to *bona fide* applicants from the Government Farm at Hebbur.

(b) Water will be given free thrice in summer to areas that are solely planted with honge; but, this supply will be restricted to $\frac{1}{3}$th of the wet area in each holding.

(*c*) Honge seeds should be sown broadcast as an experiment in the river bed and margin and on Government waste lands.

(*d*) More trees should be grown by the Engineering Department on the channel bund.

(*e*) Raiyats should be allowed to grow and own honge trees within the ten feet reserve beyond the toe of the channel.

(*f*) Lands that are not required for wet cultivation, that is, for which there have been no darkhasts for five years, will be granted for an upset price for cultivating honge, and shraya rules will be applied and after six years, only half the wet rate will be levied. If such lands are cultivated also with other crops requiring water, full water rate will be levied.

Labour.

(5) (*a*) One gang of Lambanis and one of Waddars might be settled in the area on the terms proposed by the Deputy Commissioner in his letters quoted in the margin; but the idea of granting lands to the Policemen in charge is not commended.

(*b*) The concession granted in Government Order No. R. 12087-91—L.R. 42-18-12, dated 22nd March 1919, for the rapid cultivation of food crops might be extended to all applicants belonging to the Panchama and criminal classes, the restriction as regards growing the whole area with food crop being removed, and this concession might perhaps be extended to all applicants.

1. Ref. on S. C. 498—Rev. 17-18, dated 3rd August 1918.
2. S. C. No. 498—R. M. 18-19, dated 5th April 1919.

(*c*) The appointment of a special officer for settling landless classes on areas that are available for cultivation, in order both to help them, and to bring such lands rapidly under cultivation, is strongly recommended.

(*d*) Lands should be given free to such classes; and they should also be granted loans both on the Co-operative Societies basis and on Takavi; and local effort in this direction should be encouraged under expert guidance

(6) (*a*) Cultivation of wet crops above the channel should not be allowed, as this would contaminate the water-supply of several villages.

Minor points.

(*b*) The Babbur Farm is not competing materially with local people; but, it is desirable sharply to distinguish between the experimental and demonstration portions, and the latter should be limited to actual requirements, especially for seed purposes. Cocoanut and plantain should also find places in the Farm.

ANNEXURE II.

The points upon which my views may be of value are (*a*) Improvement of manure supply, (*b*) Facilities for sugar-cane cultivation and (*c*) Functions of the Babbur Farm.

With reference to (*a*) I am in general agreement with the Revenue Commissioner's proposals except as regards free supply of green manure seeds. In the first place it would be impossible for the Farm to supply a very large quantity of green manure seeds without seriously interfering with the purposes for which it has been established. In the second place I am opposed to the free distribution of seed as experience shows that such concessions are not likely to lead to practical results.

The proposal to sow honge seeds broadcast in the river bed and on Government waste lands appears to me ill-advised. The river invariably receives a good deal of water in the monsoon season and I am sure seeds sown in the river bed would never come to any thing. On Government waste a similar result would accrue unless indeed the seedlings were irrigated or watered by hand which seems to be out of the question. The other proposals in this connection appear to be well-advised. With regard to facilities for sugar-cane cultivation I see no likelihood of sugar-cane occupying even one-third of the irrigable area in any holding unless the labour situation improves enormously. We are at present reducing our sugar-cane area from 40 acres (in 1919) to 25 acres (1920) largely on account of labour difficulties. Our total irrigable area is about 150 acres.

With regard to the functions of the Babbur Farm a reference to the Government Order sanctioning the establishment of this Farm will show that it was laid down that the Farm should be made self-supporting within three years. To enable us to do this it is essential that we have a fairly large area under sugar-cane. Furthermore the farm is giving us an opportunity of ascertaining how best to reduce manual labour in the cultivation of what is one of our most promising commercial crops, by the introduction of improved implements. Any marked reduction in our area or curtailment of our work in addition to that which is forced upon us by the paucity of labour would seriously affect the usefulness of the farm. You cannot demonstrate before you have experimented and know what to demonstrate and although we have learned much during the past three years there is still a great deal to learn before we can consider the Babbur Farm a "Model Farm." With regard to the use of the Farm for seed purposes we are in a position now to supply a very large amount of sugar-cane seed of the best variety that has up to the present been grown in the State and from our dry area we shall soon be able to supply a very large quantity of improved cotton seed. The belief that the Babbur Farm has had a serious effect upon the labour supply in the nala area is quite erroneous. I am prepared to state that we are at present using markedly fewer labourers per unit area cultivated than any landholder in the whole tract and this on land which was formerly almost entirely under cultivation. What would happen if we closed up shop tomorrow and handed the land over to private landholders? Either the land would go out of cultivation or more labourers would be used on it than we are at present employing. It seems to me ridiculous to suppose that the employment of labour on a 200-acre farm of which less than 50 acres is under intensive irrigated crops can seriously affect the labour supply of a tract of which some 8,000 acres are under block irrigation. The fact is that we are all in the same boat and the Government farm is distinctly worse off than the gentlemen who are complaining. An improvement in this regard will come only with (*a*) the improvement of communications and (*b*) a well conceived plan for colonization. I heartily agree with the proposal of the Revenue Commissioner for the appointment of an officer to devote his attention to the settlement of the landless classes but it must not be overlooked that the great bulk of the land in the tract is at present under occupancy although probably not 50 per cent of it is under actual cultivation. People owning lands in this tract which have remained uncultivated for the past ten years will have to be bought out or dispossessed, if any large colonization scheme is to come into effect.

No. R. 13587-90—L. S. 37-18-9, DATED 9TH JUNE 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

READ.—

Government Order No. R. 5903-6—L. S. 37-18-7, dated 20th November 1919, appointing a Committee to consider the question of expediting revision survey and settlement operations in the State.

2. Letter No. C. 2061, dated 16th February 1920, from the Revenue Commissioner in Mysore (the Chairman of the Committee) forwarding the recommendations of the Committee in the matter.

Order No. R 13587-90—L S. 37-18-9, dated 9th June 1920.

In view of the heavy loss of revenue to Government year after year, resulting from the increasing resettlement arrears and the difficulty felt in securing the required number of qualified hands to man the field establishments for expediting the work, the Committee recommend that Kushki lands in the taluks in which resettlement is now overdue, may be resettled without previous field work, the wet and garden lands being dealt with later on, as field establishments go on completing resurvey and reclassification thereof.

2. On a careful consideration of the question in all its aspects, Government think that the recommendation of the Committee to effect the partial settlement of dry lands only is opposed to the very principles of the Land Revenue Administration of the State and cannot be accepted. They consider that the arrears should be reduced only in the usual course by adopting a systematic and energetic programme under which four taluks at least should on the average be completed every year. The Survey Superintendent is therefore requested to submit detailed proposals for the entertainment, on a temporary basis, of any additional staff required for pushing on the work in the manner indicated above.

3. Government consider it also desirable to post an Assistant Commissioner of the First Grade to be trained, by deputation to Bombay, for the work of the Department particularly in up-to-date systems of resurvey and settlement operations. Necessary steps will be taken separately in this behalf. Arrangements will also be made to obtain the services of an officer from Bombay on loan for a period of three years for settlement work in the State.

B. RAMASWAMAIYA,
Secy. to Govt., Rev. Dept.

To—The Revenue Commissioner in Mysore.
The Superintendent, Revenue Survey and Settlement in Mysore.
The Secretary to Government, Revenue Department.
The Private Secretary to Dewan.

Veterinary Inspectors and Assistant Inspectors.

No. R. 13584-5—R. M. 22-19-14, DATED 9—22ND JUNE 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

READ—

Government Order No. R. 8854-63--Agri. 27-16-11, dated 27th February 1918, sanctioning the reorganisation of the Civil Veterinary Department in Mysore.

2. Correspondence ending with letter No. 1697—G. 2, dated 3rd February 1920 from the Comptroller to Government forwarding after verification a proposition statement received with letter No. C. 1025, dated 13th January 1920, from the Revenue Commissioner in Mysore, proposing revised scales of pay to the Veterinary Inspectors and Assistant Inspectors involving an additional expenditure of Rs. 7,548 per annum and stating that there is no margin for further recurring expenditure under the group "moral and material development."

Order No. R. 13584-5—R. M. 22-19-14, dated 9—22nd June 1920.

The Revenue Commissioner having represented that it was not possible to secure the services of trained men for filling the existing vacancies of Assistant Veterinary Inspectors on the minimum pay of Rs. 40 per mensem, sanctioned in the Government order read above, he was authorised tentatively in Government Order No. R. 7392-3—R. M. 16-18-4, dated 13—17th December 1918, to entertain Assistant Veterinary Inspectors on any of the intermediate salaries in the grades sanctioned for the Assistant Veterinary Inspectors. It is stated that this has not solved the difficulty as no one is willing to come on Rs. 40 and giving Rs. 50 to new men gives rise to dissatisfaction among the existing men, With a view to remedy these defects the Revenue Commissioner has now submitted a revised scale for the Veterinary Inspectors and Assistant Inspectors raising the minimum pay of the latter to Rs. 45 with slight increases in the higher grades also.

2. In the circumstances explained by the Revenue Commissioner the Government are pleased to sanction the revised scale shown in the statement appended to this order with effect from 1st July 1920, necessary provision for the additional expenditure being included in the ensuing year's budget.

B. RAMASWAMAIYA,
Secy. to Govt., Rev. Dept.

Forest Settlement.

No. R. 13794-7—Ft. 196-19-2, DATED 17TH JUNE 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

READ—

Notification No. R. 4261—Ft. 23-08-3, dated 18—19th January 1911, issued under Section 4 of the Forest Regulation, in the matter of the proposed constitution of the Ubbur Forest Block in the Tirthahalli Taluk as a State Forest.

2. * Letter No. C. 3205, dated 17th May 1920, from the Revenue Commissioner in Mysore, forwarding the records relating to the Settlement effected, and recommending the issue of the final notification in the matter as the Conservator of Forests has agreed to the settlement as effected by the Forest Settlement Officer and amended by the Deputy Commissioner, Shimoga District.

(*Printed as an accompaniment with the B and C Registers.)

Order No. R. 13794-7—Ft. 196-19-2, dated 17th June 1920.

The settlement effected by the Forest Settlement Officer is approved. The notification under Section 17 of the Forest Regulation, constituting the block a State Forest with effect from 15th July 1920, will be published in the Gazette.

2. The assessment on the marginally noted assessed waste lands which are included in the block will be written off the accounts.

Name of the village	S. No.	Assessed Waste Area A.	G.	Assessment Rs.	a.	p.

NOTIFICATION.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under the provisions of Section 17 of the Mysore Forest Regulation (XI of 1900), that from 15th July 1920, the area, the boundaries of which are set forth in the schedule annexed to this notification, shall be deemed to be a "State Forest" subject to the exercise of rights specified at foot thereof.

SCHEDULE.

District	Taluk	Approximate area	Name of block	Boundaries
Shimoga ..	Tirthahalli.	A. G. 3,619 24 or 5·66 square miles.	Ubbur	*North.*—Starting from a point on the left bank of a halla about 25 chains south-west from the south-west corner of Survey No. 17 of Kikkeri the line runs south-east for about 98 chains through Survey No. 35 of Kikkeri to the south-west corner of Survey No. 34; then south-east for about 92 chains through

Survey Nos. 34 and 44 to a point about 20 chains slightly north-west from the quadro-junction bandhs of Kikkeri, Garga Singanbidre and Kulandi; then north-east for about 11 chains through Survey No. 44 to a point on the common boundary between Kikkeri and Garga about 15 chains north-west from the said quadro-junction bandhs; then north-west along the said common boundary to the easternmost corner of Survey No. 28 (tank) of Kikkeri; then east for about 39 chains through Survey No. 44 of Kikkeri to the south-west corner of Survey No. 10 of Garga; then along its south side to its south-east corner; then north-west for about 62 chains through Survey Nos. 33, 11 and 13 of Garga to a point about 3 chains south-east from the north-east corner of Survey No. 16 of Garga; then north-east for about 7 chains through survey No. 13 to a point about 6 chains slightly south-east from the north-east corner of Survey No. 15; then east for about 54 chains through Survey No. 13 to the tri-junction bandhs of Siranelli Jodi Inam Grama Hegalathi and Garga; then south-east for about 19 chains along the common boundary between the Jodi Inam Grama Hegalathi and Garga to the tri-junction bandhs of the said two villages and Singanbidre.

East.—Then the line runs south-east for about 26 chains through Survey Nos. 42 and 41 of Singanbidre to a point about 10 chains north from the north-west corner of Survey No. 40; then south-west for about 19 chains through Survey No. 41 of Siganbidre to a point about 6 chains north-east from the north-west corner of Survey No. 38; then slightly south-west for about 7 chains to a point on the common boundary between Singanbidre and Garga about 5 chains north-west from the north-west corner of Survey No. 38 of Singanbidre; then south-west and south-east on a semi-circular way through Survey No. 11 of Garga to a point on the said common boundary about 5 chains south-west from the north-west corner of Survey No. 38 of Singanbidre then south-east for about 15 chains through Survey No. 37 to a point about 9 chains south-west from the south-east corner of Survey No. 38; then north-east for about 18 chains through Survey No. 37 to a point about 7 chains south-west from the south-east corner of Survey No. 39; then along the west side of Survey No. 52 for about 6 chains to its south-west corner; then south-east along the north side of Survey No. 35 of Singanbidre to its north-west corner; then south along the common boundary between Singanbidre and Garga to the quadro-junction bandhs of the said two villages Kikkeri and Kulandi; then south-west and south-east along the common boundary bstween Kulandi and Kikkeri to the quadro-junction bandhs of the said two villages, Halaga and Ubbur; then south-east, south-west, south-east and south between the common boundary Ubbur on one side, Halaga and Sinduvadi on the other side to the quadro-junction bandhs of Ubbur, Sinduvadi, Tyanandur and Hemmakki; then south, south-east and south between the common boundary Hemmakki and Tyanandur to the quadrojunction bandhs of the said two villages, Lingapura and Jambavalli; then east and north-east along the common boundary between Hemmakki and Lingapura to a point about 11 chains north-west from the south-west corner of Survey No. 31 of Lingapura; then south-east for about 11 chains along the west side of Survey No. 67 to a point about 6 chains south-east from the south-west corner of Survey No. 31; then south-east for about 20 chains through Survey No. 67 of Lingapura to a point about 10 chains south-east from the south-west corner of Survey No. 32; then slightly north-east for about 6 chains through Survey Nos. 67 and 57 to a point about 7 chains south-east from the south-east corner of Survey No. 32; then south-east for about 76 chains through Survey No. 57 to a point about 3 chains west from the north-west corner (tank) situated on the west side of Survey No. 53; then south for about 3 chains through Survey No. 57 to a point about 4 chains north-west from the south-west corner of the said katte.

South.—Then the line runs south-west for about 20 chains through Survey No. 57 of Lingapura to a point about 5 chains north-east from the north-east corner of Survey No. 60; then north-west for about 4 chains through Survey No. 57 to a point about 6 chains north from the north-west corner of Survey No. 60; then south-west for about 5 chains through Survey No. 57 to a point about 5 chains north-west from the north-west corner of Survey No. 60; then south-west for about 65 chains through Survey Nos. 57, 67 and 74 of Lingapura to a point about 4 chains north-east from the north-west corner of Survey No. 73; then slightly north-west for about 4 chains through Survey No. 74 to a point about 7 chains north-east from the north-east corner of Survey No. 72; then west for about 16 chains through Survey No. 74 to a point about 8 chains north-west from the north-west corner of Survey No. 72; then south-east for about 14 chains through Survey No. 74 to a point about 9 chains south-west from the north-west corner of Survey No. 72; then south-west for about 23 chains through Survey No. 74 to a point about 14 chains south-west from the south-west corner of Survey No. 71 (tank); then south-west for about 18 chains through Survey Nos. 74 and 75 to a point on the common boundary between Lingapura and Jambuvalli about 7 chains north-west from the north-west corner of Survey No. 76 of Lingapura; then south-west for about 15 chains to a point on the high road

leading from Tirthahalli to Shimoga through Survey No. 53 of Jambuvalli about 6 chains north-west from the south-west corner of Survey No. 76 of Lingapura ; then north-west along the said high road for about 18 chains to a point about 7 chains east from the north-east corner of Survey No. 55 of Jambuvalli ; then north-west for about 21 chains through Survey No. 53 of Jambuvalli to a point about 8 chains north-east from the north-east corner of Survey No. 54 ; then north for about 16 chains through Survey No. 52 to a point about 7 chains north-east from the north-east corner of Survey No. 51 ; then north-east for about 12 chains through Survey No. 52 to a point about 6 chains east from the south-east corner of Survey No. 50 ; then north-west for about 13 chains through Survey No. 52 to a point about 9 chains north-east from the northernmost corner of Survey No. 50 ; then slightly north-west for about 15 chains through Survey No. 52 to a point about 20 chains east from the north-east corner of Survey No. 26 ; then north-east for about 14 chains through Survey No 52 to a point about 5 chains east from the north-east corner of Survey No. 25 ; then north-west for about 8 chains through Survey No. 52 to a point on the common boundary between Tyanandur and Jambuvalli about 8 chains north-east from the north-east corner of Survey No. 25 ; then north-west for about 16 chains through Survey No. 83 of Tyanandur to a point about 6 chains south-east from the south-west corner of survey No. 81 ; then east for about 10 chains through Survey No. 83 to a point about 9 chains south-east from the south-east corner of Survey No. 81 ; then north-east for about 17 chains through Survey No. 83 to a point about 13 chains north-east from the north-east corner of Survey No. 82 ; then west for about 17 chains through Survey No. 83 to a point about 4 chains north from the northernmost corner of Survey No. 82 ; then north-west for about 50 chains through Survey Nos. 83 and 72 to a point about 9 chains slightly south-west from the south-east corner of Survey No. 69; then north-east alongjthe west side of Survey No. 70 to a point about 8 chains south-east from the north-east corner of Survey No. 69 ; then north-west for about 25 chains to a point on the common boundary between Ubbur and Tyanandur about 21 chains east from the northernmost corner of Survey No. 67 of Tyanandar ; then north-east for about 66 chains through Survey No. 17 of Ubbur to the north-west corner of Survey No. 12 of Ubbur ; then north-east for about 14 chains to a point about 11 chains south-east from the south-east corner of Survey No. 11 ; then north-west for about 37 chains through Survey No. 10 to a point about 21 chains north-east from the north-east corner of Survey No. 9 ; then north-east along the southern boundary of Survey No. 40 for about 63 chains to its north-east corner ; then west and south-west for about 78 chains along the northern boundary of Survey No. 40 to a point about 10 chains south-east from the easternmost corner of Survey No. 38 ; then north-west for about 28 chains through Survey No. 39 to a point on the common boundary between Kikkeri ; and Ubbur about 8 chains slightly north-east from the southern-most corner of Survey No. 41 of Kikkeri . then north-west for about 5 chains through Survey No. 43 to a point about a chain south-east from the south-east corner of Survey No. 41 of Kikkeri ; then slightly north-west for about 24 chains through Survey No. 43 of Kikkeri to a point about 11 chains north-east from the northernmost corner of Survey No. 42 ; then north-west for about 28 chains through Survey No. 43 to a point about 2 chains north-east from the northernmost corner of Survey No. 36 ; then north-west for about 2 chains through Survey No. 43 to a point about 2 chains slightly north-east from the northernmost corner of Survey No. 36 ; then south-west for about 2 chains through Survey No. 43 to a point about a chain north-west from the northern-most corner of Survey No. 36 ; then south-west for about 25 chains through Survey No. 43 to a point about 10 chains south-west from the southern-most corner of Survey No. 37 ; then south-west for about 15 chains through Survey No. 43 to a point about 10 chains slightly south-west from the northernmost corner of Survey No. 39 ; then south for about 13 chains, to a point on the common boundary between Kikkeri and Ubbur about 5 chains north-east from the northernmost corner of Survey No. 31 of Ubbur; then north-west along the said common boundary to the tri-junction bandhs of the said two villages and Kuchalu; then south along the common boundary between Kuchalu and Ubbur to a point about 5 chains north-west from the north-west corner of Survey No. 31 of Ubbur; then south-west for about 4 chains through Survey No. 18 of Kuchalu to a point about 6 chains east from the north-east corner of Survey No. 9 of Kuchalu; then south for about 7 chains through Survey No. 18 to a point about 10 chains east from the southernmost corner of Survey No. 9; then south-east for about 4 chains to a point on the common boundary between Kuchalu and Ubbur about 10 chains west from the southernmost corner of Survey No. 31 of Ubbur; then south for about 8 chains along the said common boundary to a point about 13 chains south-west from the southernmost corner of Survey No. 31; then south-east for about 37 chains to a point about 8 chains north-west from the north-east corner of Survey No. 41 of Ubbur; then south-west for about 13 chains along the north side of Survey No. 40 to its north-west corner; then along its west side to the tri-junction bandhs of Kuchalu Sedagar, and Ubbur; then south-east for about 13 chains along the west side of Survey No. 40 to a

point about 17 chains south-west from the south-west corner of Survey No. 43 of Ubbur; then slightly south-east for about 61 chains through Survey No. 30 of Ubbur to a point about 10 chains south-west from the westernmost corner of Survey No. 21; then south-east for about 10 chains to a point on the common boundary between Ubbur and Tyanandur about 4 chains south-west from the southernmost corner of Survey No. 18 of Ubbur; then south for about 88 chains through Survey Nos. 62 and 90 of Tyanandur to a point about 11 chains south-west from the north-east corner of Survey No. 89; then south-west for about 9 chains through Survey No. 90 to a point about 5 chains north-west from the north-west corner of Survey No. 89; then south-east for about 11 chains through Survey No. 90 to a point about 8 chains south-west from the south-west corner of Survey No. 89; then north-east for about 16 chains through Survey No. 90 to a point about 11 chains slightly south-west from the westernmost corner of Survey No. 85; then south-east for about 15 chains through Survey No. 90 to a point on the common boundary between Tyanandur and Jambuvalli about 6 chains north from the north-west corner of Survey No. 24 of Jambuvalli; then south-west for about 37 chains through Survey No. 18 of Jambuvalli to a point about 5 chains south-east from the north-east corner of survey No. 93 of Tyanandur.

West.—Then the line runs north-west for about 7 chains through Survey No. 18 of Jambuvalli to a point on the common boundary between Jambuvalli and Tyanandur about 7 chains north-east from the north-east corner of Survey No. 93 of Tyanandur; then west for about 10 chains through Survey No. 91 of Tyanandur to a point about 8 chains north-west from the north-east corner of Survey No. 93 of Tyanandur; then north-west for about 17 chains through Survey No. 91 to a point about 7 chains south-east from the south-east corner of Survey No. 60; then north for about 39 chains through Survey No. 61 to a point on the common boundary between Sedagar and Tyanandur about 8 chains south-east from the south-east corner of Survey No 12 of Sedagar; then east and north-east along the said common boundary to the north-east corner of survey No. 11 of Sedagar; then north-west along the northern boundary of survey No. 11 for about 14 chains to a point about 9 chains slightly south-east from the easternmost corner of Survey No. 10; then north-west for about 14 chains through Survey No. 37 to the easternmost corner of Survey No. 9 (tank); then north for about 44 chains through Survey No. 37 to a point about 11 chains south-east from the north-east corner of Survey No. 33; then north-east for about 9 chains through Survey No. 37 to a point about 3 chains east from the north-east corner of Survey No. 30 (tank); then north-west for about 7 chains through Survey No. 37 to a point about 3 chains north from the north-west corner of Survey No. 30 (tank); then north-west for about 34 chains through Survey Nos. 37 and 29 to a point on the common boundary between Sedagar and Kuchalu about 20 chains south-east from the southernmost corner of Survey No. 70 of Kuchalu; then north-west for about 37 chains through Survey No. 21 of Kuchalu to a point about 17 chains north-east from the north-east corner of Survey No. 7; then north-east for about 36 chains through Survey No. 18 to the south-east corner of Survey No. 9; then along its east side to its north-east corner; then north-west for about 49 chains through Survey No. 18 to the north-east corner of Survey No. 16; then on the same direction for about 46 chains through Survey No. 18 to a point on the left bank of a Halla about 36 chains north-west from the north-west corner of Survey No. 16; then along the left bank of the said Halla through Survey No. 18 of Kuchalu and 35 of Kikkeri to the starting point.

Remarks.

The following rights of way are admitted within the block for use by men and cattle in case of foot-paths which are 6 feet in width and by men, cattle and carts in case of cart-tracks which are 12 feet in width throughout the year.

1. *Foot-path leading from Garga to Mandagadde*:—It enters the forest in the northern boundary of the block at a point about 7 chains south-east from the south-east corner of Survey No. 17 of Garga and runs south-east for about 17 chains through Survey No. 33 of Garga and reaches the enclosure No. I at a point about 5 chains west from the south-west corner of Survey No. 12 and again it re-enters the forest from the said enclosure at a point about 13 chains south-east from the easternmost corner of Survey No. 12 of Garga and runs south-east for about 13 chains through survey No. 41 of Singanbidre and quits the forest in the eastern boundary of the block at a point about 10 chains south-west from the north-west corner of Survey No. 40 of Singanbidre.

2. *Cart-track leading from Kikkeri to Sedagar*:—It enters the forest in the northern boundary of the block at a point about 17 chains south-west from the north-west corner of Survey No. 34 of Kikkeri and runs south, south-west and south-east for about 46 chains through Survey Nos. 35 and 43 of Kikkeri and quits the forest in the southern boundary of the block at a point about 3 chains south-west from the northernmost corner of Survey No. 36 of Kikkeri.

3. *Foot-path leading from Kikkeri to Kamkandi (hamlet of Kuchalu)*:—It branches from the cart-track No. 2 *supra* at a point about 12 chains north-west from the northernmost corner of Survey No. 36 of Kikkeri and runs south-west, south for about 47 chains through Survey No. 43 and quits the forest in the southern boundary of the block at a point about 10 chains west from the northernmost corner of Survey No. 39 of Kikkeri and again it re-enters the forest in the southern boundary of the block at a point about 7 chains south-west from the north-west corner of Survey No. 31 of Ubbur and runs west for about 7 chains through Survey No. 18 of Kuchalu and quits the forest in the western boundary of the block at the north-east corner of Survey No. 9 of Kuchalu.

4. *Foot-path from Survey No. 40 of Ubbur to the coffee land situated in Survey No. 39 of Ubbur*:—It enters the forest in the southern boundary of the block at a point about 12 chains east from the northernmost corner of Survey No. 40 of Ubbur and runs north-east for about 7 chains and reaches the enclosure No. 2.

5. *Cart-track from Sedagar to Ubbur*:—In enters the forest in the western boundary of the block at a point about 3 chains east from the north-east corner of Survey No. 30 (tank) of Sedagar and runs north-east and east for about 11 chains through Survey Nos. 37 of Sedagar and 30 of Ubbur and quits the forest in the southern boundary of the block at a point about 5 chains north-west from the north-west corner of Survey No. 27 of Ubbur.

6. *Foot-path from Sedagar to Tyanandur*:—It branches from the cart-track No. 5 *supra* at the easternmost corner of Survey No. 9 (tank) of Sedagar which it enters the forest and runs south-east for about 34 chains through Survey Nos. 37 of Sedagar and 62 of Tyanandur and quits the forest in the southern boundary of the block at a point about 13 chains north-west from the north-west corner of Survey No. 65 of Tyanandur.

7. *Foot-path from Sedagar to Kuchalu*:—It enters the forest in the western boundary of the block at a point about 27 chains north-west from the north-east corner of Survey No. 32 of Sedagar and runs north-east and north-west for about 18 chains through Survey Nos. 37 of Sedagar and 21 of Ubbur and quits the forest in the western boundary of the block at a point about 12 chains south-east from the south-east corner of Survey No. 7 of Ubbur.

8. *Foot-path from Kerekoppa (hamlet of Tyanandur) to Survey No. 63 of Tyanandur*:—It enters the forest in the western boundary of the block at a point about 10 chains south-east from the south-east corner of Survey No. 12 of Sedagar and runs north-east for about 36 chains through Survey Nos. 61 and 62 of Tyanandur and quits the forest in the southern boundary of the block at a point about 11 chains south-west from the south-west corner of Survey No. 64 of Tyanandur.

9. *Foot-path from Kavari (hamlet of Jambuvalli) to Lingapura* :—It enters the forest in the southern boundary of the block at a point about 5 chains north-east from the north-east corner of Survey No. 50 of Jambuvalli and runs east and south-east for about 36 chains through Survey Nos. 52 of Jambuvalli and 75 and 74 of Lingapura and quits the forest in the southern boundary of the block at a point about 8 chains north-west from the north-west corner of Survey No. 72 of Lingapura.

Enclosures.

1. A private kan measuring 112-3 guntas in Survey No. 11 and a margin of Survey No. 12 of coffee land are clubbed together and treated as an enclosure with the following boundaries.

North.—Starting from a point about 7 chains north-west from the north-west corner of Survey No. 12 of Garga and runs south-east, north-east and south-east for about 36 chains through Survey No. 11 to a point about 5 chains north from the north-east corner of Survey No. 12; then north for about 11 chains through Survey No. 11 to a point about 9 chains south from the tri-junction bandhs of Siranelli Jodi Inam grama Hegalathi and Garga; then south-east for about 18 chains to a point on the commom boundary between Singanbidre and Garga about 6 chains south from the tri-junction bandhs of the said two villages and Jodi Inam grama Hegalathi.

East.—Then the line runs south, south-west and south-east along the boundary between Garga and Singanbidre and reaches the settled demarcation line at a point about 6 chains north-west from the north-west corner of Survey No. 38 of Singanbidre; then along the settled demarcation line through Survey No. 11 of Garga to a point about 5 chains south-west from the north-west corner of Survey No. 38 of Singanbidre; then south-west along the said common common boundary, reaches the settled demarcation line at the north-west corner of Survey No. 35 of Singanbidre; then along the settled demarcation line and the said common boundary to a point about 11 chains south from the north-east corner of Survey No. 35 of Singanbidre.

No. R. 13794-7—Ft. 196-19-2, dated 17th June 1920.

South.—Then the line runs west for about 16 chains through Survey No. 11 of Garga to a point about 20 chains south-west from the north-west corner of Survey No. 35 of Singanbidre.

West.—Then the line runs north for about 35 chains through Survey No. 11 to a point about 5 chains south from the southernmost corner of Survey No. 12; then north-west for about 31 chains through Survey Nos. 11 and 33 to a point about 6 chains south-west from the south-west corner of Survey No. 12; then north for about 10 chains to the starting point. Access to it by means of a foot-path No. I *supra*.

2. Two acres of coffee land situated in Survey No. 39 of Ubbur is treated as an enclosure with a margin of 5 chains all round. Access to it by means of a foot-path No. 4 *supra*.

Concessions.

The villagers of Garga are allowed to remove wooden materials necessary for building huts for poor people on free permits issued by the Forest Department, dry and green fuel should be allowed to be taken free from the proposed forest on free permits to be issued by the Forest Department in reasonable quantities. Agricultural implements Vate, Dadasu, Seebu, Cane, Naru should be granted free at the rates noted below:—

By Order,
B. RAMASWAMAIYA,
Secy. to Govt., Rev. Dept.

. No. R. 13794-7—Ft. 196-19-2, dated 17th June 1920.

B—Register of claims to lands, rights to forest produce or easements in the proposed Ubbur Block State Forest in Tirthahalli Taluk.

Names of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision, if any, of Court of Appeal and Settle.
1	2	3	4	5	6	7	8
1 (1) Revanna *bin* Ranganna. (2) Puttanna *bin* Venkatanna (3) Giddanna *bin* Manjanna. (4) Eranna *bin* Dodthammanna (5) Manjanna *bin* Subbanna (6) Giddanna *bin* Puttanna (7) Krishna *bin* Durga through Seshannagowda as representative of the above Garga villagers	25-8-18	States that there is a private kan of 112 acres, 3 guntas in the khata of Veerabhadra devaru and others but is employed by all the villagers They enjoy the whole survey No 11 as kan In survey No 13 there are 17 acres 34 *guntas of kan* for Veerbhadradevaru and *others but all along* the villagers of Garga enjoy the whole survey No 13, survey No 12 is coffee land in the holding of Kalyanappa the son of the patel Rudrappa's brother and this Rudrappa is the patel of Garga building materials for the poor raiyats should be allowed on concession rates *grazing land* is required for cattle that they own for agricultural purposes Fuel for domestic purposes etc, for boiling and drying areca and *for keeping* ಕಾಡುಬೆಂಕಿ in the rainy season Vate, dabasoo, cane, naroo, seebu and kalda grass and wood for *building sheds for* watching crops and agricultural implements Soppu for garden and for spreading on the floor in cattle sheds and for the manure pits A cart track from Garga *via* kikkeri to Ubbur and north to Hanagere is required A foot path from Mandagadde to Garga The line comes near the land (survey No 15) of Krishna *bin* Durga, it should be changed So also near Giddanna's land and some is near Eranna's There are some ಹುಬ್ಬಳಿಯ (water courses) in the kan lands which, if the trees destroyed will cease to be so useful Jambattige is found above the land of Giddanna *bin* Mariamma		(*a*) Rights of way admitted may be granted. (*b*) Rights to grazing in the block may also be granted at concession rates (*c*) Rights of fibre, canes, broom sticks may also be granted In the case of rights to timber both for house building and agricultural implements they may be confined to dead and fallen timber of the jungle wood species The raiyats want the right to collect leaves from the forest This is against the principle of conservancy and *protection of the proposed* forest It is highly objectionable from the sericultural point of view It may not be granted at all The question of occupied kans in the bed rock of the settlement Many of the kan holders pay a nominal tax for a portion of the survey number but are enjoying the whole number itself marked It is undesirable to offer them the remaining portion of the number even though it a higher rate of assessment If the occupied kans are excluded the demarcation line shall have to run on the very edge of the hills and thereby make the task of *fire protection* very difficult In view of the valuable nature of the block and the difficulties of fire protection it is requested that the Forest Settlement Officer may kindly see his way to include the occupied kans in the block	(1) Survey No 15 was an assessed waste at the time of the proposal of this block But it has since been granted for cultivation The usual cultivation margin of 5 chains should be left and the line altered accordingly (2) Khetwar produced by the shanbhog shows that survey No 13 (area 185 acres, 29 guntas) contains a kan of 17 acres, and 34 guntas and the rest of the survey number 267 acres *35 guntas* kharab As only about 72 acres has been taken from the kharab portion there is nothing to interfere with the enjoyment of the kan in question (3) The khetwar of the village shows that in survey No 11 (total area 599 acres, 30 guntas) there is a kan of 112 acres and 3 guntas in the khata of Veerabhadradevaru and others but in the enjoyment of all the villagers It is admitted that though the kan is only 112 acres the villagers enjoy the whole of the survey number without paying any kandayam to Government for the rest of the land This is unauthorised to say the least of it as the remaining portion is not Government kan but only kharab (*vide* evidence of the shanbhog Subba Rao). The provisions of para 3 of the Government Order No R 10959-7—Ft 153-10 dated 8th May 1917, do not apply to the case It is ordered that a portion of 112 acres and 3 guntas in survey No 11 be marked off separately and the villagers allowed to enjoy the kan rights over it This will be excluded from the block. (4) Survey No 12 being a coffee land in the possession of one Kalyanappa will be excluded from the block with the usual margin (5) The villagers want more grazing land The cattle in the village according to the last Khaneshumari accounts are — Cattle 66 and buffaloes 6 and 4 sheep only even supposing that these accounts are understated as the villagers generally do to lessen their Hullu hanna,' the grazing land available in the village viz., 220 acres of Soppu bettu and 217 acres of kharab is ample provision for this small village (6) Wooden materials necessary for building huts for poor people shall be granted free on free permits issued by the Forest Department (7) Dry and green fuel should be allowed to be taken free from the proposed forest on free permits issued by the Forest Department in reasonable quantities (8) Agricultural implements, vate, dabasoo, seebu, cane naroo should be granted free at the rates noted below

B—Register of claims to lands, rights to forest produce or easements in the proposed Ubbur Block State Forest in Tirthahalli Taluk—*contd.*

Serial No	Names of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision, if any, of Court of Appeal and Settlement
1	2	3	4	5	6	7	8
						(9) A cart track from this village to Kikkeri is asked for but it is in the portion excluded from the forest and does *not require any orders* (10) A foot path, 6 feet wide from this village to Mandagadde passing through survey Nos 11 and 33 is granted for men and cattle only. (11) Giddanna's and Eramma's lands are far from the line and no orders are necessary (12) It is said that Jambattige is found near the land of Giddanna *bin* Manjanna The *bona fide* house builders of this village may be allowed to take Jambattige on payment of the prescribed royalty	
2	(1) Timmegowda *bin* Ramegowda. (2) Manjegowda *bin* Ramannagowda (3) Puttanna *bin* Manjannagowda. (4) Basanna *bin* Manjanna (5) Mavanna *bin* Naganna through Seshannagowda a representative chosen by Kikkeri villagers.	18 3 19	States that in survey No 35, acres 170, guntas 22, private kan is acres 29, guntas 16 (Rs 2 kandayam) enjoyed by all the 5 villagers named above and is in the khate of Veerabhadradevaru and others. This devaru is a deity and not the name of a person. The whole of survey No 31 is enjoyed by the above as kan of survey No 44, acres 662 guntas 26, acres 41, guntas, 9 is kan in khate of Veerabhadradevaru and others Whole of survey No 44 is fully enjoyed by the abovenamed persons Gomals, soppinbetta Duragimbadya Hullimbyana are all taken away from the village, and villagers want these No place to get fuel for use, for drying and boiling area and we want charcoal for making agricultural iron implements Fuel required for making ಸುಂಬಳಕ್ಕೆ and also for keeping ಕಬ್ಬಿಣ Cattle require grass Timber at the concession rates should be granted Vate, cane, Dadsalu (brooms) Bende naru and Hivvanaru were the things we were taking from these lands and bidaroo for hedges also These should be granted Agricultural implements, rights of way to Hanakonda are required	In survey No 35 the total area of which is acres 170, guntas 22, there is an undefined kan of acres 29 guntas 16 in the khate of Veerabhadradevaru and others Veerabhadradevaru is not the *name of any man but that of a deity* It is admitted that the whole village enjoy this undefined kan, *i e*, the whole of survey number is enjoyed by the villagers though they pay only a kandayam of Rs 2, or so, the remaining portion of the survey number is soppinbetta There are only about 64 acres of wet and nearly 5 acres of garden land in the village for which soppinbetta and the rest taken for the forest (2) Survey No 44 is a big land about 662 acres and 26 guntas in area. There is a small kan of 41 acres and 9 guntas in the khate of Veerabhadradevaru and others, but the whole number is unauthorizedly enjoyed by all the villagers The village account (Khetwar) shows that 621 acres *of this land is kharab during the inspection* also it is found that the major portion of the land is no kan or ever green forest It is therefore decided to leave about 300 acres in the northern portion of survey No 44 both for kan holders and for the villagers Out of survey No 44 which is a gomal and to be taken only a small bit in the south and leave the rest to the village These lands would be enough to supply all the demands of the village which contains only 15 houses, 62 population and 84 heads of cattle (3) Vate, nareo, cane, dadasalu (brooms) to bamboo for hedges will be allowed to be taken free by the villagers on free permits issued by the Forest Department at the rates noted below, consideration of the large area taken from this village (4) Assessed wastes survey Nos 36 to 42 which were proposed by the Forest Department to be made into enclosure are now excluded	
	Do	25-3 18	As the original soppinbetta is far for some lands, it should be granted in survey No 35.		...

B.—Register of claims to lands, rights to forest produce or easements in the proposed Ubbur Block State Forest in Tirthahalli Taluk—*contd.*

Serial No.	Names of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision, if any, of Court of Appeal and Settlement
1	2	3	4	5	6	7	8
2					(5) A cart-track 12 feet wide from this village to shedgar through Survey Nos. 35,43,41 and 42 is allowed for use by men, cattle and carts throughout the year. (6) The foot-path to Harakodu falls within the portion left and no orders are necessary. (7) A foot-path 6 feet wide to Kamkandi is also allowed as shown in the village map.		
3	(1) Krishnegowda *bin* Manjangowda. (2) Surappa *bin* Thammannagowda. (3) Ella *bin* Badia. (4) Putta *bin* Martra. (5) Puttannagowda *bin* Venkatannagowda through Seshanna as representative on behalf of the above Ubbur villagers.	19-8-18	States that saguvali, bagayat and lands and kan also have been included in the forest and the line has run too close to certain lands and pray for the exclusion from the forest. *Concessions viz.*, free grazing thorns for hedges, agricultural implements and other articles, etc., required for their use they are now enjoying be continued.	.....	The whole village happens to fall in the midst of the block. There are 104 acres, 28 guntas of wet and 7 acres, 22 guntas of garden lands in the villiage and also 72 acres, 25 guntas of assessed waste. All these are excluded with sufficient margin all round to give the villagers and cattle sufficient freedom of action. (2) The coffee land of 2 acres belonging to Seshanna in Survey No. 39 is treated as an enclosure and a foot path to it 6 feet wide is allowed from survey No. 40 left for the village. (3) About 321 acres of survey No 40 and about 521 acres out of the margins left for the villagers will be more than ample to meet all the requirements of the villagers. (4) Rights of way fall within lands excluded and need no special order.	*Re* survey No 11 (which is a coffee kan and was formerly a portion of old Survey No 6) is not shown in the settlement map. The Forest Ranger admits that this is a mistake due to in oversight that this land is in the hiduvali of *Chennamma, wife of Seshannagowda* and that it may be excluded from the State Forest. This will accordingly be done. Appellant's contention that there are not enough of trees in the area allowed to be used by the villagers is entirely unfounded and there are trees without number in the said area. Their are only 15 or 16 houses in the village and about 160 head of cattle, 60 acres of gomal ought to be enough, but 800 acres of gomal and soppinbetta have been left for their use. On the 18th May 1919 the villagers told me at the time of inspection that they had 500 head of cattle not 160 as stated in the Khaneshumari account and today their lawyer tells me that the number is not 500 but 600. Even assuming that the villagers have 600 head of cattle, the gomal allowed is more than enough. Their last contention is that there are no bamboos or canes in the area allotted to them. There is truth in this complaint. Local enquiry shows that they have enjoyed their privilege for a long time and it would be hard to deprive them of it now. Bamboo and canes are required for making baskets putting up hedges etc., vate, naroo, cane, Dadasu and bamboo may be allowed to be taken free by the villagers from the State Forest on free permits issued by the Forest Department on the scale specified below:— 1 ಎಕ್ಕೆ ತರ 1 ಎಕ್ಕೆ ಜಮೀನಿಗೆ ಬಾಗಾಯ್ತುದಾರರಿಗೆ ಬೆತ್ತ ದಪ್ಪೂರ 2 4 ವಾಟೆಹೊರ 2 4 ದಡಸು 1 0 ಬೆಂಬೆನಾರು ಹೊರ 1 2 ತವರನಾರು „ 1 2 ಬುನರನಾರು „ 1 2 ತವರೆನಾರು „ 1 2 ಕಿರು „ 10 0	

No. R. 13794-7—Ft. 196-19-2, dated 17th June 1920.

Serial No.	Names of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision, if any, of Court of Appeal and Settlement.
1	2	3	4	5	6	7	8
4	Chowdanna Gowda, a raiyat of Kuchalu on behalf of the villagers named below. (1) Linganna *bin* Fakiranna. (2) Somanna *bin* Govindanna.	19-3-18	States that the line is too near the paddy field and should be shifted further Free concessions be given to take the following from the forest. Tari, bagani and agricultural implements, cane, vate, vate-kayi, jeerkankai fibres honde and kavri soppu for fields and manure pits and bamboo for hedges.	...	...	The line is slightly changed to give cultivation margin to survey No. 7 of this village and to survey No. 31. (2) A foot-path 6 feet wide to Ubbur is granted. (3) As large tracts of land are left for the village no concession of any kind is necessary.	...
5	Krishne Gowda, Patel of Shedgar, on behalf of the villagers	18-3-18	Prays concessions, for the following articles to take from the forest. Soppu for garden and manure, thorns, daragu, fibres, vate, betta, ploughs and other agricultural implements, fuel for domestic use, daragu for wet lands and timber for building purposes also grass for cattle.	...	.....	(1) Survey No. 11 is 120 acres and 10 guntas in area. There is a kan of 26 acres and 30 guntas in the khate of Subbanna and the rest is soppinabetta. So it is decided that no portion of this land be taken for the forest. (2) To give cultivation margin to survey No 31, the line is slightly altered. (3) The remaining portion of the proposed demarcation line is confirmed. (4) A cart track, 12 feet wide to Ubbur and a foot path from this village to Tyanandur and another foot-path to Kuchalu are allowed. (5) As only a comparatively small portion is taken from this village, no other concessions are necessary.	...
6	Gopalkrishna Rao, Shanbhog of Tyanandur, and a representative chosen by the villagers named below. (1) Bishtanna Gowda *bin* Subbanna Gowda. (2) Soorappa Gowda *bin* Thimmiah Gowda. (3) Duggauna Gowda *bin* Subbanna Gowda. (4) Putta *bin* Sidda (5) Manjachari *bin* Nagachari. (6) Govinda *bin* Subba.	19-3-18	States that the line touches coffee cultivation survey Nos. 93 and 60 and it should be changed further. The belt of cultivation in Magremanavi and Bidarahalli require more margin on both sides, cattle of this village and those of Yedahalli, Beguvalli, Tudur use the pasture of this village. So more grass lands is required People of those villagers own lands here and require grass for their cattle. They have temporarily cattle sheds. Cattle of this village are 10 oxen, 5 he-buffalos, 18 sheep, 79 cows and 9 goats. This includes some of the cattle of the cultivation of this village lands living in other 3 villages named above. Cane, fibre, brooms are required. They are in the Hill Survey No. 63, a foot-path to survey No. 63 from Kerekoppa majre. A cart-track from north to south along the belt of cultivation lands as marked by me is required. Daragoo, fuel, soppu, fuel and agricultural implements are required and should be granted free.	...	.....	(1) To give cultivation margin to survey Nos. 93 and 60, the line is slightly altered. (2) The belt of cultivation lands in the Magre manave and Bidarhalli are given sufficient margin as prayed for by the raiyats. The margin alone will be about 315 acres in area. (3) Shanbhog Gopalakrishna Rao who is the chosen representative of the village says that the cattle of Yedehalli, Beguvalli and Tudur graze in the lands of Tyanandur. In the 1st place, there is no representation directly from the residents of those 3 villages. In the 2nd place, an examination of the lands and circumstances of the village do not justify the grant of any concessions in this village. (4) A foot-path 6 feet wide from Kerekoppa to survey No. 63 is granted. (5) Cart-track asked for, falls within the enclosure and so, no orders are required. (6) Cane, fibres, brooms and dry leaves shall be granted free to the villagers on free permits issued by the Forest Department as noted below. (7) Dry wood shall also be granted free.

B.—Register of claims to lands, rights to forest produce or easements in the proposed Ubbur Block State Forest in Tirthahalli Taluk—*contd.*

Serial No.	Names of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision, if any, of Court of Final Appeal and Settlement
1	2	3	4	5	6	7	8
7	Subba Rao, resident of Kerekoppa majre of Tyanandur.	26-3-18	States that he produces Khetwar of Yedehalli circle and Tudur circles. These two were prepared from Akarband, final patrika and phasal bak of survey accounts. These are not signed but we have recently got printed forms which are signed. The exhibits produced are true to the survey account. He and his Gopalakrishna Rao, who is now doing duty as Shanbhog have written exhibits. survey No. 11 of Garga is 599 acres and 30 guntas of which kharab is 487 acres and 27 guntas and 112 acres and 3 guntas is Kan assessed at 1½. The whole of survey No. 11 is not kan, but only 112 acres and 3 guntas. The rest is not kan and he was doing Shanbhogi for 35 years. Exhibits shows that 2 acres of survey No. 39 of Ubbur is in the Khate of Siddanna *bin* Puttanna (now deceased). It has since been purchased by Shashanna *bin* Venkatanna of Ubbur. The shara against survey No. 39 is copied from the fisal patrika. This is not defined and it is not known in what part of it it is? It is in his possession for the last 3 or 4 years.	...	.....	Not recognised.	
8	Dugganna Gowda, Patel of Jambalii, on behalf of the villagers.	18-3-18	Represents that survey No. 50 is a bagayat land and 25 and 24 are wet lands. The line runs in those 3 lands and is very inconvenient to graze their cattle, the taking of timber for building of dadagalu, cane and bende. Kavri, naroo for agricultural purposes. This grievance should be remedied. The raiyats should be allowed to take timber under the Konad Rules. A foot-path from Kavri to Lingapur and on to Hemmakki is required.	...	.....	(1) To give cultivation margin to survey Nos. 25 and 24, 50 and 54 of this village and to survey No. 76 of Lingapur the line is altered in 5 places. (2) A foot-path, 6 feet wide, from Kavri to Lingapur through survey No. 52 is granted. (3) The portion taken for the forest is so small and the lands left for the village are so extensive that no other concession is called for.	
9	Burmagowda, Patel of Lingapur on behalf of the villagers.	17-3-18	Represents that the line runs in their village, the taking of the land will seriously inconvenience the raiyats. They get firewood, soppu, wood for building purposes, daragu and graze cattle. There are thatched houses in this village and no other place for getting timber and praya that their lands to be excluded from the forest.	...	.....	The total gomal area in the village is 1,095 acres and 25 guntas made up as follows :— Survey No. — Acres — Guntas. 12 — 136 — 3 14 — 57 — 11 25 — 11 — 21 119 — 9 — 25 28 — 118 — 19 29 — 19 — 28 58 — 21 — 10 59 — 16 — 2 67 — 108 — 23 74 — 319 — 21 104 — 98 — 37 120 — 15 — 25 121 — 47 — 29 Total ... 1,095 — 25	

No. R. 13794-7—Ft. 196-19-2, dated 17th June 1920.

B.—Register of claims to lands, rights to Forest produce or easements in the proposed Ubbur Block State Forest in the Tirthahalli Taluk.—*contd*

Serial No.	Names of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision, if any, of Court of Final Appeal and Settlement
1	2	3	4	5	6	7	8
						If 326 acres and 37 guntas the area of Survey No. 57 which is gomal and Soppinbetta is added to the said gomal area, the total area available for grazing of cattle will come up to 1,352 acres and 22 guntas. Out of this, only 305 acres are proposed to be taken for the forests. This is no inconvenience at all. survey No. 75 which is kharab and which is classed as coffee land 159 acres and 8 guntas is also proposed. This too does not entail any inconvenience. I see no objection to the proposal to take these lands. (2) Cultivation margin for survey Nos 76, 72, 32,31,60 and 53 is allowed and the line slightly changed for the purpose. (3) The lands left for the village are fairly well wooded and there seems to be no necessity for any other concession.
10	Timmegowda *bin* Tirumalegowda, Bommegowda *bin* Puttegowda, Subbanna Adiga *bin* Mangaiath Adiga, Sreenivasa Narayan Tatachar *bin* Narasimhatatachar, Basappagowda *bin* Ramannagowda, Manjappagowda *bin* Lokayyagowda through Burmegowda for the above villagers of Hemmakki	17-3-18	Represents that the lands taken from the village includes more of private kans (1) Survey No. 37—60 acres and 31 guntas fully private holding in the enjoyment of Thimmappiah *bin* Nagappiah. (2) Survey No. 38—32 acres and 35 guntas, of this 16 acres and 18 guntas is in possession of khatedar, Bommegowda *bin* Puttegowda and the other half 16 acres and 17 guntas is in the khate of Raghavendra Rao of Chennarayandurga and in the enjoyment of Bomme gowda *bin* Puttegowda only. (3) Survey No 39—68 acres and 25 guntas, of which 51 acres is in possession of Mangegowda and Thimmegowda The rest 17 acres and 25 guntas is Government Kan. They both are undefined (4) Survey No 40—70 acres and 28 guntas of which 53 acres and 1 gunta is in possession of Burmegowda *bin* Narayanegowda. Rest 17 acres and 27 guntas is Government Kan. But they are clubbed into one number. (5) Survey No. 41—30 acres and 7 guntas. Survey No. 42=14 acres and 19 guntas, Survey No. 43=18 acres and 8 guntas, Survey No. 44=12 acres Government Kan. Survey No. 14—4 acres and 23 guntas. Of this block, southern half is in possession of Manjappagowda *bin* Channegowda. The northern half is in possession of Shroff Venkatappa. These are in coffee cultivation for the last 25 or 30 years.		They do not grow paddy in survey No. 37 nor can they convert them into bagayat without Government sanction. They take pepper, daragoo, dry leaves, green leaves, firewood, cane, vate, dadasal (brooms) Balli, Bagani, Stones make, charcoal, Seegaikai, etc., and other minor produce This is the mode of enjoyment of other kans named. They graze their cattle also.	(1) Survey No. 37 (area 60 acres 31 guntas) is wholly a private kan. It is wondered why this was proposed for the forest. Perhaps the Forest Department expected to acquire this kan. But under the present orders of Government no private kan should be acquired. This land is excluded. (2) survey No 38 (area 32 acres. 35 guntas) is also private kan owned in equal shares by Bommia and Raghavendra Rao. This is also excluded. (3) In survey No. 39 (area 68 acres 25 guntas) 51 acres is a private kan now in the possession of Mangaygowda and Thimmegowda. The rest of the Survey Nos *i.e.*, 17 acres and 25 guntas is Government under para 3 of the G. O. No. R. 10953-7—Ft 153-10, dated 8th May 1917. The Government kan was offered and Thimmegowda is willing to take it and pay the kandayam to be fixed by the Settlement Officer. Kandayam he pays for his kan is at the rate of 2 annas and odd per acre. This rate was fixed ages ago and the rate I now think reasonable at the present time is thrice that rate, *i.e.*, 6 annas per acre. The remaining Government kan shall be given to the Khatedar and an additional kandayam of 6 annas per acre be recovered from them. (4) In survey No. 40, Burmegowda has a private kan of 53 acres 1 gunta and the rest 17 acres 27 guntas is Government kan. He is willing to take this also It will be handed over to him and a kandayam of three annas per acre on 17 acres and 27 guntas shall be recovered from him. (5) Survey Nos. 41, 42, 43 and 44 are coffee lands in the holding of Manjappagowda and another being private property. They are excluded from the forest. (6) Survey No. 12 is a cultivation land and the line passes in that land. It is also excluded. (7) Survey No. 45 is cut up so inconveniently by the location of coffee lands (survey Nos 41 to 44) in the middle that it is not possible to include it in the forest. Even if it is to be taken, only a small narrow strip is left after leaving cultivation margin which is not worth the trouble. (8) The narrow strip out of survey No. 36 to the right of Survey Nos. 37, 38 and 39 also cannot be taken as it becomes an isolated bit after giving up survey Nos. 37, 38, 39 and 40.	

No. R. 13794-7—Ft. 196-19-2, dated 17th June 1920.

B.—Register of claims to lands, rights to forest produce or easements in the proposed Ubbur Block State Forest, in Tirthahalli Taluk.—*contd.*

Serial No.	Names of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision, if any, of Court of Appeal and Settlement
1	2	3	4	5	6	7	8
			(6) Survey No. 45—117 acres, 34 guntas Government coffee waste. These are then absolute property of them as far as kan rights are concerned. Soppinbetta only a small portion taken may also be left for them. These kans contains water sources which irrigate the bagayat lands to the east of the said survey numbers They get all the agricultural implements in these lands, their garden lands will have no value unless these kans are also given to the purchasers.			(9) The result is that the line will run along the western boundary of the village of Hemmakki.	
11	Burmegowda on behalf of self.	27-3-18	States that he own a kan of 58 acres 1 gunta in survey No 40 of Hemmakki and the remaining portion is 17 acres 27 guntas and he is willing to take the latter and ready to pay the kandayam to be fixed by the forest settlement officer.	...	..	....	
12	(1) Thimmegowda *bin* Tirumalegowda. (2) Subbegowda *bin* Namagowda, Patel through Chennappagowda for the above villagers of Sindu valli.	17-3-18	Represents that the line runs through survey No. 64—97 acres 30 guntas, 48 acres 35 guntas is a private kan in the khate of Venkataramanah and 5 others. All the six enjoy it It is not known where this kan is situated and it is undefined. Of survey No. 63 (48 acres 1 gunta) 21 acres is kan in possession of Chennappagowda and Venkataramiah. Rest is Government kan. Survey No. 62 (2 acres and 18 guntas) is a coffee land in his possession for the last 5 years. It was given to him for completing this defective area for 40 acres of coffee land granted to his father Survey No. 59 (29 acres 10 guntas) is fully in his possession as coffee land for the last 30 or 35 years. Of survey No. 55 (64 acres 1 gunta) 48 acres belong to Manja *bin* Sesha Rest is Government kan. Survey No 50 is coffee waste, is in his possession and he wish, to grow coffee. These also after taking permission of Government. He is not willing to give it away for the forest. There are water sources in these lands and should be excluded from the forest.			(1) Survey No. 50 is wholly a private holding and it should be excluded. (2) In survey No. 51 (area 152 acres 26 guntas) 122 acres and 20 guntas are an undefined kan in the holding of Shama Rao. The rest, *i.e.*, 30 acres 6 guntas is Government kan, as he is willing to take the Government kan also, it will be given over to him and an annual fee of three annas per acre on the Government kan will be levied from him. (3) The Government kan of 16 acres and 1 gunta in survey No. 55 will be handed over to Thimmegowda *bin* Tirumalegowda's family as they are the purchasers of the private undefined kan in the khate of Manja *bin* Seshappa and an annual fee of three annas per acre be levied for the said Government kan. (4) Survey No. 59 (area 29 acres 10 guntas) is a private holding and it shall be excluded. (5) The line cuts across the private holding, survey No. 62 and it is therefore excluded. (6) The marginally noted six persons own a kan of 48 acres 35 guntas. (1) Venkataramaniah *bin* Krishniah. (2) Do (3) Dharma *bin* Chenna (4) Thimaiah *bin* Javiah (5) Bhima Rao *bin* Ranga Rao. (6) Venkataramaniah *bin* Krishniah, In survey No. 64 and the rest, *i.e.*, 48 acres 35 guntas is Govt, kan. The latter also will be handed over to them and an annual fee of 3 annas per acre on Government kan be levied from them.	

No. R. 13794-7—Ft. 196-19-2, dated 17th June 1920.

He pays 12 annas for it. Rest is Government kan. It is undefined kan of survey No. 8 (acres 145 guntas 3) 72 acres 22 guntas belongs to Bommegowda *bin* Puttegowda, rest is Government kan, of survey No. 4 (141 acres 29 guntas) 61 acres 28 guntas belongs to Krishna *bin* Rama, a minor of whom he is the guardian. Rest is Government kan. It should be left for the village and he is willing to take that Government kan also and pay the kandayam fixed by the Forest Settlement Officer.	...	.....	In survey No. 9 there is an undefined private kan of 12 acres and 30 guntas in the Khate of Bommegowda *bin* Puttegowda clubbed together with a Government kan of 38 acres 8 guntas. The same Khatedar holds another undefined kan of 72 acres and 12 guntas in survey No. 8 clubbed together with a Government kan of 72 acres and 21 guntas. One Vedayya, the undivided cousin of the Khatedar, says that the latter is absent in Shimoga having gone there for a civil suit and agrees to take the Government kan. It will be handed over to the Khatedar and an annual fee of annas three per acre will be levied for the Government kan. (2) There is an undefined kan of 61 acres and 28 guntas in survey No. 4 in the holding of Krishnayya in Rama a minor clubbed together with a Government kan of 80 acres and 1 gunta. The minor's guardian Thimmegowda deposes before me that he is willing to take up Government kan and pay the assessment or annual fee. He will pay an assessment of three annas per acre of the Government kan which will be handed over to him for enjoyment as kan.	...
15	Vedayya, a resident of Kulavdi.	27-3-18	Represents that Bommegowda *bin* Puttegowda who is the Khatedar of kan survey Nos. 8 and 9 of Halaga village is my undivided brother. They own 72 acres and 22 guntas of kan in survey No. 8, and 12 acres and 30 guntas in survey No. 9. He is willing to take the remaining portions of kan in those numbers and ready to pay the kandayam fixed by the Forest Settlement Officer.	...	.....	.....	...
16	(1) Thimmegowda *bin* Gopalagowda. (2) Subbegowda *bin* Manjegowda. (3) Ellappagowda *bin* Devappagowda. (4) Mallegowda *bin* Thimmegowda (5) Venkategowda *bin* Thimmegowda through Bommegowda for the above villagers of Kalavdi.	17-3-18	Represents that survey No. 25 is his coffee land in the possession of his family for a long time. Survey No. 25 is Kollamma's for a long time. Survey No. 28 was formerly Jugiah's, but now Veerappa *bin* Seshayya's of survey No. 29 (199 acres 36 guntas) 147 acres 26 guntas is a kan belonging to Veerappa *bin* Seshayya. Kandayam is Rs. 9½. Rest is Government kan. Survey No. 30 (1 acre 33 guntas)	...	.....	There is an undefined kan of 147 acres 26 guntas belonging to one Veerappa *bin* Seshayya clubbed together with a Government kan of 52 acres 10 guntas. This will also be given to the Khatedar and an assessment of three annas per acre be levied from him annually as he agrees to take it. (2) Survey No. 30 being a cultivation land, it is to be excluded. (3) Kollamma *Kom* Krishnaiya holds an undefined kan of 93 acres 1 gunta in survey No. 27 and it is clubbed with 101 acres and 10 guntas of Government kan. The latter will be given away on kan tenure, to her and a fee of annas 3 per acre of Government kan will be recovered from her annually.	...

No. R. 13794-7—Ft. 196-19-2, dated 17th June 1920.

B—Register of claims to lands, rights to forest produce or easements in the proposed Ubbur Block State Forest in Tirthahalli Taluk—*contd*

Serial No.	Names of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer.	Brief abstract of decision, if any, of Court of Appeal and Settlement
	2	3	4	5	6	7	8
			belonging to Thimma *bin* Ella. Water source in these lands now proposed for forest is necessary for them.			(4) Survey No. 25 being a coffee land in the holding of Bommiah *bin* Puttiah, it is excluded. (5) Survey No. 21 Government land is too narrow in the midst of other private kans and it is practically useless for the forest.	
17	Veerappa, son of Seshia, a resident of Mattigaru Majre to Kulavdi.	28-3-18	States that he is willing to take 52 acres 10 guntas of kan in survey No. 29 of Kulavde and pay the kandayam fixed by the Forest Settlement Officer.	...	.....	.....	...
18	Kolliah, son of Ramakrishniah, resident of Iravatti Majre to Kulavdi.	1-4-18	States that Kollamma, the Khatedar of kan of 93 acres 1 gunta in survey No. 27 of Kulavdi is his sister's daughter. She is now under his protection. He is willing to take Government kan of 101 acres 10 guntas and ready to pay the easy Kandayam to be fixed thereon. Kollamma is willing to take the Government kan.	...	.....	.....	...
19	Mallegowda, Patel of Singanbidre, on behalf of the villagers.	17-3-18	Represents that out of survey No. 42, 69 acres 8 guntas 29 acres 8 guntas is kan belonging to Thimmanna *bin* Neela Naik. Rest is Government kan. He enjoys kan rights over the whole of survey No. 41 (73 acres 14 guntas) 47 acres 30 guntas is a kan belonging to Thimmanna *bin* Thammayya. Survey No. 40 (14 acres 27 guntas) is coffee land belonging to Manjappa *bin* Thimmayya. This is in his possession for the last 30 years. Survey No. 39 is his kan fully and pay 8 annas for it. Survey No. 38 (5 acres) coffee land of Thimmiah *bin* Subbayya and is in his possession for 25 years or so. Survey No. 37 is Government banzar kan; Survey No. 35 (654 acres 0 guntas) is a kan in the khate of Kadappa and another. Survey No. 24 is a bagayat and (4 acres 11 guntas) Venkataramaniah's for the last 30 years, see the khate kans should be left. No Kardabena (land for Kardagrass) for this village. Survey No. 36 (Ellappagowda's) is included in the forest and is a bagayat (area).	...	.....	An undefined kan of 527 acres 5 guntas in the holding of Kadappa *bin* Subraya is clubbed together with a Government kan of 24 acres 35 guntas in survey No. 35. The Khatedar is willing to take the Government kan and pay on assessment fixed. It will be given to him and an annual fee of annas 8 per acre thereon will be levied from him. (2) Survey Nos. 38, 39, 40 and 36 being cultivation lands will be excluded. (3) A private kan of 47 acres 30 guntas in the holding of Thimmanna *bin* Thammiah is clubbed together with a Government kan of 25 acres 24 guntas in survey number 41 as he is not willing to take the Government kan, it will be taken for the forest. His kan will be demarcated by the Forest Department towards the eastern portion of the said survey number and the cost of so doing recovered from him. (4) In survey No. 42, a private kan of 29 acres, 8 guntas belonging to Thimmanna *bin* Neela Naika is clubbed with 34 acres of Government kan. The private kan is in the possession and enjoyment of Giddegowda *bin* Mallegowda who is not willing to take the Government kan which can therefore be included in the forest. But the proposal by the Forest Department takes only a small portion of that number as the Forest Settlement Officer has no power to add more than the proposed extent. (5) Survey No. 37 is a Government banzar after excluding a portion of it, to give cultivation margin to survey No. 38, the rest of it is included in the Forest. *N.B.*—The cart-tracks allowed in this decision are available for men, cattle and carts throughout the year and the footpaths referred to in the decision for men and cattle only throughout the year.	...
20	Channappagowda, resident of Keegodi.	...	States that he is in the possession and enjoyment of kan of 47 acres and 30 guntas of	...			

No. R. 13794-7—Ft. 196-19-2, dated 17th June 1920.

T CHOKKANNA,
Forest Settlement Officer in Mysore

Forest Settlement.

No. R. 14110-13—Ft. 172-19-4, dated 24th June 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

READ—

Government Notification No. 2203—Ft. 54-17-2, dated 27th August 1917, issued under Section 4 of the Forest Regulation in the matter of the proposed constitution of the Kudi Forest Block in the Shimoga Taluk as a State Forest.

2. Correspondence ending with letter No. 3206, dated 17th May 1920 from the Revenue Commissioner in Mysore forwarding the *records of settlement effected by Mr. M. S. Ramachandra Rao, Forest Settlement Officer and recommending the issue of the final notification in the matter, as the Conservator of Forests has agreed to the settlement and as there has been no appeal to the Deputy Commissioner against the Forest Settlement Officer's decision.

(B. and C, registers printed as accompaniments.)

Order No. R. 14110-13—Ft. 172-19-4, dated 24th June 1920.

The settlement effected by the Forest Settlement Officer is approved. The notification under Section 17 of the Forest Regulation, constituting the block a State Forest with effect from 1st August 1920, will be published in the Gazette.

2. The assessment on the marginally noted assessed waste lands which are included in the block will be written off the accounts.

3. The Deputy Commissioner, Shimoga District is requested to duly promulgate the boundaries of the block in the villages concerned.

Gudur village

NOTIFICATION.

No. R. 14114—Ft. 172-19-5, dated 24th June 1920.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under the provisions of Section 17 of the Forest Regulation (XI of 1900), that from 1st July 1920, the area, the boundaries of which are set forth in the schedule annexed to this notification shall be deemed to be a "State Forest" subject to the exercise of rights specified at foot thereof :—

SCHEDULE.

District	Taluk	Approximate area	Name of block	Boundaries
Shimoga	Kumsi Sub-Taluk.	A. G. 6742-33 or 10·53 square miles	Kudi	*North.*—Starting from a point on the left bank of the Kumadvathi river about 13 chains south-west from the north-west corner of survey No. 20 of Sudur, the line runs east for about 13 chains through survey No. 16 of Sudur to the south-west corner of survey No. 20; then along its south side to its southernmost corner;

hen slightly north-east for about 12 chains through survey No 16 to the southernmost corner of survey No. 17, then along its south side to its south-east corner, then slightly north-east for about 5 chains through survey No 16 to a point on the high road leading from Nagar to Shimoga about 6 chains south-east from the north-east corner of survey No 17; then along the said high road for about 104 chains through survey Nos. 16 and 11 of Sudur to the tri-junction bhands of Sudur, Chikmath and Galigekola

East.—Then the line runs south-east for about 17 chains along the common boundary between Chikmath and Galigekola to a point about 11 chains north-west from the north-west corner of survey No 36 of Galigekola, then south for about 18 chains through survey No. 1 Chikmath to a point about 7 chains south west from the north-west corner of survey No. 35 of Galigekola, then south-east for about 19 chains through survey No 1 of Chikmath to a point about 10 chains south-east from the tri-junction bhands of Chikmath. Galigekola and Chinmane, then south-west for about 41 chains along the western boundary of survey No 2 of Chikmath to the north-western corner of survey No 17 of Chikmath, then south-west for about 33 chains through survey No 1 of Chikmath to the north west corner of survey No 44 of Dodmath, then north-west for about 11 chains along the common boundary between Chikmath and Dodmath to a point about 10 chains north-west from the westernmost corner of survey No 44 of Dodmath, then south-east for about 20 chains through survey No. 42 of Dodmath to a point about 5 chains south-west from the south-west corner of survey No 45, then south-east for about 26 chains to the north west corner of survey No 41 then, along its west side to its south-west corner, then south-east for about 20 chains through survey No 42 to a point on the common boundary between Dodmath and Adinakotige about 10 chains south-west from the south-west corner of survey No. 31 of Dodmath, then south-east for about 20 chains through survey No 17 of Adinakotige to the north-west corner of the katte situated on the west side of survey No. 18 of Adinakotige, then along its west side of the said katte to its south-west corner, then south-east for about 26 chains through survey No 17 to a point on the common boundary between Adinakotige and Kudi about 6 chains south-west from the south-west corner of survey No. 11 of Adinakotige, then south east for about 26 chains through survey No 34 of Kudi to a point about 7 chains south-west from the south-west corner of survey No 36 of Kudi, then north-east for about 7 chains through survey No 34 to a point about 5 chains south east from the south-east corner of survey No 36, then south-east for about 13 chains through survey No 34 to a point about 6 chains south-west from the south west corner of survey No 22, then,south-west for about 5 chains through survey No. 34 to a point about 7 chains north-west from the western most corner of survey No. 23, then south-east for about 13 chains through survey No 34 to a point about 5 chains south-west from the westernmost corner of survey No 25, then south-east for about 20 chains through survey No 34 to a point about 7 chains south-east from the north-east corner of survey No 28, then south-east for about 5 chains through survey No 34 to a point about 6 chains north-west from the south-west corner of survey No 28, then south-east for about 14 chains through survey Nos 34 and 31 to a point about 5 chains south-west from the south-west corner of survey No 30, then south-east for about 12 chains through survey No 31 to a point about 6 chains south east from the south east corner of survey No 30, then north-east for about 4 chains through survey No 31 to a point about 5 chains south-east from the south-east corner of survey No 30, then north-east for about 11 chains through survey No 31 to a point about 11 chains north-east from the north-east corner of survey No 30, then north-east for about 26 chains through survey No. 31 to a point about a chain north-east from the south-east corner of survey No 9, then north-east for about 16 chains along the common boundary between Kudi and Thammadihalli to the south-west corner of survey No 49 of Thammadihalli, then north-east for about 14 chains along the southern boundary of survey No 49 to a point about 5 chains south-west from its south-east corner, then south-east for about 22 chains through survey No 36 of Thammadihalli to a point about 9 chains south-west from the south-west corner of survey No 37, then south east for about 21 chains through survey No 36 to the south west corner of a katte situated at the west of survey No 34 and south of survey No 30, then along the south and east side of the said katte to a point about 5 chains south-east from the south-west corner of survey No 25, then slightly north-east for about 11 chains through survey No. 36 to a point about 5 chains south-east from the southernmost corner of survey No. 25, then north-east for about 14 chains throughsurvey No 36 to a point about 6 chains south from the south-east corner of survey No 25, then east for about 5 chains through survey No. 36 to a point about 6 chains west from the south-west corner of survey No 27, then south-east for about 7 chains through survey No 36 to a point about 5 chains south-west from the south-west corner of survey No 27 of Tavarekoppa, then south-east for about 9 chains through survey No 26 of Tavarekoppa to a point about 5 chains south-west from the south-east corner of survey No 27, then south-east for about 10 chains through survey No. 59 of Shirigere to a point about 5 chains south-west from the westernmost corner of

survey No. 54 ; then south-east for about 13 chains through survey No. 59 of Shirigere to the westernmost corner of survey No. 55 (tank) ; then along its west and south side of the said katte to its south-east corner ; then south for about 2 chains through survey No. 59 to a point about 5 chains south from the south-west corner of survey No. 56 ; then south-east for about 10 chains through survey No. 59 to a point about 5 chains south-west from the south-east corner of survey No. 56 ; then north-east for about 6 chains through survey No. 59 to a point about 5 chains south-east from the south-east corner of survey No. 56 ; then south-east for about 60 chains through survey No. 59 of Shirigere to a point on the common boundary between Shirigere and Manjarekoppa about 36 chains south-east from the south-east corner of survey No. 27 of Shirigere ; then south-east for about 26 chains along the common boundary between Shirigere and Manjarikoppa to the north-east corner of survey No. 60 of Shirigere.

South.—Then south-west, north-west, south-west and north-west, the line runs along the northern boundary of survey No. 60 to its north-west corner ; then south-west for about 151 chains along the common boundary between Shirigere and Tavarekoppa to the south-west corner of survey No. 60 of Shirigere ; then south, south-east, south-west and south-east for about 114 chains along the common boundary between Tavarekoppa and Mallesankar State Forest to the tri-junction bandhs of the said village and forest with Aravelli; then south and south-west for about 21 chains along the common boundary between Tavarekoppa and Aravelli to the tri-junction bandhs of the said 2 villages with Thammadihalli ; then north-west and north for about 111 chains along the common boundary between Tammadihalli and Aranelli to the tri-junction bandhs of the said 2 villages with Kudi ; then north-west for about 110 chains along the common boundary between Kudi and Aranelli to the tri-junction bandhs of the said 2 villages with Gubbiga.

West.—Then the line runs north and north-west along the common boundary between Kudi and Gubbiga to the quadro-junction bandhs of the said 2 villages with Adinakotige and Dodmatli ; then west and south-west along the common boundary between Dodmatli tli and Gubbiga to the tri-junction bandhs of the said 2 villages with Harohitlu ; then north-east and north-west along the common boundary between Dodmatli and Harohitlu to the tri-junction bandhs of the said 2 villages with Basavapura ; then north-west, north-east, north-west and north for about 88 chains where the settled line joins the Kumadvathi river and 41 chains by the left bank of the same river along the common boundary between Dodmatli and Sudur on one side and Basavapura on the other side to the starting point.

Remarks.

The following rights of way are admitted within the block for use by men, cattle and carts in case of cart-tracks which are 12 feet in width and for men and cattle only in case of foot-paths which are 6 feet in width and in case of cattle path for men and cattle which are 12 feet in width throughout the year.

I. *Cart-track leading from Chinmane to Dodmatli.*—It enters the forest in the eastern boundary of the block at a point about 8 chains south-east from the north-west corner of survey No. 31 of Chinmane and passes south-west for about 42 chains through survey No. 1 of Chikmatli and quits the forest in the eastern boundary of the block near the north-west corner of survey No. 17 of Chikmatli.

II. *Cart-track leading from Harohitlu to Dodmatli.*—It enters the forest in the western boundary of the block at a point about 18 chains south-east from the tri-junction bandhs of Harohitlu, Basavapura and Dodmatli and goes south-east and north-east for about 87 chains through survey Nos. 43 of Dodmatli, 17 of Adinakotige and 42 of Dodmatli and quits the forest in the eastern boundary of the block at a point about 4 chains south-east from the south-west corner of survey No. 41 of Dodmatli.

III. *Cattle path leading from Adinakotige to Seegehalli.*—It enters the forest in the eastern boundary of the block at a point about 2 chains south-east from the south-west corner of a Katte situated at the western side of survey No. 18 of Adinakotige and passes west for about 18 chains through survey No. 17 of Adinakotige and reaches the said halla.

IV. *Foot-path leading from Aranelli to Tammadihalli.*—It enters the forest in the southern boundary of the block at a point about 30 chains south-east from the tri-junction bandhs of Kudi, Gubbiga and Aranelli and passes north-east through survey Nos. 32 of Kudi and 35 and 36 of Tammadihalli and quits the forest in the eastern boundary of the block at a point about 6 chains south from the southernmost corner of survey No. 34 of Tammadihalli.

V. *Foot-path leading from Harohitlu to Kudi.*—It enters the forest in the western boundary of the block at a point about a chain north-west from the north-west corner of survey No. 31 of Kudi and passes east and north-east for about 86 chains through survey

No. 34 of Kudi and quits the forest in the eastern boundary of the block at a point about 6 chains north-west from the westernmost corner of survey No. 25 of Kudi.

VI. *Foot-path leading from Aranelli to Tammadihalli.*—It enters the forest in the southern boundary of the block at a point about 39 chains north-west from the tri-junction bandhs of Tavarekoppa, Aranelli and Mallesankar State Forest and passes north for about 67 chains along the settled demarcation line and 75 chains through survey No. 35 of Tammadihalli and joins the foot-path No. IV *supra* at a point about a chain south-east from the north-west corner of survey No. 35 of Tammadihalli.

VII. *Foot-path leading from Tammadihalli to Shirigere.*—It branches from No. 4 *supra* at a point about 49 chains south-west from the south-west corner of survey No. 26 of Tavarekoppa and passes south-east, south-west and south for about 113 chains through survey Nos. 36 of Tammadihaili and 25, 24 of Tavarekoppa, and quits the forest in the southern boundary of the block at the south-west corner of survey No. 60 of Shirigere.

VIII. *Foot-path leading from Mallesankar to Shirigere.*—It enters the forest in the southern boundary of the block at a point about 50 chains north-east from the tri-junction bandhs of Shirigere, Mallesankar and Mallesankar State Forest and goes north-west and north-east for about 38 chains through survey No. 59 of Shirigere and quits the forest in the eastern boundary of the block at a point about 5 chains south-west from the south-east corner of survey No. 56 of Shirigere.

IX. *Foot-path leading from Mallesankar to Tavarekoppa.*—It enters the forest in the southern boundary of the block at a point about 46 chains north-east from the tri-junction bandhs of Shirigere, Mallesankar State Forest and Mallesankar and passes north-west and north for about 77 chains through survey Nos. 59 of Shirigere and 26 of Tavarekoppa and quits the forest in the eastern boundary of the block at a point about 5 chains south from the south-west corner of survey No. 27 of Tavarekoppa.

X. *Foot-path leading from Mallesankar to Manjarikoppa.*—It enters the forest in the southern boundary of the block at a point about 26 chains north-west from the tri-junction bandhs of Shirigere, Manjarikoppa and Mallesankar and goes north-east for about 39 chains through survey No. 59 of Shirigere and quits the forest in the eastern boundary of the block at a point about 29 chains south-east from the south-east corner of survey No. 27 of Shirigere.

Concessions.

The villagers of Tammadihalli, Tavarekoppa and Shirigere are allowed to graze their cattle free in the proposed State Forest and the right of taking dry fuel, free wood for jaggory boiling, wood for agricultural implements (not indiscriminately but on free permits to be issued by the Forest Department.)

No. R. 14110-13—Ft. 172-19-4, dated 24th June 1920.

B—Register of claims to lands, rights to forest produce or easements in the proposed Kudi Block State Forest in the Nagar Taluk—*contd.*

No.	Names of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision, if any, of Court of final appeal and settlement
1	2	3	4	5	6	7	8
1	Madhava Rao, Patel of Kudi, on behalf of the villagers.	21-3-19	Represents that this village is a bechirak one, and the raiyats reside in Thammadihalli and they get all their agricultural requirements as well as fuel from the proposed reserve. It also supplies the whole of the Ayanur Magani. They pray for the concessions in the matter of fuel and agricultural requirements as well as timber.	...	This is an abandoned village with no habitation or cattle, and the lands in many of them are not under cultivation. As such, there does not seem to be any necessity of altering the line on the plea brought forward by some that they are going to revive the cultivation in these deserted hamlets. Finally, the idea of detaching the north-esstern projection of the proposed State Forest and making it over to the several villages is to be considered. This small bit contains valuable tree growth, such as matti, honne, dindiga, etc. Several of the villages round about are becharak, and it is *only the distant villagers* of Mandagadde, Chinmane, that do not want to have this bit a State Forest, and as stated already, it is not necessary to take the case of these villages into consideration.	Not recognized.	.....
2	Madhu Rao, Hakdar Patel of Sadar.	21-3-19	Represents that he belongs to Hakdar family, and the only occupied lands of the village, *viz.*, Survey Nos. 1, 3, 8 and 9, total extent 24 acres, 39 guntas are in his holding, his nephew and his cousin. (2) He has no claims in the area proposed to be taken. He, however, intends to darkhast for Survey Nos. 20, 21, 16, 17, etc., and assessed waste Survey Nos. 12—15 may be included in the reserve. (3) The cattle of Chinmane and Mandaghatta graze in the block, Sudar is a bechirak village.	...	See Statement No. 1, Kudi.	As the village is bechirak, there are no direct claimants, but the khatedars who reside in the neighbouring villages have put forward claims to free pasturage and forest produce. As these villagers have sufficient gomal and district jungle of their own; and besides the area available even after the proposed reservation, *viz.*, about 832 acres 39 guntas is very extensive. I see no necessity to make any alteration so far as this village is concerned and accordingly confirm the demarcation line as laid down by the Forest Department. The assessment on the assessed waste lands taken into the block will be written off the accounts and the Revenue Hulbanni will also be reduced proportionately.	.....
3	Karibasappa, Patel of Chikmatli, on behalf of the villagers.	21-3-19	Represents that this is a bechirak village, only 4 numbers, 6, 7, 11, 12, covering an aggregate area of 35—39 are under occupancy. The remaining lands are all banjar. The cattle of Mandagatta, Dodmatli and Adagude graze in the area proposed to be reserved, 7 and 11 are Patel Umbli lands, 6 and 12 are Sirkar lands. These numbers have been cultivated in recent years. They are kept banjar for the sake of grazing. There is a cart track from Chinmane to Dodmatli and that the same may be left for their use.	...	Do *vide* Statement No. 1, Kudi.	The only two Gomal lands of this, *viz.*, 1 and 2 covering an aggregate area of 716—37, are proposed to be taken for the forest. There is a very strong feeling against the reservation of Survey No. 2 and the adjoining Survey No. 6 of Dodmatli village which together form a narrow arm projecting eastwards from the block. The total extent of these two numbers is 344—16. Although it contains a good forest growth, it is mostly of the reserved species which the raiyats cannot touch even if the area continues to be a district jungle. The Forest Department will not therefore lose much if this bit is excluded, while to the raiyats of all the neighbouring villages, it will give widespread satisfaction. Moreover, being Gomal numbers, they should not *prima facie* have been proposed for reservation. Lastly, if this bit is excluded, it will have the effect of making the block a compact one. For these reasons, I direct that Survey No. 2 of Chikmatli and 6 of Dodmatli be excluded.	.....

No. R. 14110-13—Ft. 172-19-4, dated 24th June 1920.

B.—Register of claims to lands, rights to forest produce or easements in the proposed Kudi Block State Forest in Nagar Taluk—*contd.*

Serial No.	Names of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision, if any, of Court of Final Appeal and Settlement.
1	2	3	4	5	6	7	8
						The usual cultivation margin will be allowed by the side of survey Nos. 36 and 35 of Gangakola and 31 of Chinmane which abut on the block and the line will be shifted about 5 chains as shown in the sketch. The cart-track 12 feet wide from Chinmane to Dodmathi passing through survey No. 1 of Chikmathi will be allowed for the use of men and cattle throughout the year.	
4	Lingappa, patel of Dodmathi on behalf of the villagers	21-3-19	Represents that there is a lot of assessed waste lands adjoining the bit of the block to the north-east of their village. It is close to their village. All their cattle as well as the cattle of Adagadde and Mandagathi graze in this area, and they pray that the whole of the reserve to the north of their village including survey No. 2 of Chikmathi village be excluded. The portion of the block to the east of their village runs too close to their cultivated lands. The line may be shifted and sufficient gomal left for their cattle sufficient lands may also be left for their obtaining agricultural requirements. There is a cart-track to Harohithlu which should be left for their use.	...	These are small villages having fewer requirements. They have got extensive district forests and it does not seem to be necessary if these people really require any concession	The third affected village is Dodmathi which contains 24 houses, 67 population and 104 cattle. The existing gomal and district jungle of this village comes to 1135-31 consisting of 532-32 kharab and 602-39 gomal out of which the whole of the kharab and the whole of gomal survey No. 6, 69 acres 22 guntas and part of gomal survey No. 12, *viz.*, 334-32 are proposed to be taken. The villagers want survey No. 6 to be excluded, the usual cultivation margin to be left by the side of occupied fields and sufficient gomal and district jungle left for meeting their domestic and agricultural requirements. I allow the request in respect of survey No. 6 for reasons already given when discussing the case of Chikmathi. The Range Forest Officer has entered a mild demur against the exclusion but as I said the loss to the Forest Department is insignificant and *prima facie* they have no superior claim to the bit being gomal land, while the gain in the shape of universal satisfaction to all the neighbouring villagers is immense. The remaining jungle will be 257-19 of gomal not to speak of 74-7 of assessed waste and about 15 acres which will be released by shifting the demarcation line in the east as shown in the sketch about 5 chains to allow the usual cultivation margin by the side of survey Nos. 11 and 45 which are under occupancy. Thus I consider ample for the pasturage of the 104 head of cattle in the village. It should also suffice for meeting their domestic and agricultural requirements, since I found in the course of my inspection that the area was well wooded. As regards seebu, green firewood required for jaggery boiling and timber, I shall consider the case of all these collectively in the end. The cart-track from Harohithlu to this village 12 feet wide is allowed for the use of men and cattle throughout the year.	...
5	Era, residing at Thammadihalli and a representative on behalf of the villagers.	21-3-19	States that they have got no district jungle except the proposed reserve. They get all their timber and agricultural requirements from this reserve. They pray that the portion as far as the Seegahalla may be excluded and they pray that they may be allowed to take timber at half the seigniorage rates according to the Malnad rayats' privileges and also to take seebu free, as well as to take green firewood required for boiling jaggery. They pray for the demarcation line to be shifted far from cultivated lands. They want free grazing. If these concessions are given to them,		These villagers demand free grazing, free removal of wood for agricultural implements, green fuel for jaggery boiling and removal of timber under concession rates. Free removal of wood and fuel may be allowed but the quantity must be definitely fixed. As regards free grazing there is sufficient extent of gomal if we are to apply the rule of 30 acres per 100 cattle, but since these malnad people have been enjoying the right of grazing their cattle paying nominal hulbanni grazing inside the proposed state Forest in their jurisdiction may be allowed by paying half the	This is the largest and most important of the affected villages containing 130 houses with a population of 473 and 402 heads of cattle. The area left to the village after the proposed reservation is 350 of gomal 191-1 of kharab and 7-39 of assessed waste which is hardly sufficient for this large and populous village. The villagers pray that the portion as far as the Seegahalla may be excluded or in the alternative they may be given the concession of free grazing and the perpetuation of all the concessions they are enjoying under the privileges rules. The former course would take away too large an area and disfigure the block and is otherwise inacceptable. So I am disposed to agree to the latter alternative with certain limitations, *viz.*, that the villagers be allowed the concession of grazing their cattle free and the right of taking dry fuel, green wood for agricultural implements not indiscriminately but on free permits to be issued by the Forest Department according to the requirements of each	...

No. R. 14110-13—Ft. 172-19-4, dated 24th June 1920.

B.—Register of claims to lands, rights to forest produce or easements in the proposed Kudi Block State Forest in Nagar Taluk—*contd.*

Serial No.	Names of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision, if any, of Court of Final Appeal and Settlement.
1	2	3	4	5	6	7	8
			the whole of the forest may be taken. They want permission to remove wood required for agricultural implements free.		usual rates. Regarding the removal of timber as the idea of reservation is to conserve the forest and put a stop to unmethodical and promiscuous cutting of timber, The villagers will have to forego the concession of getting timber at reduced rates.	individual applicant of course in the district jungle they can bring these articles without any restriction. The right of taking timber from the proposed State Forest at concession rates under the Privileges Rules cannot be admitted since it would defeat the object of reservation. Sufficient District Forest has been left in each of the affected villages from which the raiyats can draw their supplies. If and when it is shown that the materials are not available in them, the Deputy Commissioner may recommend the grant from the nearest State Forest on the authority conveyed in para 3 of the Government Order No. 1702-7—Ft. 40-14-3, dated 27th August 1914, page 81 of the Forest Manual. The Range Forest Officer proposes that concession in the matter of pasturage may be given in the shape of levying half the usual fee. But considering that the demarcation line runs quite close to the village and practically the whole of the gomal of the village is taken away, I am disposed to excuse the fee altogether. The other concessions are in accordance with his suggestion and have been agreed to by him. The line will be shifted about 5 chains further away to allow the usual cultivation margin as shown in the sketch.	
6	Bhima Rao, patel of Tavarekoppa, on behalf of the villagers.	21-3-19	States that if they are allowed all the rights and privileges they are now enjoying under the Malnad Raiyats Privileges Rules as well as the right of free grazing, they have no objection to the whole of the block being reserved.	..	*Vide* Statement No. 5, Thammadihalli.	The case of this village is very similar to that of Thammadihalli and for the same reasons I allow them all the concessions I have shown in the case of Thammadihalli village. In the case of this village, I find that survey Nos. 24 25 and 26 are shown in the paksha as belonging to the Mallesankar State Forest. The khetwar however does not contain corresponding entries, I was not able to ascertain the aid of the records brought by the Deputy Amildar and the Ranger to the camp what the facts are. If they have already been included in the Mallesankar State Forest they will be excluded now and the demarcation line shifted accordingly. *N. B.*—A reply has been received from the District Forest Officer, Shimoga, to say that these lands have not been included in the Mallesankar Forest.	...
	Veerappa, patel of Lirigere, on behalf of the villagers.	21-3-19	States that a good portion of the only gomal land remaining to their village has been taken to the forest and they pray for its exclusion or if this is not possible they may be given free grazing. They also pray that the privileges they are now enjoying under the privileges rules may be continued.	...	*Vide* serial No. 5, Thammadahalli.	A substantial portion of the only gomal land remaining to the village, *viz.*, 102 acres, 2 guntas, out of 538-32 will be taken away leaving to the villagers only about 136 acres 30 guntas. There is no kharab available. The line runs close to the village. The case of this village is hardly distinguishable from those of Thammadihalli and Tavarekoppa. So I allow them the same privileges in the matter of free grazing and agricultural and domestic requirements as in the case of those two villages.	...
	Lingappa, patel of Adinakotagi, on behalf of the villagers.	21-3-19	States that this is a becharak village at present. Two years ago it was in a flourishing state. Even now they have not relinquished their claims to the village sites but are paying mohatarfa. Their cattle will have to drink water in the Seegahalla. They pray that the portion as far as the Seegahalla may be excluded.	. .	*Vide* serial No. 1 Kudi.	Adinakotagi and Kudi, the two remaining villages are becharak and the khatedars reside in the neighbouring villages whose cases have already been considered. So there is no need to consider the case of these two villages separately. The usual cultivation margin will be allowed by the side of survey Nos. 35, 36, 23-26, 29 and 30.	...

No. R. 14110-13—Ft. 172-19-4, dated 24th June 1920.

B—Register of claims to lands, rights to forest produce or easements in the proposed Kudi Block State Forest in Nagar Taluk—*contd*

Names of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision if any of Court of Final Appeal and Settlement
2	3	4	5	6	7	8
		The principal khatadar of the village is Venkatakrishnappa who pays a kandayam of Rs 200 for the village The cattle of this village are at present in the surrounding villages Gavatacharu in Dodmath etc Sufficient lands should be left for their cattle				
Venkatakrishnappa, Landholder residing at Avinur	21 3 19	States that he owns lands in Doddmath Adivikotagi Kadi Thammadehalli, Tavarekoppa Sirugere and Sudur and pays about Rs 1 300 kandayam and his cattle are 200 in all and prays for sufficient gomal be left for the use of his cattle and sufficient lands be left for his rights to obtain their agricultural implements			*Vide* decision relating to the above villages concerned	
Kariabasappa Patel of Mandagatti on behalf of the villagers	22 3 19	States that the cattle of their village as well as those of Chinmane grazing in Chikmath jungle as they have not enough lands in their village and they take firewood and agricultural requirements also from the proposed reserve and they pray that Chikmath jungle be excluded		The five villages have extensive district forests and gomal lands of their own adjoining the Lundini district forest and their case need not be taken into consideration	Chinmane Mandigatta and Govatacharu are some of the adjacent villages which have not contributed any lands to the proposed reserve but which are indirectly affected Till now they were grazing their cattle they enjoyed in the proposed reserve, and exercising all other rights without any distinction and they want the privileges of which it would be more correct to call license to be perpetuated This is plainly impossible	
Channabasappa, Patel of Chinmane on behalf of the villagers	22 3 19	States that their cattle graze in the proposed reserve and they are exercising certain privileges by taking seeds firewood wood required for agricultural implements free and they pray that these concessions be continued	As above		It is a well understood rule that these privileges should only be exercised by the people of the village to which the lands are assigned They have produced no evidence to show that any lands in the proposed block have been specifically assigned to them If they have been exercising their rights in the past it must be either clandestine or by sufferance and in ignorance of the limits of their rights In either case the right is not supported by authority and I accordingly reject the claim	
Kamalsabavar of Gavatacharu and a representative chosen by the villagers	22-3 19	States that their cattle graze in the proposed area and they pray that sufficient lands be left for them and the facilities be given for them to obtain fuel and other agricultural requirements Timber should be given at concession rates	*Vide* serial No 1 Doddmath		The following rights of way and right to water are admitted within the block (1) Cart track 12 feet wide for men and cattle all the year round passing from Chinmane to Doddmath passing through survey No 10 Chikmath (2) Similar cart track from Harobatlu to Doddmath passing through survey Nos 42 and 43 of Doddmath (3) Cattle path 12 feet wide for men and cattle to go to Seggahalla to drink water passing through 17 of Adimukotige as shown in the sketch (4) Foot path 6 feet wide from Amalli to Thammadimalli passing through survey No 32 of Kudi 5) Another foot path of same dimensions in the same village passing from Harohalli to Kudi passing through survey No 34 (6) Foot path 6 feet wide from Amelli to Thammadihalli passing through survey Nos 35 and 36 Thammadihalli (7) Foot path 6 feet wide from Thavadehalli to Sirigeri passing through survey Nos 25 and 24 of Tavarekoppa (8) Foot path 6 feet wide from Mallesankai to Sirigeri and another	

No. R. 14110-13—Ft. 172-19-4, dated 24th June 1920.

B—Register of claims to lands, rights to forest produce or easements in the proposed Kudi Block State Forest in Nagar Taluk—*contd.*

Serial No.	Names of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision, if any, of Court of Final Appeal and Settlement

Demand, Collection and Balance Statement of Excise Revenue.

No. R. 13694-704—Ex. 4-19-1, DATED 14TH JUNE 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

READ—

Government Order No. 1054-63—R. 153, dated 24th July 1897, prescribing the form of demand, collection and balance statement of Excise revenue now in use.

Order No. R. 13694-704—Ex. 4-19-1, dated 14th June 1920.

The form of demand, collection and balance statement now in use is too elaborate and requires modification, as some of its columns have become superfluous and unnecessary. Government are therefore pleased to direct that in future the demand, collection and balance statements of Excise revenue be prepared in the form given in annexure 1 of this order and that a register showing the progress in the collection of revenue be maintained in the Taluk and District Excise Offices as well as in the Excise Commissioner's office in the form given in annexure 2 to this Government Order.

B. RAMASWAMAIYA,
Secretary to Govt., Rev. Dept.

To—The Excise Commissioner in Mysore.
The Comptroller to Government.
The Revenue Commissioner in Mysore.
All Deputy Commissioners of Districts

Exd.—C. R.

No. R. 13694-704—Ex. 4-19-1, dated 14th June 1920.

ANNEXURE 1.

MYSORE EXCISE DEPARTMENT.

Mention the date of receipt of Taluk returns in the District Office if they are not received within the prescribed date.

Name of Taluk	Date of receipt	Initial of the D. E. O.

From

The Amildar / Deputy Commissioner

READ—

The following communications from the Presidents of District Boards, forwarding statements showing the progress of Drinking Water Wells during the half-year ended 31st December 1919.

1.	Letter No. Per. 11—L. B. 1920, dated 16th October 1919 and letter No. Per. 11-2—L. B. 19-20, dated 16th January 1920.	From the President, District Board,	Shimoga.
2.	Letter No. Per. L. F. 21-1, dated 25th October 1919, and letter No. C. Per. 21-1, dated 2nd February 1920.	Do	.. Kolar.
3.	Letter No. Per. 12-1—L. F., dated 31st October 1919 and letter No. Per. 12-3—L. F., dated 16th January 1920.	Do	.. Bangalore.
4.	Letter No. Per. 11-1—L. B. of 19-20, dated 5th November 1919, and letter No. Per. 11-2—L. B., dated 30—31st January 1920.	Do	.. Mysore.
5.	Letter No. Per. L. F. 5 of 1920, dated 5th November 1919 and letter No. Per. 5-6 of 19-20, dated 31st January—1st February 1920.	Do	.. Tumkur.
6.	Letter No. Per. 12-2—L. B. of 19-20, dated 10th November 1919 and letter No. Per. 12-3 of 19-20.	Do	.. Kadur.
7.	Letter No. Per. 10-1—L. F. of 19-20, dated 11th November 1919 and letter No. per 10-2, dated 31st January 1920.	Do	.. Chitaldrug.
8.	Letter No. Gc. 521, dated 13th November 1919 and letter No. R. O. C. 341-19—L. F., dated 6th February 1920.	Do	.. Hassan.

Order No. R. 13863-73—L. B. 32-19-35, dated 19th June 1920.

In 1915, Government formulated the Drinking Water Wells Scheme and undertook to provide annually for three years a sum of Rs. 2 lakhs for active prosecution thereof. The sinking of about 3,000 wells was contemplated at a cost of about 11 lakhs of rupees and these were expected to be completed in about 4 years. So far however only Rs. 3,32,397 have been spent and 970 wells completed, while 1,240 wells are said to be under course of construction. The progress achieved has thus not been satisfactory at all.

With regard to the progress during the two quarters under review, a scrutiny of the statement appended to this order shows that very little progress has been made. Not a single well is reported to have been completed in Tumkur, Kolar, Kadur, Chitaldrug and Hassan Districts during the 1st quarter and in Hassan and Chitaldrug Districts during the second quarter, and this is attributed to heavy rains in the Kadur and Tumkur Districts while no special reason is assigned for the same in other districts. Out of a total available allotment of Rs. 3,37,620 only a small sum of Rs. 9,780 has been spent. No expenditure at all was incurred in Hassan District and

in all only 25 wells were completed during the two quarters. With the additional concessions granted in their Order No. 2360-70—L. B. 30-18-5, dated the 16th August 1919, Government expect that strenuous efforts will be made in future to ensure better results.

A report indicating the use made of the Musto's Patent Boring Plant has not been sent in all cases.

No uniformity is observed in submitting the Progress Reports. In the case of Hassan and Chitaldrug Districts the prescribed forms for submitting these reports have not been used. These defects should be avoided and the statements prepared carefully and submitted in proper form in future.

B. RAMASWAMAIYA,
Secy. to Govt., Rev. Dept.

To—The Presidents of District Boards.
The Revenue Commissioner in Mysore.
The Comptroller to Government.
The Chief Engineer in Mysore.

Administration Report of the Minor Municipal Councils.

No. R. 13534—Ml. 103-19-50, dated 7th June 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS

Read—

Administration Report of the Minor Municipal Councils in the Mysore District for the year 1918-19 and the Deputy Commissioner's review thereon.

Order No. R. 13534—Ml. 103-19-50, dated 7th June 1920.

This review relates to the administration of the following 19 Municipalities:—

1. Mandya.
2. Krishnarajapete.
3. Nagamangala.
4. Yedatore.
5. Heggaddevankote.
6. Gundlupet.
7. Chamrajnagar.
8. T.-Narsipur.
9. Malvalli.
10. Nanjangud.
11. Hunsur.
12. Melkote.
13. Ramasamudra.
14. Sargur.
15. Mugur.
16. Bannur.
17. Saligrama.
18. Periyapatna.
19. Talkad.

During the year under review, 3 more Municipal Councils were constituted. These were (1) Ramasamudra which was formerly a portion of the Chamrajnagar Municipality. (2) Sargur and (3) Mugur which were Union Panchayets formerly.

The area of the newly formed Municipalities has not been given. Such omissions should have been avoided as they do not enable Government to arrive at the exact area under the Administration of the Minor Municipal Councils. The population within this area comes up to 64,635.

2. *Meetings and attendance.*—With the exception of Sargur, Mugur and Ramasamudra Municipal Councils, the other Municipal Councils held the prescribed number of 12 meetings. The average attendance of official and non-official members was 2·13 and 3·87 respectively against an average strength of 12 on each Council.

3. *Demand, Collection and Balance.*—The total demand under all heads including arrears amounted to Rs. 79,518 of which only a sum of Rs. 43,970 was collected, leaving thus a heavy balance of Rs. 35,548. Government observe that the Demand, Collection and Balance Statements have not been carefully prepared. The totals have not been entered. Due notice of the conduct of the officials concerned should be taken and instructions issued for accurate figures being furnished to Government in future. In the Municipalities of Mandya, Ramasamudra, Mugur, Saligrama and Hunsur, the collection is very unsatisfactory. The Deputy Commissioner should instruct the Presidents of these Municipal Councils to take prompt steps for the collection of arrears and reduce the balance shown against each of them.

4. *Incidence of taxation.*—The incidence of taxation per head of population was highest in Yedatore, *viz.*, Rs. 2-4-8 and lowest in Mugur, *viz.*, Re. 0-1-6. The revision of the assessment reported to be under consideration in twelve of the Municipalities should be completed early.

5. *Finance.*—The total income and the total expenditure of all the Minor Municipalities in the District for the year under review amounted to Rs. 50,485 and Rs. 51,292 against Rs. 43,832 and Rs. 30,441 respectively in the previous year. The closing balance including arrears at the end of the year was Rs. 81,661. Some of the Municipalities have incurred expenditure beyond their income. Efforts should be made in future to keep the expenditure within the income.

6. *Audit of accounts.*—The local audit staff of the Comptroller's Office audited the accounts of all the Municipalities, except the 3 noted in the margin during the year under review and no serious irregularities were observed.

1. Krishnarajapete.
2. Malvalli.
3. Mugur.

No. R. 13534—ML. 103-19-50, DATED 7TH JUNE 1920.

7. *Vital statistics.*—One thousand three hundred and thirty-seven births and 2,662 deaths were recorded during the year, as against 1,258 and 1,088 respectively in the previous year. Influenza which prevailed in all the Municipalities in a virulent form, and plague, cholera and small-pox which prevailed to a certain extent in some of the Municipalities account for the large number of deaths during this year.

8. *Vaccination.*—The number of persons that were vaccinated during the year was 2,165 as against 1,216 in the previous year, the percentage of successful vaccination being 51·28.

9. *Public works.*—The grant for the year under review on account of public works was Rs. 8,018. The amount actually spent during the year was Rs. 4,781, resulting in a lapse of 40 per cent of the grant. No reasons have been assigned for the lapse. This is unsatisfactory. Efforts should be made to have a defined programme of necessary works drawn up to facilitate the preparation of estimates in the order of urgency.

10. *General.*—The record of work is disappointing and the Presidents of the various Municipal Councils should be requested to see that more attention is paid and better work done in the future.

B. RAMASWAMAIYA,

No. 11742-5—Edn. 193-18-13, dated 14th June 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

Read—

Letter No. 251, dated the 16th June 1919, from the Vice-President, Board of Sanskrit Studies in Mysore, regarding the revision of the scheme of scholarships in the Sanskrit Colleges.

2. Correspondence ending with letter No. 159, dated 23rd January 1920, from the same Officer on the subject.

Order No. 11742-5—Edn. 193-18-13, dated 14th June 1920.

The Vice-President, Board of Sanskrit Studies, states that the scheme of scholarships sanctioned in Government Order No. 3333-45—Edn. 103-15-7, dated the 27th September 1919, does not satisfy the present requirements of the Sanskrit Colleges as the number and strength of the classes in these institutions have since increased, and as also the rates of scholarships are not sufficiently high to attract students. He has accordingly recommended at the instance of the Board that the scheme of scholarships may be revised as shown in the accompanying statement and that a lumpsum grant of Rs. 75 per mensem may be given to the Melkote Sanskrit College for awarding scholarships in the College, High School and Veda Departments. The proposals involve on extra cost of Rs. 614-11-0 per mensem.

2. Government are pleased to sanction the recommendations and to direct that the revised scheme be given effect to from 1st July 1921, necessary provision being made for the purpose in the budget of 1921-22. The scheme should be given wide publicity to in the year 1920-21 in order to attract a good class of candidates.

Admission Fees in the Lower Secondary Schools.

No. 12121-2—Edn. 47-19-18, dated 26th June 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS

Read—

Correspondence ending with letter No. H. C. 747, dated 22nd May 1920, from the Inspector-General of Education, submitting his views in the matter of levying admission fees in the Lower Secondary Schools.

Order No. 12121-2—Edn. 47-19-18, dated 26th June 1920.

Government agree with the Inspector-General in the opinion that students who do not pay fees are apt to be somewhat negligent in the matter of discipline and attendance and that the re-admission fee in the case of pupils who leave school and rejoin without sufficient cause should be heavy.

The Inspector-General of Education proposes the following admission and re-admission fees :—

	Admission Fee.	Re-admission Fee.
Infant and First classes	Nil	Nil
First English class	8 annas	Re. 1
Second do	12 „	Rs. 1-8-0
First Form	Re. 1	Rs. 2
Second Form	Re. 1	Rs. 2-8-0
Third Form	Re. 1	Rs. 3

The imposition of admission fees in the First English class and Lower classes which come within the course prescribed under the Compulsory Education Scheme is not necessary as the Compulsory Education Regulation makes ample provision for securing regularity of attendance, etc.

The Inspector-General's proposal in respect of the Second A.-V. class and upwards in which fees were abolished recently is sanctioned with this modification that re-admission fees should not be levied where satisfactory cause is shown.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

Read—

Correspondence ending with letter No. 128, dated 17th November 1919, from the Vice-President, Board of Sanskrit Studies in Mysore, regarding the revision of the grades of Veda Professors and Assistants in the Maharaja's Sanskrit College, Mysore.

2. Letter No. T. A. D. 1403, dated 10th February 1920, from the Comptroller, forwarding duly verified the proposition statements relating to the revision of the grades of Veda Professors, etc.

Order No. 11433-5—Edn. 15-19-56, dated 8th June 1920.

The Vice-President, Board, of Sanskrit Studies, states that the existing scale of pay for the Veda staff of the Maharaja's Sanskrit College is much lower than that sanctioned for other branches of study and that in the interests of Vedic recitation, the scale should be raised sufficiently high so that the services of competent men as teachers may be secured, and has accordingly recommended at the instance of the Board of Sanskrit Studies a revision of the grades of Veda Professors and Assistants as follows :—

Present scale.			*Proposed scale.*		
	Pay	Average		Pay	Average
Rigveda Teacher	20—2—40	32 1/7	Rigveda Professor	40—2—50	46 2/7
Yajurveda ,,	20—2—40	32 1/7	Yajurveda ,,	40—2—50	46 2/7
Samveda ,,	20—2—40	32 1/7	Samveda ,,	40—2—50	46 2/7
Rigveda, 1st Assistant	15—1½—30	24 1/6	Rigveda, 1st Tutor	30—2—40	36 2/7
,, 2nd ,,	15—1½—30	24 1/6	,, 2nd ,,	20—2—30	26 2/7
Yajurveda, 1st Asst.	15—1½—30	26 1/6	Yajurveda, 1st Asst.	30—2—40	36 2/7
,, 2nd ,,	15—1½—30	24 1/6	,, 2nd ,,	20—2—30	26 2/7
Samveda Assistant	15—1½—30	24 1/6	Samveda Tutor	20—2—30	26 2/7

Extra cost of Rs. 75 5/6 per mensem or Rs. 910 per annum.

Government are pleased to sanction the above proposals and to direct that the cost be met from the savings in the pay provided for the post of Vice-Principal, Sanskrit College.

P. G. D'SOUZA,
Secy. to Govt., Depts. of Edn. & Agri.

To—The Vice-President, Board of Sanskrit Studies.

Scheme for Training Mechanical Draftsmen.

No. 12183-8—Edn. 83-19-52, dated 29th June 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

Read—

Government Order No. 4261-4—Edn. 52-18-12, dated 21st November 1918, passing orders on the scheme for Training Mechanical Draftsmen

2. Letter No. 1928-161, dated 22nd August 1919, from the Director of Industries and Commerce, stating that in his opinion it is unnecessary to provide for a separate draftsman in the first year on Rs 75 and for a clerk and a peon and suggesting that the classes may be opened without any additional staff.

3. Correspondence ending with letter No H C 613 of 19-20, dated 13th May 1920, from the Inspector-General of Education on the subject

Order No 12183-8—Edn 83-19-52, dated 29th June 1920.

The Managing Committee of the Mechanical Engineering School have resolved that the selected students for the Mechanical Draftsmen's class may be sent for training in the Drawing Sections of the undermentioned offices :—

(1) Office of the Chief Electrical Engineer.
(2) Do Director of Industries and Commerce
(3) Do Carriage and Wagon Superintendent, Mysore Railways
(4) Do Loco Superintendent, Mysore Railways, and that no allowance need be paid to the Head Draftsmen of the above offices

The Inspector-General of Education is however of opinion that the course suggested by the Committee of the Mechanical Engineering School will render the training deficient and that suitable provision should be made for the proper organisation and working of the class. The Chief Engineer who was consulted in the matter considers that under the present conditions of limited funds, it may be desirable to train the Draftsmen in the several offices as proposed by the Committee of the Mechanical Engineering School.

Government agree with the Chief Engineer and are accordingly pleased to sanction the proposals of the Managing Committee of the Mechanical Engineering School and to direct that the scheme already approved be modified accordingly. The Departments concerned will afford the necessary facilities for the training of the Draftmen as efficiently as possible.

NOTIFICATION.

In accordance with an agreement between the Council of Missionary Aided Education in Mysore and this Department, Inspecting Officers, Head Teachers and Managers of Aided Institutions are hereby informed as follows :—

1. That in localities which may from time to time be declared single-school areas either for all or particular grades of education, religious instruction shall be voluntary in the sense of its being open to the parent or guardian to withdraw a pupil from attendance at religious classes on a written request sent to the Head Teacher of the School.

2. In order to facilitate the exercise of this option thus accorded, it is hereby enjoined that religious instruction in recognised schools in such areas shall be imparted either in the first or last hour of any working day.

3. Attendance at these classes shall be voluntary and not count for term certificates or any other provision enforcing a minimum percentage of attendance.

4. The decision of the Inspector-General shall be final as to what localities are to be regarded as single-school areas for the purpose of this notification.

No. 11403-4—Edn. 440-19-1, dated 7th June 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

Order No. 11403-4—Edn. 440-19-1, dated 7th June 1920.

Consequent on the abolition of fees with effect from July 1920, in the middle school classes of Government schools ordered in Government Order No. 6634-5—Edn. 357-19-1, dated 23rd January 1920, representations have been received from aided institutions that they might also be permitted to abolish fees in the corresponding classes and that grants to these institutions may be increased suitably to compensate them for the loss of fee income.

2. Under the Grant-in-aid Rules grants to A. V. and High-schools may be equal to but shall in no case exceed the excess of expenditure over income and the income for the purposes of this rule is estimated as including interest on endowments, produce of land or other properties set aside for the maintenance of the school and the fee receipts of the school and other miscellaneous items of income and the fee receipts are calculated at the standard rates shown in Chapter IV of the Educational Rules and no deductions are made on account of concessions and scholarships except such as are authorised by the department. In Government Order No. 124-8—Edn. 22-18-18, dated 28th June 1919, the rules have been amended so as to permit aided institutions to grant free studentships in the A. V. and High Schools up to 20 per cent and in the Entrance classes up to 33 per cent of the strength.

3. Government have carefully considered the representations and are of opinion that aided agencies should be encouraged as far as possible, and are accordingly pleased to direct that provided they abolish fees in middle school classes with effect from 1st July 1920, such of the institutions as do not levy fees in these classes be given increased grants to the extent of the loss that they actually thereby sustain. The Inspector-General of Education is requested to have the accounts of the schools audited and to submit proposals for increasing grants to the aided institutions to the extent to which they may avail themselves of the permission to abolish fees.

4. A provision of Rs. 50,000 will be made in the budget of the next year for the purpose of paying compensation and repeated in the budgets of succeeding years.

P. G. D'SOUZA,
Secy. to Govt., Depts. of Edn. and Agri.

Budget Estimates of the Mysore University for 1920-21.

No.11768-9—Edn. 171-19-17, dated 14th June 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

Read—

Correspondence ending with letter No. 9976, dated 3rd April 1920, from the Registrar, Mysore University, submitting for orders draft Budget estimates of the University for 1920-21 as passed by the University Council and approved by the Senate at their meeting held on 19th March 1920 together with an explanatory note.

2. Correspondence ending with letter No. 10916, dated 6th May 1920, from the same officer, submitting a revised budget.

Order No. 11768-9—Edn. 171-19-17, dated 14th June 1920.

The Budget estimates originally submitted by the University provided for a sum of Rs. 10,24,230 under receipts including a State grant of Rs. 7,00,000 and an opening balance of Rs. 2,50,000 and an expenditure of Rs. 10,14,146 leaving a closing balance of Rs. 10,174.

The above estimates would exhaust the balance at the credit of the University and necessitate the increase of the State grant from 7 lakhs to 10 lakhs from the next year to provide for the present level of expenditure in the University. As it was considered necessary for the University to have at its credit an opening balance of at least a lakh of rupees at the end of each year as a margin for unforeseen expenditure and as a working balance, the Registrar, Mysore University, was requested to place the matter before the University Council and to submit a revised Budget.

The revised Budget estimates now submitted provide for an opening balance of Rs. 2,50,000, receipts of Rs. 7,74,320 and an expenditure of Rs. 9,00,111 with a closing balance of Rs. 1,24,209.

The estimates now submitted are sanctioned with the modification that the provision of Rs. 15,000 made for Training College and proposed to be omitted may be retained.

The Budget estimates as finally passed are printed as an appendix to this order.

P. G. D'SOUZA,
Secy. to Govt., Depts. of Edn. & Agri.

Abolition of Upper Secondary Classes.

No. 12292-3—Edn. 216-19-8, dated 30th June 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS

Read—

Letter No. 449—H. C. of 19-20, dated 5th December 1919, from the Inspector-General of Education, recommending the discontinuance of the Upper Secondary Classes in the Empress Girls' School, Tumkur, and the Vanivilas Institute, Bangalore.

2. Correspondence ending with letter No. 449—H. C., dated 13th May 1920, from the same officer on the subject.

Order No. 12292-3—Edn. 216-19-8, dated 30th June 1920.

There are at present general education classes of the Upper Secondary grade for girls in the Maharani's Girls' High School, Mysore, Vanivilas Institute, Bangalore, and the Empress Girls' High School, Tumkur, and provision exists for the admission of 6 teachers in service every year to each of the latter two institutions, their substitutes being paid at Rs. 15 per mensem. The Inspector-General of Education states that the number of girl pupils going in for higher or Upper Secondary education is not commensurate with the expenditure and he therefore proposes that the Upper Secondary Classes attached to the Empress Girls' School, Tumkur, and the Vanivilas Institute, Bangalore, may be discontinued, and that the Upper Secondary Classes attached to the Maharani's High School may be further developed. In this connection he also states that it is difficult to find substitutes for women teachers selected for undergoing the Upper Secondary Course and that further these deputations disorganise the work of the schools in addition to giving room for complaints from ladies selected and accordingly recommends that the number of teachers selected may be limited strictly to 6 every year, and that provision may be made for awarding 20 stipends of Rs. 10 per mensem each year to private lady candidates who have passed the Lower Secondary Examination and join the Maharani's College for undergoing the Upper Secondary Course. He also recommends that the lady teachers selected to undergo the course may be given a deputation allowance of Rs. 5 per mensem in addition to their pay.

Government are pleased to sanction the proposals of the Inspector-General of Education which involve an extra cost of Rs. 280 per mensem as per details appended. The abolition of the Upper Secondary Classes in the Vanivilas Institute, and the Empress Girls' School is expected to effect a saving of Rs. 173½ per mensem, so that the net extra cost to Government on account of the proposals herein sanctioned is Rs. 106½ per mensem, which will be met by re-appropriation of grants to be provided in the Education Budget next year.

P. G. D'SOUZA,
Secy. to Govt., Depts. of Edn. and Agri.

Village School Fund Budget for 1920-21.

No. 11335-6—Edn. 302-19-6, dated 1st June 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

Read—

Letter No. Glc. 7853, dated 17th March 1920, from the Inspector-General of Education, submitting the budget estimates of the Village School Fund for 1920-21 with the following explanatory remarks.

MEMORANDUM ACCOMPANYING THE VILLAGE SCHOOL FUND BUDGET OF 1920-21.

Receipts.—The estimated receipts for 1920-21 shows an increase of Rs. 38,650 over that sanctioned for 1919-20. The difference is due to the balance of Rs. 3,745 which stands to the credit of the fund after a large debit balance at the opening of 1919-20, and also to the increase under "Examination Fees".

No receipts from "School Fees" have been shown, as Government have in their Order No. 6634-5—Edn. 357-19-1, dated 23rd January 1920, abolished the levy of school fees.

The provision of Rs. 4,00,000 entered under the head "Contribution from State Funds" includes a sum of Rs. 3,00,000 for new schools and Rs. 1,00,000 for buildings.

Expenditure.—The estimated expenditure amounts to Rs. 7,41,447 and is more than that sanctioned in the budget for 1919-20 by Rs. 63,991.

The increase is due to the additional hands, sanctioned in Government Orders Nos.—

4665-6—Edn. 74-19-5, dated 3rd December 1919,
5464-5—Edn. 74-19-6, dated 24th December 1919,
6881-2—Edn. 18-19-115, dated 28th January 1920,
6002-3—Edn. 137-19-9, dated 9th January 1920,
4943-4—Edn. 17-18-14, dated 9th December 1919,
3523-4—Edn. 137-19-4, dated 25th October 1919,

and also to periodical increments calculated in respect of masters on progressive pay in A.-V. Schools.

The charges on account of "Local Examinations" have been omitted as the same have been ordered to be included under "State Funds".

A sum of Rs. 7,500 has been entered under (1) Instruction-General, (2) Village Elementary Schools, towards disbursements of grants and salaries of Village Elementary School teachers beyond ten miles of a Taluk Treasury as per Government Order No. 1212-22—Edn. 33-18-7, dated 2nd August 1919.

Summary.

The budget estimates provide for receipts amounting to Rs. 7,19,851 and expenditure amounting to Rs. 7,41,447 thus showing an excess of expenditure over receipts by Rs. 21,596. This excess may be kindly given as a grant from State Funds.

Order No. 11335-6—Edn. 302-19-6, dated 1st June 1920.

The receipts and expenditure of the Village School Fund are estimated by the Inspector-General as follows:—

	Sanctioned for 1919-20. Rs.	Proposed for 1920-21. Rs.	*Difference.* Rs.
Receipts ..	6,81,201	7,19,851	+38,650
Expenditure ..	6,77,456	7,41,447	+63,991

The Comptroller who was consulted in the matter is of opinion, that the transactions of the year 1919-20 may result in an opening debit balance of Rs. 7,763 and that the receipts should therefore omitting Examination Fees which is credited to

No. 11335-6—Edn. 302-19-6, dated 1st June 1920.

State Funds, be taken out at 6,73,343 and that to the expenditure as per departmental estimate a sum of Rs. 3,054 should be added being the salary of certain Village Elementary School masters omitted in the Inspector-General's statement. The expenditure would therefore stand at Rs. 7,44,951 resulting in a debit balance of Rs. 71,608.

Government are pleased to sanction the budget estimates duly modified providing for an income of Rs. 6,73,343 and an expenditure of Rs. 7,44,951. The excess of expenditure over income, *viz.*, Rs. 71,608 will be met by an additional grant from the State Funds by reappropriation within the Education Budget for 1920-21.

The details of the estimates are given in the accompanying statement, an abstract whereof is given below:—

No. 12093-6—Edn. 135-19-9, dated 25th June 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

Read—

Government Order No. 791-3—Edn. 140-15-1, dated the 24th July 1916, sanctioning certain additional facilities to promote the education of the Military classes.

2. Letter No. A. C. 3561 of 18-19, dated the 27th August 1919, from the Inspector-General of Education, recommending further facilities for the education of the Military classes.

(Printed in extenso.)

3. Correspendence ending with letter No. 3561, dated 24th January 1920, from the same officer on the subject.

Order No. 12093-6—Edn. 135-19-9, dated 25th June 1920.

The Inspector-General of Education, states that full advantage has been taken of the concessions already existing, and that the facilities now offered are far short of the demand. He accordingly recommends, at the instance of the Committee of the Hebbal School, certain additional facilities to be granted for the education of these classes.

The proposals are:—

1. Construction of six new primary school buildings, four for the New Sawar Lines, and two for the Transport Lines at a total cost of Rs. 20,000.
2. Extension of the A.-V. School building at a cost of Rs. 10,000.
3. Provision of quarters for about 15 teachers at a cost of about Rs. 25,000.
4. Opening of two new girls' schools, an Urdu School in the Transport Lines, and a Mahratta girls' school in the New Sawar Lines.
5. Reduction of the Urdu Middle School to the Primary Standard and transfer of the two teachers on Rs. 15-1-20 and 12-1-15 to the Sawar Lines A.-V. School.
6. Increase of the scale of pay of the Head Master of the A.-V. School from Rs. 50 to Rs. 50-4-70.
7. Appointment of an additional Upper Secondary teacher on Rs. 25 and a clerk on Rs. 15.
8. Increase of contingency from Rs. 3 to Rs. 5.
9. Annual Library grant of Rs. 50 and a non-recurring Library grant of Rs. 500 for the Sawar Lines A.-V. School.
10. The grant of conveyance allowances to non-resident teachers of the school in the Military area till quarters are provided for them.

The proposals involve expenditure of Rs. 55,500 non-recurring, and of Rs. 3,762 recurring, of which, Rs. 135 per mensem or Rs. 1,620 per annum is proposed for conveyance allowance to teachers.

Government approve of the recommendations and direct that the charges in question be met from the sources noted against each with effect from the next year:—

Cost of constructing quarters for teachers ..	Budget of the Military Department.
Cost of conveyance allowances ...	
Other charges ..	Budget of Education Department.

The cost of constructing buildings for schools will be met from the provision of two lakhs of rupees in the Public Works Department Budget for Education Buildings.

The proposals herein sanctioned will be given effect to as funds become available.

No. 12093-6—Edn. 135-19-9, dated 25th June 1920.

In this connection, the Inspector-General of Education is requested to consider the practicability of having a combined school for boys both Kannada and Hindustani with provision for teaching Hindustani as a language to the Mussalman boys and submit suitable proposals for reorganising these schools if necessary.

P. G. D'SOUZA,
Secy. to Govt., Depts. of Edn. & Agri.

To—The Inspector-General of Education in Mysore.
The Comptroller to Government through Financial Secretariat.
The Chief Commandant, Mysore State Troops.
The Chief Engineer in Mysore.

Exd.—T. N.

Copy of letter No A. C. 3561 of 18-19, dated the 27th August 1919, from the Inspector-General of Education in Mysore, to the Secretary to Government, Departments of Education and Agriculture.

With reference to Government Order No. 791-3—Edn. 140-15-1, dated the 24th July 1916, sanctioning certain additional facilities to promote the education of the Military classes, I have the honor to bring to the notice of Government that full advantage has been taken of the concessions kindly offered by Government; but the facilities now offered are far short of the present demand.

The recommendations of the Committee are as follows:—

(*i*) Construction of (*a*) one additional block to the A.-V. school at a cost of Rs. 10,000.
(*b*) Six new primary school buildings, four for new Sawar Lines, and two for Transport Lines at a total cost of Rs. 20,000.
(*c*) Quarters for about 15 families of teachers at a cost of Rs. 25,000.

2. Sanction of two new girls' schools; one Urdu Girls' School in Transport Lines, and one Mahratta Girls' School in the new Sawar Lines.

3. Reduction of the Urdu Middle School to the Primary Standard and the transfer of the two teachers on Rs. 15-1-20 and 12-1-15 to the Sawar Lines A. V. School.

4. Raising of the pay of the Head Master from Rs. 50 to Rs. 50-4-70 as a special case.

Sanction of an additional Upper Secondary teacher on Rs 25 per mensem and a clerk on Rs. 15.

Sanction of additional contingency of Rs. 2.

Annual grant of Rs. 50 towards Library in respect of Sawar Lines A.-V. School

5. Extra conveyance allowance to the non-resident teachers of all the schools in the Military area, till quarters are provided for them.

A consolidated detailed statement of the additional requirements under different heads with cost is submitted for sanction.

A perusal of the list will show that each of the items is one of urgent necessity in the interest of the education of the Military classess and their sanction will be in keeping with the concessions already sanctioned.

As regards buildings, plans and estimates will be submitted after receipt of Government Order regarding sanction of funds.

I recommend that Government will be pleased to sanction a sum of Rs. 3,762 per annum under recurring, and Rs. 55,500 under non-recurring, and order the cost to be met out of funds under Military budget.

The recommendation of the Committee to reduce the Urdu Middle School to the Primary grade and utilise the services of two teachers thus set free for the Sawar Lines A.-V. School may also be kindly approved.

Administration Report of Joint Stock Companies for 1920.

No. 11910—I. & C. 386-19-2, DATED 19TH JUNE 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

READ AGAIN—

Letter No. 140, dated 18—19th May 1920, from the Registrar of Joint Stock Companies in Mysore, forwarding a Report on the Administration of Joint Stock Companies in the State during the year ended 31st March 1920.

Order No. 11910—I. & C. 386-19-2, dated 19th June 1920.

Recorded.

2. Six new companies were registered during the year, the total number working at the end of the year being 95. The total subscribed and paid up capital at the end of the year of all companies were Rs. 85,56,425 and Rs. 66,43,002 respectively.

3. The Registrar inspected only one company during the year. The reason given for this, *viz.*, inadequacy of staff, is not satisfactory. Government desire to impress upon the Registrar the necessity of regularly inspecting the companies, explaining to the people the provisions of the new Regulation and ensuring that its provisions are duly complied with.

Lingadahalli and Kemmangundi Road.

No. 11851-6—I. & C. 112-19-7, DATED 17TH JUNE 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

Read.—

Letter No. 349—I. S. 60-18, dated 18th August 1919, from the Special Officer, Iron Works, forwarding with his observations, a copy of a letter from the Chief Engineer requesting that a sum of Rs. 22,945 may be provided from the Iron Scheme Budget for restoring the road between Lingadahalli and Kemmangundi.

2. Correspondence ending with letter No. D. Dis. 18—L. B. 19-20, dated 17th April 1920, from the President, District Board, Kadur stating that the Board are agreeable to bear one-third of the charges required for maintaining the road referred to above after the construction of the Ropeway is completed.

3. Unofficial Note No. 209, dated 26th April 1920, from the Chief Engineer in Mysore stating that the Public Works Department will bear

(i) One-third of the cost of restoring the road and

(ii) One-third of the maintenance charges after the completion of the Ropeway.

Order No. 11851-6—I. & C. 112-19-7, dated 17th June 1920.

The restoration of the road referred to above though required immediately in connection with the Iron Scheme will make available for planters and others a road that was in existence some eight years ago.

2. Government are therefore pleased to direct that the cost of restoration be debited to the Iron Scheme and the Public Works Department in the proportion of 2 to 1.

3. With regard to the maintenance charges, Government direct that the whole of these charges be met from the Iron Scheme till the construction of the Ropeway is completed. After it is so completed the maintenance charges will be borne by the Iron Scheme, Public Works Department, and the District Board in equal proportions.

4. The Chief Engineer is requested to have the road restored as early as possible.

5. Necessary action will be taken by the Comptroller with regard to the adjustments of the proportionate amounts in the Iron Scheme and the Public Works Budgets.

Budget Estimates of the Public Works Department.

No. Fl. 8813-62—G. F. 287-19-1, dated 10th June 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS

Order No. Fl. 8813-62—G. F. 287-19-1, dated 10th June 1920.

The system of framing the budget estimates of the Public Works Department is capable of considerable improvement. The following procedure should be strictly adhered to in preparing the budget estimates from 1921-22.

2. According to the Financial Settlement Scheme, the total amount available for expenditure by the Public Works Department for the period of the settlement will be known to the department and the annual programme should be so drawn up as to keep the expenditure on all accounts including the liabilities on account of sanctioned works in progress within the aggregate resources placed at the disposal of the department.

3. A triennial forecast should be prepared every year in the month of December and submitted for the approval of Government through the Comptroller. It should consist of the following statements:—

(1) Statement of estimated balances at the beginning of each of the next three official years.

(2) Abstract statement of estimated outlay on repairs, establishment, tools and plants, and stock and suspense for the same period.

(3) Statement of original work for the same period.

i. *Works in progress.*—

(*a*) Detailed statement of works requiring appropriations exceeding Rs. 5,000.

(*b*) Abstract statement showing totals for other original works.

ii. *New Works.*—

Amount required for (*a*) sanctioned works to be started, (*b*) amount available for new works that may be sanctioned.

The budget estimates for any year should follow as far as possible the triennial forecast and important variations between the two should be explained. The requirements of sanctioned works in progress should be fully met within the amount available for original works before any portion of it is utilised for new works. If it is not proposed to provide funds for works in progress, a statement of such works should be submitted explaining why their progress is retarded.

Proposals for new works should be considered with reference to the statement No. 3 ii (*b*) of the Triennial Forecast and only such of them should be sanctioned as can be financed from the amounts available according to the forecast during the year or years in which the works are expected to be in progress. In the budget estimate of any year provision should be included only for the works which have been thus sanctioned or shown as capable of being financed and no other works should be proposed or included in the budget submitted by the department. A lump provision within the total grant may be set apart for unforeseen charges and drawn upon only with the express sanction of Government. The Chief Engineer will be requested to see that these instructions are strictly carried out in future.

M. N. KRISHNA RAO,
Financial Secretary to Government.

No. Fl. 9036-85—G. F. 154-19-6, dated 17th June 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

Order No Fl. 9036-85—G. F. 154-19-6, dated 17th June 1920.

To bring Rule 9 relating to the Provident Fund Rules in conformity with the Provident Fund Regulation and to provide for cases of nomination being validly made in favour of persons other than the widow and the children of a subscriber, Government are pleased to amend the existing Rule 9 (2) of the Provident Fund as follows:—

Rule 9(2). In the event of an officer's death before retirement, or after retirement, but before the money has been handed over:—

(*a*) it will be divided between his widow or widows and children in accordance with any request that he may have submitted, in the prescribed from, which request must state the person to whom sums intended for the benefit of minors are to be paid, or it will be handed to such trustees as the subscriber may appoint by will to administer, for the benefit of his widow or widows and children, the funds standing at his credit at the time of his death;

(*b*) failing such a request it will be divided in equal shares between his widow or widows and children, to the exclusion of adult sons and of married daughters whose husbands are alive, any sum due to a minor being paid to the minor's legal guardian to be used for the minor's benefit or, failing a legal guardian, to any person who, in the opinion of the officer whose duty it is to make payment, is entitled to receive it on the minor's behalf;

(*c*) failing a widow and children entitled to participate under (*b*) it will be distributed among other persons in accordance with any request submitted by the subscriber in the prescribed form: and

(*d*) if no such request has been submitted, it will be paid to the legal representative of the estate as determined by a Civil Court having competence to pass orders in this respect: Provided that, if the sum remaining at the credit of the depositor does not exceed Rs. 1,000 it may be paid to such person or persons as the officer making the payment considers to be entitled thereto.

Note 1.—A husband may be permitted to make a special application for the exclusion of his wife from the benefits of the fund, if she has been judicially separated from him. In the absence of such an application the widow should be treated like an ordinary widow and the sum at the credit of her husband should be divided in accordance with the provisions of Rule 9 (2) (*b*).

Note 2.—In all cases where a request is submitted under clause (*c*) above, the subscriber should be called upon to state whether he has a wife or children and if it happens that he has a wife (not separated) or children, a request under clause (*c*) should not be entertained.

Note 3.—Government will not be bound by, or recognise, any assignment or encumbrance executed or attempted to be created by any officer during his service, but will recognise to the extent shown in clause (2) (*a*) above any arrangement which a subscriber may make for the disposal by will of the funds standing at his credit.

GENERAL AND REVENUE DEPARTMENTS

Read—

Government Order No. Fl. 100-49—G. F. 5-18-1, dated the 9th July 1918, sanctioning rules for the grant of grain compensation as per scale given in Article 72, Civil Account Code, Volume I, ragi being considered as the staple food grain and the taluk the unit.

2. Government Order No. Fl. 2047-96—G. F. 5-18-29, dated the 23rd October 1918, sanctioning rules for the grant of compensation for dearness irrespective of the price of any particular grain or commodity in the two Cities of Bangalore and Mysore.

Order No. Fl. 9233-82—G. F. 5-19-20, dated 21st June 1920.

In accordance with the orders read above, the grant of grain compensation allowance is sanctioned for the month of June 1920, to the employees in the two Cities of Bangalore and Mysore and to those in the several taluks in the State as noted in Annexures A and B appended to this order and as indicated below :—

(*a*) To the employees in the taluks in Annexure A, the allowance will be at the following rates :—

(i) To those drawing a pay exceeding Rs. 16 but not exceeding Rs. 30 per mensem, Rs. 2 per mensem.

(ii) To those drawing a pay not exceeding Rs. 16 per mensem, Re. 1-0-0.

(iii) When the pay is less than Rs. 5 per mensem, the extra allowance will be increased so as to bring up the aggregate pay and allowance to Rs. 6 per mensem.

(*b*) To the employees in the Cities of Bangalore and Mysore and the taluks in Annexure B, the above allowances will be raised to Rs. 3 and Rs. 1-8-0, respectively, and the aggregate pay and allowance of servants on less than Rs. 5 per mensem brought up to Rs. 6-8-0 per mensem.

List of new and special items of expenditure.

No. Fl. 9651-700
G. F. 304-19-1

GOVERNMENT OF H. H. THE MAHARAJA OF MYSORE,
FINANCIAL SECRETARIAT, GENERAL AND
REVENUE DEPARTMENTS.

Dated Bangalore, the 30th June 1920.

OFFICIAL MEMORANDUM.

The practice of submitting along with Budget Estimates, lists of new and special items of expenditure causes much embarrassment in determining the annual financial programme. The inclusion of provisions for measures not yet sanctioned is also opposed to the Budget system as it encourages Departments desirous of preventing lapses, to submit imperfectly considered schemes for the utilisation of grants or proposals for reappropriation of grants for purposes not necessarily of a pressing character. The practice leads to irregular expenditure and it should therefore be discontinued from 1921-22.

2. Proposals for additional expenditure in any department should have reference to funds allotted for the different groups of departments according to the scheme of Financial Settlement, and recommendations which involve expenditure which cannot be financed from such funds should not be submitted.

3. The Heads of Departments should submit, in the case of urgent measures, their proposals by the 1st of January to admit of orders on them being passed by Government before 1st March for inclusion in the Budget for the next year. Any proposals submitted later than this date will not be considered. The programme of the year current as fixed in the Budget should not be disturbed by proposing additional expenditure not sanctioned and not provided for in the Budget.

By Order,
M. N. KRISHNA RAO,

No. Fl. 9701-10—G.F. 273-19-3, dated 30th June 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

Read—

Letter No. Book 2484, dated 5th May 1920, from the Comptroller, submitting the report on the Resource Operations for the year 1918-19.

Order No. Fl. 9701-10—G. F. 273-19-3, dated 30th June 1920.

Recorded.

2. The Report was due to be submitted to Government on the 1st January and there was a delay of 4 months in its submission. Such delay should be avoided in future.

3. Owing to difficulties felt in the transfer of cash balances from London and the shortage of specie throughout India, the resource operations of the year 1918-19 required special measures and Government are glad to note that the steps taken by the Comptroller were timely and adequate for keeping the Treasuries supplied with funds.

4. During the year under report, a net sum of 73·14 lakhs was realized by the sale of securities as against 28·65 lakhs in the preceding year mainly for financing the Capital Programme of the year. Funds moved by means of supply bills amounted only to 46,000 as against 4·52 lakhs in the previous year.

5. In the year under review, it was arranged to pay from the London balances of Government the interest due on the Mysore Railway Sterling Debt of £12,00,000 instead of remitting the amount from India as hitherto out of the Railway revenues and this arrangement solved to some extent the difficulty in the remittance of funds from London as it helped to increase the Indian balances by using a part of the balances locked up in London.

Rule 80 of Mysore Service Regulations.

No. Fl. 8914-63—S. & A. 211-19-1, dated 12th June 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS

Order No. Fl. 8914-63—S. & A. 211-19-1, dated 12th June 1920.

The following rule will be introduced as an explanation to Article 80, Mysore Service Regulations. This rule will not have retrospective effect.

When the authority passing orders to withhold an increment does not specify clearly for what period the officer is to be deprived of his increments, the deprivation should be held to cease on the expiry of the period during which the officer would have drawn the increment withheld. For example, if on the 1st July 1919 an officer already drawing a pay of Rs. 110 in a grade of Rs. 100—10—150 and in ordinary course entitled to an increment of Rs. 10 on the 1st July each year, is punished by refusal of the next increment, to which he would otherwise have been entitled on that date, he will in the absence of special orders to the contrary, be entitled on the 1st July 1920 to draw Rs. 130 and not Rs. 120 only.

Order No. Fl. 9086-135—S. & A. 35-19-2 dated 17th June 1920.

The following rule will be inserted as 130 B in the Mysore Service Regulations.

"An officer who is already on leave may not take service or accept any employment which involves the receipt of a fee or honorarium, without obtaining the previous sanction of Government, provided that when the officer is non-gazetted, the special permission of the officer empowered to appoint him is sufficient authority for the acceptance of such temporary employment.

Note.—This rule does not apply to the acceptance of fees for literary work or for service as an examiner or to similar employment, nor does it apply to acceptance of foreign service which is governed by Article 407, Mysore Service Regulations.

Government Order No. Fl. 5780, dated 17th March 1920, sanctioning the acceptance of medical certificates granted by the Superintendent, Minto Ophthalmic Hospital, without the countersignature of the District Medical Officer in cases of retirement due to diseases of the eye.

Letter No. 2182—Pen. dated 13th March 1920, from the Comptroller, requesting orders of Government in the matter of acceptance of unfitness certificates by Resident Medical Officers of the Victoria Hospital, Bangalore, and Krishnaraja Hospital, Mysore, when these officers are not below the rank of Assistant Surgeons.

Order No. Fl. 9175-224 - S. & A. 160-19-3, dated 19th June 1920.

Government observe that Resident Medical Officers of the Victoria and Krishnaraja Hospitals cannot, as such, grant medical certificates of any kind except to patients treated or under treatment in those hospitals; certificates granted to such patients and bearing the countersignature of the medical officers in charge of the institutions may be admitted in support of applications for invalid pensions.

The certificates granted by the Surgeon in charge of the Ophthalmic Department of the Krishnaraja Hospital may be accepted in cases of retirement due to diseases of the eye in accordance with the ruling in the Government Order of 17th March 1920 read above.

The necessary addenda and corrigenda slip to the Mysore Service Regulations will separately issue.

Muzrai Establishment Fund.

No. 4334-43—Muz. 809-18-2, dated 17th June 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

Read—

Government Proceedings No. 2538-49—Muz. 694-15-1, dated 2nd April 1917, directing the constitution of a Muzrai Establishment Fund by the levy of a percentage contribution on the annual income of major and minor institutions to meet the charge for the establishment engaged on Muzrai work in the various offices.

(2) Note No. C. R. 37, dated 22nd May 1919, from the Muzrai Superintendent in Mysore, submitting a detailed report with a complete scheme of special establishments necessary for carrying on the Muzrai work in the various offices.

Order No. 4334-43—Muz. 809-18-2, dated 17th June 1920.

In the order read above, Government directed that a percentage contribution on the income of major and minor institutions should be levied for the purpose of meeting all charges of Muzrai Establishment maintained in the offices of the Muzrai Superintendent, the Comptroller, the Deputy Commissioners of Districts and the Amildars of Taluks and that this Fund which should be called the "*Muzrai Establishment Fund*", should take the place of the contributions that were being levied from certain institutions only. The Muzrai Superintendent was directed to undertake a careful preliminary investigation of the income, expenditure and immediate requirements of the various Muzrai Institutions with a view to ascertain the actual sum that could be got from them and the institutions which might have to be exempted on the ground of their being without a sufficient margin of surplus.

2. The Muzrai Superintendent (Mr. G. Aravamudu Iyengar) has submitted an elaborate report with all the details completely worked out. As a preliminary measure, the affairs of the various institutions were investigated with the help of a special establishment, and scales of income and expenditure were drawn up and the available surplus has also been ascertained. There are 148 major institutions with a gross income of Rs. 2,95,219 and 883 minor ones with a gross income of Rs. 2,16,832. It now remains to determine the manner in which the proposed Muzrai Establishment Fund should be formed.

3. In fixing the contributions to be levied Mr. Aravamudu Iyengar has proposed a modification of the percentages tentatively prescribed in the Government Order and suggested that the rates of levy might be 6¼ per cent and 3⅛ per cent irrespective of the class of the institutions. In levying these rates he recommended that all institutions with a surplus less than 1/16ths of their total income should be exempted and that those with a surplus of 2/16ths should pay 3⅛ per cent and those with a surplus of 3/16ths and above 6¼ per cent.

4. After a careful consideration of the subject, Government resolve that the percentages of 5 per cent on the gross income of major Muzrai institutions and of 3 per cent in case of minor institutions tentatively fixed in the Government Order of 2nd April 1917, read above, be adopted. Out of this Fund, a margin of 5 per cent should always be maintained as a reserve to guard against unforeseen fluctuations in the receipts of the institutions.

5. Government are pleased to sanction from the State Funds an annual contribution towards this Fund of a sum not exceeding the amount of the reserve, *viz.*, 5 per cent of the income.

6. The Establishment Fund is likely to amount to Rs. 21,266 per annum. The Muzrai Superintendent is requested to submit in consultation with the Comptroller and the Deputy Commissioners of Districts, for the orders of Government, detailed proposals in respect of the establishment required for the several offices concerned within a cost of Rs. 20,000 for the present.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

Read—

Government Order No. 2384-85—Muz. 420-19-2, dated the 10th February 1920. sanctioning an estimate amounting to Rs. 461-10-10, for repairing the wheels and axles of the Car of the Sri Mahalakshamma Temple at Kannambadi.

2 Letter No. R. C. 274 of 1919-20—Muz., dated the 10th May 1920, from the Deputy Commissioner, Mysore District, requesting, for reasons given, sanction to draw the sum of Rs. 461-10-10, referred to in the Government Order read above, in advance, subject to adjustment in due course.

Order No. 4378-80 –Muz. 420-19-4, dated 22nd June 1920.

Government consider that there is no need to draw the amount of the estimate in advance in such cases.

2. The Comptroller to Government is requested to give credit to the Public Works Department to the extent of the amount sanctioned, debiting the same to the Muzrai Funds from which the charge has been sanctioned.

GENERAL AND REVENUE DEPARTMENTS.

READ—

Petition Registered No. 2065, dated 15th May 1919, from Mahomed Abdul Khudus of Channapatna, appealing against the order of the Deputy Commissioner, Bangalore District, dated 26th March 1919, that the Akkal Shah Darga at Channapatna is entitled to the Inam land Survey No 157 of Gendamedu village with the exception of an extent of 1 acre and 12 guntas thereof which belongs to the appellant.

(2) Letter No 69, dated 3rd December 1919, from the Deputy Commissioner, Bangalore District, submitting the records of the case.

Order No. 4505-507—Muz. 798-18-6, dated 29th June 1920.

According to the Inam Settlement, old Survey No 162 measuring Ko-K19-P15 5/8 has been confirmed as a Devadaya Inam in the name of the managers for the time being of Akkal Shah Khadri Darga, with the exception of 2 kudus of land, which were confirmed to one Dalal Mahomed Mastan (to whose father this extent had been alienated) on the condition that he should pay to the Darga 8 as. per annum being half the assessment on the extent.

2. At the Survey Settlement held in 1893-94, old Survey No. 162 was formed into 2 Survey Nos., *viz.*, (i) Survey No 156 measuring 6 acres and 21 guntas and (ii) Survey No 157 measuring 5 acres and 36 guntas, *including* 1 acre and 12 guntas being the equivalent of the two khudus of land referred to above

3. On the appellant who is a nephew of Mahomed Mastan Khan, claiming the whole of Survey No. 157 measuring 5 acres and 36 guntas as his personal property, the Deputy Commissioner held an enquiry and decided that the appellant was entitled to only 1 acre and 12 guntas, equivalent to 2 khudus confirmed to Mahomed Mastan Khan at the Inam Settlement.

4. The present appeal to Government is against the foregoing order of the Deputy Commissioner. The appellant claims to be the owner of the remaining extent of 4 acres and 24 guntas out of Survey No. 157 on the ground that two khudus (other than the two khudus referred to above) were mortgaged to his ancestors 65 or 66 years ago ; but this canno. possibly be true, for, if a mortgage had really been created, a claim would have been put forth in respect of it at the Inam Settlement of 1877. just as a claim was successfully made about the other two khudus These two khudus were purchased on 12th January 1891 by Mahomed Mastan Sab, but this alienation is invalid, under the Chief Commissioner's Notification of 17th November 1877. The appellant has thus no title to the 2 khudus under the sale-deed dated 12th January 1891.

5. Appellant has not explained how he or his ancestors got the remaining portion of Survey No. 157, (*i.e.*, 4 acres and 24 guntas minus 2 khudus). He however seems to depend entirely upon possession, which, if true, must have commenced subsequent to the Inam Settlement and as such cannot count.

6. The Government therefore see no reason to interfere with the Deputy Commissioner's decision which is in conformity with the Inam Settlement.

7. The appeal is therefore dismissed.

Sri Ramachandradevaru Temple at Samagodu Tirthahalli Taluk.

No. 4543-5—Muz. 521-14-11, dated 30th June 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

READ—

Government Proceedings No. 718—Muz. 521-14-5, dated 8th September 1915, calling for a scheme of management in respect of the affairs of the Sri Ramachandradevaru temple at Samagodu, Tirthahalli Taluk.

2. Correspondence ending with letter No. 177, dated 21st April 1920, from the Deputy Commissioner, Shimoga District, *re* the affairs of the temple referred to above.

Order No. 4543-5—Muz. 521-14-11, dated 30th June 1920.

The temple of Sri Ramachandradevaru at Samagodu in the Tirthahalli Taluk, is a Muzrai Institution endowed with inam lands.

2. During the inspection of the temple by the Muzrai Secretary in January 1906, it was found that the extensive inam lands endowed to the temple had passed into the possession of some private persons and an enquiry was thereupon ordered. It was then discovered that some of the temple lands had been leased for term of fifty and five hundred years, that the temple building had been neglected and that no proper accounts of income and expenditure of the Temple Funds had been maintained by the Vahivatdar.

3. The Deputy Commissioner was thereupon requested to take steps to cancel the unauthorized alienations and to call upon the Vahivatdar to execute a Mutchalika binding himself to keep the temple building in proper repair and to conduct the services in the temple according to the scale fixed by the Deputy Commissioner, and in default to take over the temple property under the management of the Government.

4. The Vahivatdar then petitioned to Government praying for a reconsideration of the above order, but the petition was rejected and the Deputy Commissioner was asked to frame and submit for the orders of Government, a scheme of management in regard to the affairs of the temple.

5. The Deputy Commissioner has accordingly submitted a scale of income and expenditure; and in regard to the lease of the temple lands, he proposes that in view of the special difficulties attending the cultivation of lands in Malnad tracts, the lands in question may be leased out for a period of thirty years.

6. The Vahivatdar urges that his ancestors have given loans to the temple to the extent of Rs. 3,850, and prays that provision may be made in the scale of expenditure for the payment to him annually of Rs. 328, being the interest thereon, but the Deputy Commissioner reports that this claim is inadmissible and does not deserve consideration. After a consideration of all the circumstances, Government agree with him in thinking that the contention of the Vahivatdar is unsound. The temple is therefore under no obligation to repay this sum to the Vahivatdar and no provision for the payment of the principal or interest on the sum to the Vahivatdar need be made in the scale of temple expenditure.

7. Subject to this modification, the scale of income and expenditure proposed by the Deputy Commissioner is sanctioned.

8. The proposal to lease the temple lands for thirty years is also sanctioned in the special circumstances of the case.

Sri Renukamba Temple at Chandragutti, Sorab Taluk.

No. 4427-9—Muz. 670-19-2, dated 24th June 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

Read—

Muzrai Superintendent's Note No. R. C. 1382 of 18-19, dated 6th May 1920, submitting for sanction proposals for the revision of the scale of income and expenditure in the Sri Renukamba temple at Chandragutti in the Sorab Taluk, and stating that the proposals were drawn up by Mr. G. Aravamudu Iyengar, formerly Muzrai Superintendent and Secretary to Government, Muzrai Department, after personal inspection and enquiry and that the Deputy Commissioner, Shimoga District, who was consulted in the matter, is agreeable to the proposals and that the slight modification suggested by him as regards the allotment for Deeparadhane in the temple has been incorporated in the proposals.

Note.

The temple of Sri Renukamba at Chandragutti in the Sorab Taluk is an important institution. It is in the enjoyment of the undermentioned Devadaya Inam lands intended for the support of the temple and the several Upadhis :—

	Kind	Extent. A.	g.	Assessment. Rs.	a.	p
Puja and Neivedya	Dry	5	8	1	12	0
	Wet	6	29	15	8	0
Mantrapushpa, etc., services... ...	Dry	5	35	1	12	0
	Wet	10	32	26	4	0
	Dry	9	12	3	0	0
	Wet	8	38	22	0	0
Rig Veda	Dry	3	36	1	8	0
	Wet	5	38	14	8	0
	Wet	6	17	16	0	0
Devimahatmya	Dry	2	22	1	0	0
	Wet	15	5	42	0	0
Lalita Sahasranama	Dry	1	35	0	12	0
	Wet	6	12	17	4	0
Lalita Sahasranama, Rudrabhisheka and Sri Suktabhisheka.	Dry	9	4	3	8	0
	Wet	10	6	25	8	0

In addition, the temple also gets a cash grant of Rs. 142 (malnad cash grant Rs. 139-1-0 and ready money grant Rs. 2-15-0) per annum.

The lands set apart for puja and neivedya are in the possession and enjoyment of the temple. The Upadhi service lands are in the enjoyment of the service holders who are said to regularly render the various services.

The temple derives an annual income of about Rs. 1,432 inclusive of the interest earnings on the invested surplus.

No scale of expenditure has been fixed in recent years, the one now in force having been fixed in 1876.

A comparative statement showing the existing and the proposed scale of expenditure is hereto appended. These proposals have been discussed with the local officers, Dharmadarsis and other devotees of the temple and are likely to be acceptable to them.

Establishment.

Small increases to certain ill-paid but hard-worked servants are proposed which result in a net increase of Rs. 32 a year. These are well deserved and may be allowed. The expenditure under the remaining items does not call for any remarks.

Nityakatle.

The grant for deeparadhane has been raised by Rs. 15 in view of the high price of oil.

No. 4427-9—Muz. 670-19-2, dated 24th June 1920.

Hetchukatle.

The grants for some of the Utsavas have been slightly enhanced as it was represented that the existing provision was insufficient. Small increases where absolutely needed have been given, only one item of expenditure, *viz.*, His Highness the Maharaja's Birthday, has been newly added.

Thus the total expenditure as per proposed scale is Rs. 880 as against Rs. 703-12-0 in the existing scale.

The following gentlemen may be appointed as Dharmadarsis of the temple:—

1. Channabasappa Gowdaru,
2. Heche Patel Ramappa,
3. Nyassi Patel Holayappa Gowdaru,
4. Nadig Lakshmana Rao of Sorab, and
5. The Shekdar of Chandragutti Hobli for the time being.

The surplus at the credit of the temple on 1st July 1918 was—Rs. 4,257-14-1 uninvested and Rs. 6,709-15-9 invested.

Some slight repairs to the temple building and *Olaga* Mantap are necessary. The temple car has also to be rebuilt Private subscription is being collected for the purpose. A decent building on the model of a musafirkhana for the convenience of the superior class of pilgrims is also necessary.

A percentage contribution of 6¼ per cent may be levied on the total income of the temple for the Muzrai Establishment Fund.

Order No. 4427-9 -Muz. 670-19-2, dated 24th June 1920.

Government consider the proposals of the Muzrai Superintendent suitable and are pleased to accord sanction to the same.

2. The question of levying a contribution on the income of the institution will be separately considered and orders issued in the matter in due course.

3. A notification will issue regarding the appointment of Dharmadarsis to the temple.

Initial Pay of Sub-Overseers under the Revised Scale.

No. P. W. 2698-2711—E. 13513-13526, DATED 24TH JUNE 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

PUBLIC WORKS DEPARTMENT

READ—

Government Order No. P. W. 839-862—E. 3977-4001, dated the 29th March 1919, according sanction to the re-organization of the Upper and Lower Subordinate Establishments of the Public Works Department.

(2) Notes ending with No. D. 908, dated the 3rd May 1920, by the Secretary to Government, Public Works Department, submitting a statement showing the allocation of Sub-Overseers in the several grades with their initial pay and recommending sanction thereto.

Order No. P. W. 2698-2711—E. 13513-13526, dated 24th June 1920.

Government have been pleased to accord sanction to the allocation of the Sub-Overseers in the several grades and to their initial pay under the revised scale being fixed as shown in the accompanying statement.

2. The order will take effect from 1st January 1919.

S. CADAMBI,
Secy. to Govt., P. W. D.

To—The Chief Engineer, Cauvery Valley Irrigation.
The Superintending Engineers of Eastern, Western and Sanitary Circles.
The Agent, Mysore Railways.
The Director of Industries and Commerce.
The Inspector-General of Education in Mysore.
The Jahgirdar of Yelandur.
The Chairman, Malnad Improvements, Hassan.
The Chairman, Malnad Improvements, Chikmagalur.
The Deputy Commissioner, Bangalore District.
The Chairman, City Improvement Trust Board, Mysore.
The Executive Engineer, City Drainage Project Division, Bangalore.
The Comptroller of Mysore (through the Financial Secretary).

Exd.—C. R.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

RAILWAY DEPARTMENT

READ THE FOLLOWING PAPERS—

Government Order No R. S. 3014-3016—Ry F. 146-G.-16-17, dated 4th April 1917, sanctioning an estimate amounting to Rs 14,503 for the survey of a Metre Gauge line of Railway from Nanjangud to Kakankote

2. Government Order No R S 2620-25—Ry. F. 146-G.-18-19, dated 21st March 1919, sanctioning a revised estimate amounting to Rs 20,875 for the survey of the above line, including the alternative alignment ordered between Hulhalli and Manchegoudanahalli.

3 Correspondence ending with the Railway Secretary's Note No. 933, dated 29th April 1920, submitting, for sanction, a re-revised estimate amounting to Rs 25,537 for the re-survey of a portion of Railway route of 18 miles due to the proposed Kabbani Reservoir already aligned, *via* Mullei and Antharasanthe and for the preparation of a final project for the whole line

Order No. R. S. 2302-07—Ry. F 160-G. 19-20, dated 30th June 1920.

The alignment now proposed is recommended both by the Conservator of Forests and the Deputy Commissioner, as opening up the forests of Heggaddevankote Taluk to a larger extent than is possible under the previous alignments

2. Government, therefore, consider that an early preparation of a project estimate for this line is important not only for the development of the forests but also to find a solution to the fuel difficulty in Mysore, so that all the requirements of the Sandalwood Oil Factory and the demands of private consumers may be met without difficulty

3. They are accordingly pleased to sanction the accompanying re-revised estimate for Rs 25,537 exceeding the 1st revised estimate by Rs. 4,662 for completing the field work over 18 miles of fresh ground and for preparing a project estimate for the whole line from Nanjangud to Kakankote

D. G. DANI,
Secy. for Rys , Govt. of Mysore.

To—The Secretary to Government, Financial Department.
The Secretary to Government, Public Works Department
The Agent, Mysore Railways.
The Conservator of Forests in Mysore
The Deputy Commissioner, Mysore District.
The Secretary, Railway Committee

Exd —C. R

No. R. S. 2302-07—Rv. F. 160-G.-19-20, dated 30th June 1920.

e-revised estimate of the probable cost of survey of a line of Railway from Nanjangud to Kakankote including the re-survey of a portion of Railway route due to the proposed Kabbani Reservoir already aligned, *via* Muller and Antharasanthe.

Gauge-Metre — Time required—five months — Length—18 miles
